Report of Independent Registered Public Accounting Firm

To the Shareholder of Bowen Advisors, Inc.:

We have audited the accompanying statement of financial condition of Bowen Advisors, Inc. as of December 31, 2016, and the related statements of income, changes in shareholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bowen Advisors Inc. as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Computation of Net Capital Pursuant to Rule 15c3-1 ("supplementary information") has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Wolf & Company, P.C.

Bowen Advisors, Inc.

Notes to Financial Statements

Year Ended December 31, 2016

1. ORGANIZATION AND NATURE OF BUSINESS

Bowen Advisors, Inc. (the “Company”) was organized on January 2, 2004 under the laws of the State of Delaware. Paul I. Bowen, III is the Company’s sole owner. The Company’s registration as a broker-dealer with the Securities and Exchange Commission (“SEC”) and as a member of the Financial Industry Regulatory Authority (“FINRA”) was approved on June 5, 2007. The Company provides consulting, private placement and other services for its clients in the United States and internationally. The Company’s clients are primarily emerging or established technology companies.

Revenue associated with transactions which closed during the year and which is non-recurring in nature represents approximately 74% of total revenue for the year ended December 31, 2016. Revenue from a single customer represents approximately 19% of total revenue for the year ended December 31, 2016.

The Company claims exemption from the requirements of Rule 15c3-3 under Section (k)(2)(i) of Rule 15c3-3.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”). Items of income and expense are accounted for on the accrual basis.

Cash and Cash Equivalents

Cash and cash equivalents include cash and highly liquid investments with an original maturity of three months or less. Cash and cash equivalents exclude amounts segregated under federal or other regulations. The Company maintains balances in financial institutions which may at times exceed federally insured limits.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Bowen Advisors, Inc.

Notes to Financial Statements (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

The Company recognizes revenue from consulting and other services on a monthly basis as work is performed. The Company recognizes success fees associated with private placements and merger and acquisition transactions as earned, which is generally at the closing of the underlying transaction. Success fees received in the form of equity instruments and reported as investments in the statement of financial condition are recorded at the fair value of the instrument or the services, whichever is more reliably measurable. Subsequent changes in fair value are recorded as unrealized gains or losses in the statement of income. In addition, the Company records revenues derived from contractually reimbursable out-of-pocket expenses when such expenses have been incurred and invoiced.

Accounts Receivable

Accounts receivable represent amounts invoiced by the Company. Management assesses the need for any allowance for doubtful accounts based on information regarding individual accounts and historical collection experience. An allowance for doubtful accounts is determined based on management's best estimate of probable losses. There is an allowance of \$16,982 for doubtful accounts at December 31, 2016.

Property and Equipment

Property and equipment, consisting primarily of computer and other office equipment and furniture, are recorded at cost. Depreciation is computed based on estimated useful lives (ranging from three to seven years) using the straight-line method.

Investments

Investments consist of non-marketable securities which are valued using the income, market or cost approach or some combination of the three approaches. Changes in the fair value of these investments are reported in the statement of income. See Note 3.

Bowen Advisors, Inc.

Notes to Financial Statements (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments (concluded)

The Company's investments expose it to various types of risk such as market, liquidity, credit and general economic risks. Investments in foreign securities introduce additional risks including, but not limited to, repatriation restrictions, currency valuation, adverse political and social developments and varying degrees of market regulation. Due to the uncertainty related to changes in the fair value of investments associated with such risks, it is at least reasonably possible that changes in risk factors in the near term could materially affect the amounts reported in the financial statements.

Fair Value

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the exit price) in an orderly transaction between market participants at the measurement date.

A hierarchal framework has been established which prioritizes and ranks the level of market price observability used in measuring fair value. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Company. Unobservable inputs reflect the Company's assumptions about the inputs market participants would use in pricing the asset or liability based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that management has the ability to access at the measurement date.

Level 2 – Inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the assets or liability (i.e., interest rates, yield curves, etc.), and inputs that are derived principally from or corroborated by observable market data by correlation or other means (market corroborated inputs).

