Notes to Financial Statements

Years Ended December 31, 2016 and 2015

1. Summary of Significant Accounting Policies

Description of Business

Cedar Point Capital, LLC (CPC) advises corporations concerning capital needs and determining the most advantageous means for raising capital. CPC acts as an agent in private placements of debt and equity securities. CPC began operations on April 27, 2007 and is a Minnesota limited liability company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. The most sensitive estimates affecting the financial statements involved the calculation of the fair value of warrants received in conjunction with CPC's agency transactions, which were distributed as compensation to the CPC's employees and independent brokers.

Revenue Recognition - Investment Banking

Investment banking revenues include fees arising from private placement securities offerings in which CPC acts as an agent. Investment banking revenues are recorded at the time the underwriting is completed and the income is reasonably determinable, which is when the shares are issued by the client.

Furniture and Equipment

Furniture and equipment are stated at cost. Furniture and equipment are depreciated using a straight-line method over estimated useful lives of three to seven years. Repairs and maintenance are expensed as incurred. When equipment is disposed of, the related cost and accumulated depreciation are removed from the respective accounts and any gain or loss on dispositions is included in operations. CPC reviews its furniture and equipment for impairment whenever events indicate the carrying amount of the asset may not be recoverable.

1. Summary of Significant Accounting Policies (continued)

Cash

CPC maintains its cash with large financial institutions; the amounts held in these accounts may exceed federally insured levels.

Income Taxes

CPC is organized as a limited liability company under Minnesota state law. As a single member limited liability company, CPC's earnings pass through to the owners and are taxed at the owners' level. Accordingly, no income tax provision has been calculated or recorded in the accompanying financial statements.

Additionally, management evaluates CPC's tax positions, including its status as a tax-exempt, pass-through entity for federal and state tax purposes, and has determined that CPC has taken no uncertain tax positions that require adjustment to the consolidated financial statements.

CPC will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if incurred. CPC could be subject to Federal and state of Minnesota tax examinations by tax authorities for years 2013 through 2016.

Allocation of Profits and Losses

Profits and losses are allocated among members in proportion to their percentage interests.

2. Net Capital Requirements

CPC, as a registered broker-dealer in securities, is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1). Under the computation provided by the Uniform Net Capital Rule, CPC is required to maintain net capital equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness. At December 31, 2016, CPC had net capital, as computed under the rule, of \$79,266 which was \$74,265 in excess of required net capital.

CPC has a \$2,500 security deposit associated with this lease that is reflected in other assets on the on the 2016 and 2015 Statements of Financial Condition. REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Shareholders
of Cedar Point Capital, LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Cedar Point Capital identified the following provisions of 17 C.F.R. §15c3-3(k) under which Cedar Point Capital claimed an exemption from 17 C.F.R. §240.15c3-3: 2 (i) (the "exemption provisions") and (2) Cedar Point Capital stated that Cedar Point Capital met the identified exemption provisions throughout the most recent fiscal year without exception. Cedar Point Capital's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Cedar Point Capital's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
