Report of Independent Registered Public Accounting Firm

To the Board of Directors
NexTrend Securities, Inc.
Austin, TX 78711

I have audited the accompanying statement of financial condition of NexTrend Securities, Inc. (the “Company”), as of December 31, 2016 and the related statements of income (loss), changes in stockholder’s equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company’s management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of the Company as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in Schedules I, II and III (the “supplemental information”) has been subjected to audit procedures performed in conjunction with the audit of the Company’s financial statements. The supplemental information is the responsibility of the Company’s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information.

In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F. §240.17a-5. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report of Independent Registered Public Accounting Firm – Exemption Report

To the Board of Directors and Stockholder
of NexTrend Securities, Inc.

I have reviewed management's statements, included in the accompanying NexTrend Securities, Inc. (the "Company") Exemption Report in which (1) the Company identified the following provisions of 17C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3: ((k) (2) (ii)) (the "exemption provisions") and (2) the Company stated that they met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (2) (ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