Level 3 – Inputs include unobservable inputs that reflect management's assumptions about the assumptions that market participants would use in pricing the asset or liability. Management develops these inputs based on the best information available, including management's own data.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

Bowen Advisors, Inc.

Notes to Financial Statements (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

The Company, with the consent of its sole shareholder, has elected to be taxed in accordance with Subchapter S of the Internal Revenue Code. As a Subchapter S corporation, the Company's taxable income and any separately reportable items are reported on the shareholder's individual income tax returns. The Company is subject to state income taxes and state excise taxes in accordance with statutory requirements. If material, the Company recognizes deferred tax assets and liabilities for the expected future state tax consequences of differences between the financial statement carrying amounts and the tax bases of existing assets and liabilities. No deferred taxes are recognized at December 31, 2016.

Tax positions taken or expected to be taken in the course of preparing the Company's tax returns, including the position that the Company qualifies as a pass-through entity, are required to be evaluated to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable tax authorities. The resulting tax impact of these tax positions are recognized in the financial statements based on the result of this evaluation. The financial statements include no provision for uncertain tax positions.

The Company records any interest and penalties as part of general and administrative expenses. No interest or penalties were recorded for the year ended December 31, 2016.

The Company is currently open to federal and state tax examinations for years beginning after December 31, 2012.

Commissions

Commissions and non-discretionary bonuses associated with success fees are earned by non-shareholder employees when the related success fee is recorded by the Company. Commissions and bonuses associated with success fee revenue and payable to the sole shareholder are deemed discretionary and are recognized when paid.

Bowen Advisors, Inc.

Notes to Financial Statements (Continued)

3. INVESTMENTS

The following table categorizes within the fair value hierarchy (Note 2) the Company's financial assets measured at fair value on a recurring basis as of December 31, 2016:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets				
Warrants to Purchase Common Stock	\$ -	\$ -	\$ 57,904	\$ 57,904
Total	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 57,904</u>	<u>\$ 57,904</u>

The fair value of warrants was estimated using the Black-Scholes option pricing model. The underlying fair value of the private company common stock was estimated using the market value approach and determined to have a value of \$0. The following table presents additional information about the valuation of Level 3 investments as of December 31, 2016.

<u>Quantitative Information about Level 3 Fair Value Measurements</u>				
	<u>Fair Value</u>	<u>Valuation Technique</u>	<u>Unobservable Inputs</u>	<u>Quantitative Unobservable Input</u>
Warrants to purchase common stock	57,904	Option pricing model Black-Scholes	Estimated term Volatility Marketability discount	0.83 58.6% 50%

Both observable and unobservable inputs may be used to determine the fair value of investments that the Company has classified within the Level 3 category. As a result, the unrealized gains and losses for assets and liabilities within the Level 3 category may include changes in fair value that were attributable to both observable and unobservable inputs.

The following table presents additional information about Level 3 investments measured at fair value.

Balance as of December 31, 2015	\$ 16,663
Net unrealized gain	<u>41,241</u>
Balance as of December 31, 2016	<u>\$ 57,904</u>
Change in net unrealized gains/losses for investments held at December 31, 2016	<u>\$ 41,241</u>

There are no liabilities measured at fair value on a recurring basis, nor are there assets or liabilities measured at fair value on a non-recurring basis.

Bowen Advisors, Inc.

Notes to Financial Statements (Continued)

4. PROPERTY AND EQUIPMENT

Property and equipment consists of the following as of December 31, 2016:

Furniture and fixtures	\$ 68,428
Office equipment	77,472
Less accumulated depreciation	<u>(108,487)</u>
	<u>\$ 37,413</u>

5. RETIREMENT PLAN

As of January 1, 2008, the Company has implemented a 401(k)/Profit-Sharing Plan (“the Plan”) which covers all full-time employees meeting the service requirements of the Plan.

Under the 401(k) component of the Plan, employees can elect to contribute up to statutory limits. Under the profit sharing component of the Plan, the Company is required to contribute a minimum amount equal to 3% of all eligible employees’ annual compensation. At the sole discretion of the equity owner of the Company, the profit sharing component may exceed the 3% Safe Harbor amount up to the maximum contributions as allowed by IRS regulations.

