Report of Independent Registered Public Accounting Firm

To the Members
of DCF, LLC

We have audited the accompanying statement of financial condition of DCF, LLC (the "Company") (a Tennessee corporation), as of December 31, 2016, and the related statements of operations, changes in members' equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Supplementary Information on page 8 has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

DCF, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2016

Note 1. Form of Organization and Principal Business Activity

DCF, LLC (the "Company") is a Tennessee Limited Liability Company organized on November 20, 2008 and began operations in January 2009. The Company acts as an agent in mergers and acquisition transactions and arranging debt and equity financing. The Company also provides general financial advisory services to corporate clients. The Company, a broker/dealer, became a member of the Financial Regulatory Authority (FINRA) on June 22, 2009 and is a member of the Securities Investor Protection Corporation (SIPC).

Note 2. Summary of Significant Accounting Policies

Basis of Accounting The Company accounts for revenue and expenses on an accrual basis.

Advertising Costs Advertising costs are expensed as incurred. Advertising expense was \$17,429 for the year ended December 31, 2016.

Property and Equipment Computer equipment and software, based on a three year life, are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the individual assets. Depreciation expense was \$1,500 for the year ended December 31, 2016.

Income Taxes The Company has elected for income tax purposes to be taxed as a partnership; therefore, the taxable income or losses of the Company are passed through to the members. The income taxes are paid by the members; therefore, no provision for or benefit from income taxes is recorded in the financial statements of the Company. The Company's partnership returns for 2013, 2014, 2015 and 2016 are subject to audit by relevant state and federal taxing authorities.

The benefit of a tax position is recognized in the financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any. Tax positions that meet the more likely-than-not recognition threshold are measured as the largest amount of tax benefit that is more than 50% likely of being realized upon settlement with the applicable taxing authority. As of December 31, 2016 and 2015, the Company has not recognized liabilities for uncertain tax positions or associated interest and penalties.

Use of Estimates The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents For the purpose of the statement of cash flows the Company considers all highly liquid investments with original maturities of less than ninety days to be cash equivalents.

DCF, LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2016

Concentration of Risk The Company received substantially all of its revenue during 2016 from approximately 10 clients. Except for fees from affiliated registered representatives, substantially all of the Company's revenue is project based and is not a recurring source of revenue.

Note 3. Date of Management Review

For the year ended December 31, 2016, the Company has evaluated subsequent events for potential recognition and disclosure through February 21, 2017, the date of the financial statements issuance and has determined that no event has occurred requiring disclosure.

Report Of Independent Registered Public Accounting Firm

To the Members
of DCF, LLC

We have reviewed management's statements, included in assertions made in Part 11A of the Company's Financial and Operational Combined Uniform Single Report ("Focus Report"), in which (1) DCF, LLC (the "Company") identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(ii) and (2) the Company stated that they met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Report of Independent Registered Public Accounting Firm On Applying
Agreed-Upon Procedures

To the Members
of DCF, LLC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments ("Form SIPC-7") to the Securities Investor Protection Corporation ("SIPC") for the year ended December 31, 2016, which were agreed to by DCF, LLC (the "Company"), and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating the Company's compliance with the applicable instructions of Form SIPC-7. The Company's management is responsible for the Company's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1) Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries and bank statements, noting no differences;
- 2) Compared the amounts reported on the audited Form X-17A-5 for the year ended December 31, 2016, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2016, noting no differences;
- 3) Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4) Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
- 5) Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences (if applicable).

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
