REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholders
of Creative Investor Services, Inc.

We have audited the accompanying financial statements of Creative Investor Services, Inc. (a Connecticut company), which comprise the statement of financial condition as of December 31, 2015, and the related statements of operations, changes in shareholders' equity, changes in liabilities, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. Creative Investor Services, Inc.'s management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Creative Investor Services, Inc. as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplemental information has been subjected to audit procedures performed in conjunction with the audit of Creative Investor Services, Inc.'s financial statements. The supplemental information is the responsibility of Creative Investor Services, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements
December 31, 2015

Note 1 - Organization and Nature of Business

Creative Investor Services, Inc. (the "Company") is a corporation organized under the laws of the State of Connecticut.

The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company does not clear securities transactions or carry customers' accounts on a fully disclosed basis. Accordingly, the Company operates under the provisions of Paragraph (k)(2)(i) of Rule 15c3-3 of the Securities and Exchange Act of 1934 and is exempt from the remaining provisions of that rule.

Note 2 - Summary of Significant Accounting Policies

Statement of Cash Flows

For purposes of reporting cash flows, cash and cash equivalents include cash on hand and demand deposits with banks or financial institutions with original maturities of three months or less.

Income Taxes

The Company has elected "S" corporation status. Therefore, no provisions for federal or state taxes are made by the Company. Shareholders of an "S" corporation are individually taxed on their pro-rata share of the Company's earnings.

Creative Investor Services, Inc.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

The Company's federal, state and local tax returns are subject to possible examination by the taxing authorities until expiration of the related statutes of limitations on those tax returns. In general, the federal and state income tax returns have a three year statute of limitations. The Company would recognize accrued interest and penalties associated with uncertain tax positions, if any, as part of the income tax provision.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value of Financial Instruments

SFAS No. 107, "Disclosures about Fair Value of Financial Instruments," requires the Company to report the fair value of financial instruments, as defined. The Company's assets and liabilities are largely carried at fair value or contracted amounts which approximate fair value. Assets consist of cash. Liabilities consist of accounts payable and accrued expenses.

Cash Balances

The Company considers cash balances maintained with the bank to be cash; such balances are fully insured.

Creative Investor Services, Inc.
Notes to Financial Statements
December 31, 2015

Note 3 - Net Capital Requirement

As a registered broker-dealer and member of FINRA, the Company is subject to the SEC's Uniform Net Capital Rule 15c3-1 (the "Rule"), which requires that net capital, as defined, be at least the greater of \$5,000 or 6.667% of aggregate indebtedness, as defined. The Rule prohibits the Company from distributing equity capital or paying cash dividends if its resulting net capital is less than one-tenth of aggregate indebtedness or 120% of the minimum dollar amount required, whichever is greater.

Net capital and aggregate indebtedness change from day to day, but at December 31, 2015, the Company had net capital of \$12,331 which exceeded its requirement of \$5,000 by \$7,331. Aggregate indebtedness was \$0.

Note 4 - Fair Value

Effective January 1, 2008, the Company adopted Statement of Financial Accounting Standards ("SFAS") ASC 820 "Fair Value Measurements and Disclosures," for assets and liabilities measured at fair value on a recurring basis. The adoption of ASC 820 had no effect on the Company's financial statements. ASC 820 accomplishes the following key objectives:

Defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date;

Establishes a three-level hierarchy (the "Valuation Hierarchy") for fair value measurements;

Creative Investor Services, Inc.
Notes to Financial Statements
December 31, 2015

Note 4 - Fair Value (cont'd.)

Requires consideration of the Company's creditworthiness when valuing liabilities; and

Expands disclosures about instruments measured at fair value.

The Valuation Hierarchy is based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. A financial instrument's categorization within the Valuation Hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The three levels of the Valuation Hierarchy and the distribution of the Company's financial assets within it are as follows:

Level 1 - inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level 2 - inputs to the valuation methodology included quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Certain financial instruments are carried at cost on the balance sheet, which approximates fair value due to their short-term, highly liquid nature. These instruments include cash and cash equivalents, accounts receivable, accrued expenses and other liabilities, and deferred revenue.

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report, in which (1) Creative Investor Services, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Creative Investor Services, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) Creative Investor Services, Inc. stated that Creative Investor Services, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Creative Investor Services, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Creative Investor Services, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
