NOTES TO FINANCIAL STATEMENTS

At September 30, 2016

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

L.M. Kohn & Company (the “Company”) is a fully-disclosed introducing broker-dealer, located in Cincinnati, Ohio. By acting as a securities broker-dealer for independent registered investment representatives, the Company’s primary source of revenue is derived from investment advisory fees, servicing fees, and commissions. The Company also derives revenues from providing private portfolio management and brokerage services to individuals and institutional investors in a variety of industries. The Company is registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA).

It is the policy of the Company to employ U.S. generally accepted accounting principles in the preparation of its financial statements. A summary of the Company’s significant accounting policies follows:

ACCOUNTING ESTIMATES –

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

REVENUE RECOGNITION –

The Company records revenues and expenses (commissions and brokerage expenses) directly related to security transactions on a settlement date basis, which approximates trade date basis.

CASH AND CASH EQUIVALENTS –

The Company considers all highly liquid investments with a maturity of three months or less at the date of acquisition to be cash equivalents.

DEPOSITS WITH CLEARING ORGANIZATIONS –

The Company is required to maintain a deposit with each of its clearing organizations, which allows the company to serve as an “introducing broker” into the clearing organizations system. These amounts are not able to be withdrawn from the clearing organizations and, therefore, have been restricted.

RECEIVABLES –

Receivables from clearing organizations are stated at the amount billed and represent uncollateralized obligations due under normal trade terms requiring payment within 30 days. Receivables from broker-dealer services are stated at amounts billed directly from investment companies and represent amounts due to the Company within 30 days. Certain advances are made

RECEIVABLES – (continued)

periodically to registered representatives that are non-interest bearing. Management reviews the accounts receivable and records an allowance for bad debts when considered necessary. Based on these reviews, management has determined that an allowance is not necessary at September 30, 2016.

MARKETABLE SECURITIES OWNED –

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three broad input levels are as follows:

Level 1 – unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date;

Level 2 – inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly or indirectly; and

Level 3 – inputs that are unobservable for the asset or liability.

A financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

Marketable securities consist entirely of NASDAQ common shares and are valued using quoted market prices and, therefore, categorized as Level 1 fair value instrument. The change in fair value related to the securities owned in the current year has been included as a separate component of shareholder's equity. This change in fair value is the sole component of accumulated other comprehensive income.

PROPERTY AND EQUIPMENT –

Furniture and equipment are stated at cost and are depreciated over the estimated useful lives of the related assets ranging from three to seven years. Leasehold improvements are stated at cost and are amortized over the lesser of the economic useful life of the improvement or the term of the lease. Depreciation and amortization are provided on the straight-line method.

At September 30, 2016

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

COMMISSIONS PAYABLE –

Commissions payable represent amounts due to independent sales representatives. Amounts owed to the independent sales representatives have been calculated by the Company based on the terms agreed to between the Company and the independent sales representative and are generally payable within 30 days.

INCOME TAXES –

The Company has elected to be taxed in accordance with Subchapter S of the Internal Revenue code (IRC) and applicable state law. As such, the Company is not generally liable for federal or state income taxes on its taxable income. Accordingly, no provision for income taxes is included in the accompanying financial statements. The Company maintains a tax deposit with the Internal Revenue Service to retain its fiscal year of September 30.

NOTE 2 – PROPERTY AND EQUIPMENT

Fixed assets consist of the following at September 30, 2016:

Furniture and Fixtures	\$ 78,298
Equipment	67,672
Leasehold Improvements	<u>11,450</u>

Accumulated Depreciation and Amortization	<u>(122,828)</u>
Property and Equipment – Net	<u>34,592</u>

NOTE 3 – LEASES

Rental expense under this agreement totaled \$150,944 for the year ended September 30, 2016. The Company leases other storage on a month to month basis.

NOTES TO FINANCIAL STATEMENTS

At September 30, 2016

NOTE 4 – SUBORDINATED BORROWINGS

The Company had no liabilities subordinated to the claim of general creditors during the year. Therefore, no statement of changes in liabilities subordinated to the claim of general creditors is presented in these financial statements.

NOTE 5 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, may not exceed 15 to 1. The Rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Company's minimum net capital requirement is the greater of \$50,000 or 6 2/3% of its aggregate indebtedness. At September 30, 2016 the Company had net capital, as computed under Rule 15c3-1, of \$1,894,193 which was \$1,844,193 in excess of the minimum net capital requirement. The Company had aggregate indebtedness of \$620,520 as of September 30, 2016, and the ratio of aggregate indebtedness to net capital, as defined, was .33 to 1.

NOTE 6 – RETIREMENT PLAN

The Company maintains a Simple IRA plan and provides 100% matching on employee contributions up to 3% of the employee's salary. The Company made matching contributions of \$46,392 in the year ended September 30, 2016.

NOTE 7 – EXEMPTION FROM RULE 15c3-3

The Company acts as an introducing broker or dealer, promptly transmitting all funds and delivering all securities received in connection with its activities as a broker or dealer and does not otherwise hold funds or securities for customers or owe money or securities to them. The Company operates under Section (k)(2)(ii) of Rule 15c3-3 of the Securities Exchange Act of 1934 and, therefore, claims exemption from the requirements of Rule 15c3-3.

NOTE 8 – FINANCIAL INSTRUMENTS, CONCENTRATIONS, AND RISK

Financial instruments which potentially subject the Company to concentrations of credit risk consist primarily of cash and cash equivalents, receivables, and marketable securities owned. The Company places its cash investments with a high-credit-quality financial institution located in

L.M. KOHN & COMPANY

NOTES TO FINANCIAL STATEMENTS

At September 30, 2016

NOTE 8 – FINANCIAL INSTRUMENTS, CONCENTRATIONS, AND RISK (Continued)

Cincinnati, Ohio. In addition, the Company maintains cash accounts with the clearing organizations. Management does not believe significant concentrations of credit risk exists with respect to these financial instruments.

Marketable securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain marketable securities, it is at least reasonably possible that changes in the values of marketable securities will occur in the near term and that such changes could materially affect the amounts reported within the financial statements.

The Company's activities involve the execution, settlement, and financing of various customer securities transactions through a clearing broker. These activities may expose the Company to off-balance sheet risk in the event the customer or other broker is unable to fulfill its contractual obligations. In the event counterparties do not fulfill their obligations, the Company may be required to purchase, or sell, financial instruments underlying the contract, which could result in a loss.

NOTE 9 – CONTINGENCIES

The Company is presently involved in various arbitration proceedings related to the normal course of business. It is the opinion of management that the outcome of these proceedings will have no material adverse effect on the financial position of the Company.

NOTE 10 – SUBSEQUENT EVENTS

The Company has evaluated the impact of events that have occurred subsequent to September 30, 2016 and through November 22, 2016, the date the financial statements were available to be issued, for purposes of recognition and disclosure in the financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholder
L.M. Kohn & Company
Cincinnati, Ohio

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) L.M. Kohn & Company identified the following provisions of 17 C.F.R. §15c3-3(k) under which L.M. Kohn & Company claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) (the "exemption provisions") and (2) L.M. Kohn & Company stated that L.M. Kohn & Company met the identified exemption provisions throughout the most recent fiscal year except as described in its exemption report. L.M. Kohn & Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about L.M. Kohn & Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Sufficient documentation of receipt of twenty-one stock certificates received by L.M. Kohn & Company from its customers during the most recent fiscal year was not maintained to allow us to determine whether L.M. Kohn & Company promptly remitted those stock certificates to its clearing broker.

Because of the significance of the matter described above, we are not able to express any form of assurance on L.M. Kohn & Company's assertions.
