These financial statements are the responsibility of First Hill Securities, LLC's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2016

A. Summary of Significant Accounting Policies

Organization

First Hill Securities, LLC (the Company) is a Colorado limited liability company organized on January 11, 2013 to facilitate mergers and acquisitions, as well as debt, mezzanine debt, and preferred equity financings. The Company's business is national in scope.

The Company is registered as a broker-dealer in securities with the Securities and Exchange Commission (the "SEC") and is a member of the Financial Industry Regulation Authority ("FINRA"). The Company operates pursuant to paragraph (k)(2)(B) of Rule 15c3-3 of the Securities and Exchange Act of 1934 (the "Act") and does not carry customer accounts or clear customer transactions, nor does it plan to hold any customers' securities or funds. As a result, the Company is exempt from the remaining provisions and requirements of Rule 15c3-3 of the Act. Under this exemption, *Computation for Determination of Reserve Requirements* and *Information Relating to Possession or Control Requirements* are not required.

The Company is wholly owned by First Hill Partners, LLC ("Partners"). Accordingly, this affiliation should be taken into consideration in reviewing the accompanying financial statements.

Cash and Cash Equivalents

The Company considers all highly-liquid investments purchased with an original maturity of three months or less on the purchase date to be cash equivalents.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to concentration of credit risk consist primarily of temporary cash investments. The Company restricts temporary cash investments to financial institutions with high credit standing. Such temporary cash investments are often in excess of the FDIC insurance limit.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2016

A. Summary of Significant Accounting Policies (Continued)

Revenue Recognition

Transaction fees related to mergers, acquisitions, finders and financing fees are recognized upon closing of the related transaction. Interest income is recognized when earned.

Income Taxes

The Company is not a taxpaying entity for federal or state income tax purposes. Accordingly, no income tax expense has been recorded in the financial statements. Income of the Company is taxed in the member's income tax return.

The Company records a liability for uncertain tax positions when it is more likely than not that a tax position would not be sustained if examined by the taxing authority. The Company continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings. The Company's evaluation on December 31, 2016 revealed no uncertain tax positions that would have a material impact on the financial statements. The 2013 through 2015 tax years remain subject to examination by the IRS. The Company does not believe that any reasonably possibility changes will occur within the next twelve months that will have a material impact on the financial statements.

Interest and penalties associated with the Company's tax positions are reflected as other expense in the financial statements. There were no interest or penalties incurred during the year ended December 31, 2016.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

B. Transactions with Related Entities

The Company has a cost-sharing agreement with a related entity. The Company pays \$250 a month for the personal property, utilities and office space to the related party. Overhead charges paid to this related entity were \$3,000 for the years ended December 31, 2016.

C. Subsequent Events

Management has evaluated subsequent events through February 10, 2017, which is the date the financial statements were available to be issued.

D. Statutory Requirements

Pursuant to Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain minimum net capital as defined under such rule. At December 31, 2016, the Company's net capital was \$15,353 and the required net capital was \$5,000.

The Company is exempt from certain provisions of Rule 15c3-3 of the Securities Exchange Act of 1934 and, accordingly, is not required to maintain a "Special Account for Exclusive Benefit of Customers". Such exemption is in accordance with paragraph (k) (2) (i) of the Rule.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
