REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
TECCA Holding LLC
dba Texas Corporate Capital Advisors

We have audited the accompanying statement of financial condition of TECCA Holding LLC dba Texas Corporate Capital Advisors (the "Company") as of December 31, 2016, and the related statements of operations, changes in member's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of TECCA Holding LLC dba Texas Corporate Capital Advisors as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 3 to the financial statements, the Company has suffered recurring losses from operations that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 3. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

The information in Schedule I has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The information in Schedule I is the responsibility of the Company's management. Our audit procedures include determining whether the information in

Schedule I reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in Schedule I. In forming our opinion on the information in Schedule I, we evaluated whether the information in Schedule I, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the information in Schedule I is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements
December 31, 2016

Note 1 - Summary of Significant Accounting Policies

TECCA Holdings LLC dba Texas Corporate Capital Advisors (the "Company") was organized under the laws of the State of Texas as a limited liability company on April 7, 2000. The duration of the Company shall be perpetual, unless terminated earlier in accordance with regulations of the Company. Each member's liability is limited to his capital account balance.

The Company became effective November 9, 2005 as a broker-dealer in securities registered with the Securities and Exchange Commission ("SEC") and operates under SEC Rule 15c3-3(k)(2)(i). The Company is also a member of the Financial Industry Regulatory Authority ("FINRA").

The Company provides investment banking services related to the corporate finance needs of middle-market companies including the private placement of equity, mezzanine and debt securities as well as advisory services related to mergers and acquisitions, divestitures, and business strategy.

Revenue is recognized for financial advisory services rendered based on the contractual terms of each respective agreement.

The Company's customer base is located throughout the United States.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The Company considers all liquid financial instruments with original maturities of ninety days or less and not pledged or otherwise restricted as cash equivalents.

Receivables are generally collected in full in the month following their accrual. As such, management has not recorded an allowance for doubtful accounts on these receivables.

Management records an allowance for bad debts based on a collectability review of specific accounts. Any receivables deemed uncollectible are written off against the allowance.

Office equipment is stated at cost and includes furniture and fixtures, computer and office equipment and leasehold improvements, less accumulated depreciation and amortization.

Depreciation of property and equipment is provided using the straight-line and accelerated methods over the estimated useful lives of the assets.

The Company's net income will be taxed at the member level rather than at the corporate level for federal income tax purposes.

TECCA HOLDINGS LLC
dba TEXAS CORPORATE CAPITAL ADVISORS
Notes to Financial Statements
December 31, 2016

Note 1 - Summary of Significant Accounting Policies, continued

Any potential interest and penalty associated with a tax contingency, should one arise, would be included as a component of income tax expense in the period in which the assessment arises.

The Member's federal and state income tax returns are subject to examination over various statutes of limitations generally ranging from three to five years.

Note 2 - Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At December 31, 2016, the Company had net capital of approximately \$12,226 and net capital requirements of \$5,000. The Company's ratio of aggregate indebtedness to net capital was .12 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

The Company periodically makes distributions of capital to its member at amounts that are determined not to have a detrimental effect on the net capital position at the time of withdrawal.

Note 3 - Going Concern

Continued operating losses could directly impact the Company's regulatory capital. It is management's intention to control costs and increase revenue. It is management's understanding that it will continue to receive capital infusions as necessary. These conditions raise substantial doubt about the Company's ability to continue as a going concern. The financial statements do not contain any adjustments that might result from the outcome of these uncertainties.

Note 4 - Subsequent Events

In February 2016 the Company received a capital contribution of \$10,000 from its sole member.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
TECCA Holdings LLC
dba Texas Corporate Capital Advisors

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) TECCA Holdings LLC dba Texas Corporate Capital Advisors (the "Company") identified provision 17 C.F.R. §15c3-3(k)(2)(i) (the "exemption provision") under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3 and (2) the Company stated that the Company met the identified exemption provision throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provision and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
