We have audited the financial statements of KURT SALMON CAPITAL ADVISORS, LLC ("Company") which comprise the statement of financial condition as of December 31, 2016, and the related statements of operations, changes in member's equity, and cash flows for the year then ended December 31, 2016 that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KURT SALMON CAPITAL ADVISORS, LLC as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in the supplemental schedule listed in the accompanying index has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements.

# REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (Continued)

The supplemental information has been subjected to audit procedures performed in conjunction with the audit of KURT SALMON CAPITAL ADVISORS, LLC's financial statements. The supplemental information is the responsibility of KURT SALMON CAPITAL ADVISORS, LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule17a-5 of the Securities Exchange Act of 1934. In our opinion, the Supplementary Information is fairly stated in all material respects in relation to the financial statements as a whole.
