REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors and Member of
PineBridge Securities LLC

We have audited the accompanying statement of financial condition of PineBridge Securities LLC (the "Company") as of December 31, 2016. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of PineBridge Securities LLC as of December 31, 2016, in conformity with accounting principles generally accepted in the United States of America.

The accompanying notes are an integral part of the statement of financial condition.

PineBridge Securities LLC

(A wholly owned subsidiary of PineBridge Investments Holdings US LLC)

Notes to Statement of Financial Condition

December 31, 2016

1. Business and Organization

PineBridge Securities LLC (the “Company”), a Delaware limited liability company, is a wholly owned subsidiary of PineBridge Investments Holdings US LLC (the “Parent” or “Member”), whose ultimate parent is Pacific Century Group, a Hong Kong based private investor. The Company is registered under the Securities Exchange Act of 1934 as a broker-dealer in securities and a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company acts as placement agent for private funds in the United States. There are no employees in the Company.

2. Significant Accounting Policies

Basis of Presentation

The preparation of the statement of financial condition in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statement of financial condition. Actual results could differ from those estimates.

Cash

Cash includes cash held in a non-interest bearing account. Cash as of December 31, 2016 was \$422,716.

Distribution Fees

The Company earns fees by acting as a placement agent in connection with the offering of limited partnerships interests, alternative investment funds, shares, units of beneficial interest or other types of securities services irrespective of the success of the offering of securities. The distribution fees are recorded by the Company on a monthly basis.

Fair Value of Financial Instruments

The recorded amounts of the Company’s assets and liabilities approximate their fair values principally because of the short-term nature of these items.

3. Unincorporated Business Taxes

The Company, as a single member limited liability company, is a disregarded entity for federal and state income tax purposes and, accordingly, is not subject to federal, state, or local income taxes. Since the sole owner is only subject to New York City Unincorporated Business Tax (“UBT taxes”), the Company is only obligated to provide for such tax on a standalone basis.

The Company may recognize tax benefits from any uncertain positions only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The Company has no material unrecognized tax benefits.

PineBridge Securities LLC

(A wholly owned subsidiary of PineBridge Investments Holdings US LLC)

Notes to Statement of Financial Condition

December 31, 2016

Tax laws are complex and subject to different interpretations by the taxpayer and taxing authorities. Significant judgment is required when evaluating tax provisions and related uncertainties. Future events such as changes in tax legislation could require a provision for income taxes.

4. Regulatory Requirements

The Securities and Exchange Commission's "Uniform Net Capital Rule" (Rule 15c3-1) requires the Company to maintain minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1.

At December 31, 2016 the Company's net capital was \$354,501 above its required net capital of \$50,000. The Company's aggregate indebtedness to net capital percentage was 4.50%.

The Company is an introducing broker-dealer and does not carry customer accounts. This exempts the Company from the provisions of SEC Rule 15c3-3 under paragraph (k)(2)(i).

5. Related Parties

In the normal course of conducting business, the Company is party to various transactions with its affiliates. All revenue generated by the Company was derived from a related party. The following is a summary of related party transactions.

- The Company has a service agreement with PineBridge Investments LLC ("PBI") whereas the Company will act as a placement agent in connection with the offering of limited partnerships interests, alternative investment funds, shares, units of beneficial interest or other types of securities services. At December 31, 2016, there was no amount due from PBI.
- During the year ended December 31, 2016, the Company had various transactions related to allocations from other related parties. At December 31, 2016, Due from affiliates and Due to affiliates in the statement of financial condition amounted to \$13,715 and \$3,474, respectively.

Due to the above related party transactions, the financial condition of the Company may differ from those that would have been achieved had the Company operated autonomously or as an entity independent of its affiliates.

6. Concentrations of Credit Risk

The Company's cash equivalents are held at a major U.S. based money center bank with a credit rating of A+ at December 31, 2016. The Company's cash balance typically exceeds Federal Deposit Insurance Corporation coverage amounts; therefore, the Company is subject to a concentration of credit risk with this major U.S. based money center bank. The Company regularly monitors the credit ratings of the U.S. bank to mitigate the credit risk that exists with the balances not protected by FDIC insurance.

7. Commitments and Contingencies

In the normal course of business, the Company may enter into contracts that contain a variety of warranties and indemnifications that provide general indemnifications. The Company's maximum exposure under these arrangements is unknown, as this would involve future claims that may be made against the Company that have not yet occurred. However, based on experience, the Company expects the risk of loss to be remote.
