REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To The Stockholder of Ashton Young, Inc.
Bloomfield Hills, Michigan

We have audited the accompanying financial statements of Ashton Young, Inc., a Michigan corporation, which comprise the balance sheet as of September 30, 2016 and the related statement of operations, stockholder's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Ashton Young Inc.'s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ashton Young, Inc. as of September 30, 2016, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The supplementary information contained on pages 9 to 17, has been subjected to audit procedures performed in conjunction with the audit of Ashton Young Inc.'s financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplementary information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

To the Stockholder of Ashton Young, Inc.
Bloomfield Hills, Michigan

We have reviewed management's statements, included in the accompanying Exemption Report prepared pursuant to Securities and Exchange Act of 1934 Rule 17a-5, in which Ashton Young, Inc. identified the following provisions of 17 C.F.R. subsection 15c3-3(k) under which Ashton Young, Inc. claimed an exemption from 17 C.F.R. subsection 240.15c3-3: k(2)(ii) (the "exemption provisions") and Ashton Young, Inc. stated that they met the identified exemption provisions from the period October 1, 2015 through September 30, 2016 without exception. Ashton Young Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Ashton Young, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of rule 15c3-3 under the Securities Exchange Act of 1934.
