REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members
of Morgan Partners LLC

We have audited the accompanying statement of financial condition of Morgan Partners LLC as of December 31, 2016, and the related notes to the financial statements. This financial statement is the responsibility of Morgan Partners LLC's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Morgan Partners LLC as of December 31, 2016 in accordance with accounting principles generally accepted in the United States of America.

Morgan Partners LLC
Notes To Financial Statements
December 31, 2016

NOTE 1 – DESCRIPTION OF THE COMPANY

Morgan Partners LLC (the “Company”) formed on July 22, 2005 is a registered broker-dealer with the Securities and Exchange Commission (“SEC”) and a member of the Financial Industry Regulatory Authority (FINRA). The Company engages in the private placement of securities, mergers & acquisitions advisory services, corporate finance & development services, and investment banking advisory services. The Company received its FINRA approval for membership on October 23, 2012. The Company is exempt from rule 15c3-3 of the SEC under paragraph (k)(2)(i) of that rule. The liability of the members of the Company is limited to the members' total capital contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents:

The Company considers all money market accounts, time deposits and certificate of deposits purchased with original maturities of three months or less to be cash equivalents.

Property and Equipment

Property and equipment are recorded at cost and depreciated using the straight-line method over the estimated useful lives of the related assets.

Revenue and Expense Recognition:

Revenues are recognized as earned and realization is reasonably assured. Expenses are recognized as incurred.

Income Taxes:

No provision for federal or state income taxes is required since, as a partnership, the Company is not subject to income taxes. The Company's income or loss is reportable by its members on their tax returns. In accordance with U.S. generally accepted accounting principles regarding accounting for uncertainties in income taxes, management has analyzed the Company's tax positions taken on federal and state income tax returns for all open tax years (the current and prior three years) and has concluded that no provision for income taxes is warranted.

Estimates:

The preparation of financial statements in conformity with United States of America generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

NOTE 3 – FINANCIAL INSTRUMENTS

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash. The Company maintains its cash in bank accounts, the balances of which, at times, may exceed Federal insured limits. Exposure to credit risk is reduced by placing such deposits in high quality financial institutions. The carrying amounts of financial instruments including cash, accounts payable and accrued expenses approximate fair value as of December 31, 2016, because of the relatively short maturity of these instruments.

NOTE 4 – NET CAPITAL REQUIREMENT

The Company is a registered broker-dealer and, accordingly, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (15c3-1), which requires the maintenance of a minimum net capital of 6-2/3% of aggregate indebtedness, as defined or \$5,000, whichever is greater. At December 31, 2016, the Company had net capital of \$980,388 which was \$975,388 in excess of its required net capital of \$5,000.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

The company is committed to an operating lease for office space. Approximate future minimum lease payments of all noncancelable operating leases through December 2017 are as follows:

2017	\$ 60,507
------	-----------

NOTE 6 – SUBSEQUENT EVENTS

The Company has evaluated the need for disclosures and/or adjustments resulting from subsequent events through February 8, 2017, the date the financial statements were issued. Based on this evaluation, no disclosures or adjustments were required to the financial statements as of December 31, 2016.