Employees are 100% vested in contributions made on their behalf under the 3% Safe Harbor provision. Vesting on profit sharing amounts exceeding the 3% occurs upon an eligible employee’s 2-year anniversary with the Company.

The Company has recorded contribution expense to the plan of \$126,858 for the year ended December 31, 2016.

Bowen Advisors, Inc.

Notes to Financial Statements (Concluded)

6. COMMITMENTS

The Company entered into an operating lease for office space located in Hingham, Massachusetts in December 2013. The Hingham operating lease is a non-cancelable operating lease which expires November 2018. The Company has the option to extend the lease for an additional five years subject to an adjustment of base rent to the then fair value, as defined. In September 2016 the Company entered into an operating lease in San Diego, California. The operating lease is on a month-to-month basis and requires monthly payments of \$1,500. Rent expense under these lease agreements totaled \$93,729 for the year ended December 31, 2016.

Future minimum non-cancelable lease payments, excluding provisions for operating costs and tax escalation charges, are as follows:

<u>Years Ending December 31,</u>	<u>Amount</u>
2017	82,505
2018	<u>77,238</u>
	<u>\$ 159,743</u>

7. REGULATORY NET CAPITAL REQUIREMENTS

As a broker-dealer, the Company is subject to the Securities and Exchange Commission's ("SEC") regulations and operating guidelines which require the Company to maintain a minimum amount of net capital, as defined, and a ratio of aggregate indebtedness to net capital, as defined, not to exceed 15:1. Net capital and the related ratio of aggregate indebtedness to net capital may fluctuate on a daily basis. At December 31, 2016, the Company had net capital of \$502,485 which is \$493,267 in excess of its required net capital of \$9,218. At December 31, 2016, the Company's ratio of aggregate indebtedness to capital was 0.28 to 1.

Bowen Advisors, Inc.

Computation of Net Capital Pursuant to Rule 15c3-1 of the Securities and Exchange Commission

December 31, 2016

Computation of net capital:

Total shareholder's equity from statement of financial condition	<u>\$ 807,273</u>
Less: non-allowable assets:	
Accounts receivable	92,968
Investments	57,904
Prepaid expenses	111,739
Property and equipment, net	<u>37,413</u>
Total non-allowable assets	<u>300,024</u>
Less: hair cuts on money market	<u>(4,764)</u>
Net capital	<u>\$ 502,485</u>

Computation of basic net capital requirement:

Net capital requirement of reporting broker-dealer	<u>\$ 9,218</u>
Excess net capital	<u>\$ 493,267</u>
Aggregate indebtedness	<u>\$ 138,266</u>
Percentage of aggregate indebtedness to net capital	<u>28%</u>

There were no material differences between the above computation of net capital and the Company's computation as reported in the unaudited Part II of Form-17A-5 as of December 31, 2016.

See independent auditors' report.

Report of Independent Registered Public Accounting Firm

To the Shareholder of Bowen Advisors, Inc.:

We have reviewed management's statements, included in the accompanying Exemption Report, in which (a) Bowen Advisors, Inc. (the "Company") identified the following provisions under 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(i) (the "exemption provisions") and (b) the Company stated that it met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, includes inquiries and other review procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Wolf & Company, P.C.

Boston, Massachusetts
February 7, 2017

EXEMPTION REPORT

Bowen Advisors, Inc. (the "Company" is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. §240.17a-5, "Reports to be made by certain brokers and dealers"). This Exemption Report was prepared as required by 17 C.F.R. §240.17a-5(d)(1) and (4). To the best of its knowledge and belief, the Company states the following:

- (1) The Company claimed an exemption from 17 C.F.R. §240.15c3-3 under the following provisions of 17 C.F.R. §240.15c3-3(k): (2)(i).
- (2) The Company met the identified exemption provisions in 17 C.F.R. §240.15c3-3(k) throughout the most recent fiscal year without exception.

Bowen Advisors, Inc.

I, Paul Bowen, swear (or affirm) that, to my best knowledge and belief, this Exemption Report is true and correct.
