Notes to Financial Statement  
December 31, 2016

**(1) Organization and General**

Brevan Howard US LLC (BHUSLLC or the Company), was formed as a limited liability company under the laws of the State of Delaware on June 2, 2008. BHUSLLC is a wholly owned subsidiary of Brevan Howard BD Holdings Limited (BHBDHL), a company incorporated with limited liability under the laws of the Cayman Islands. BHUSLLC is an indirect, wholly owned subsidiary of Brevan Howard Capital Management LP (BHCM), a limited partnership established under the laws of Jersey, Channel Islands. Effective January 1, 2015 BHBDHL became a wholly owned subsidiary of Brevan Howard US Investment Management LP (BHUSIM). The Company conducts business as a limited purpose broker-dealer by acting as a private placement agent in connection with the offering and sales of interests in offshore and domestic collective, or pooled, investment funds. The Company is registered under the Securities Exchange Act of 1934 and applicable state law, and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA).

**(2) Summary of Significant Accounting Policies**

These financial statements have been prepared in accordance with U.S. generally accepted accounting principles (GAAP). All amounts are expressed in United States dollars (U.S. dollars) unless otherwise stated. The following is a summary of the significant accounting and reporting policies used in preparing the financial statements.

**(a) Use of Estimates**

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statement and accompanying notes. Actual results could differ from those estimates.

**(b) Income Taxes**

The Company is a Limited Liability Company and has elected to be treated as a disregarded entity for federal and state income tax purposes effective January 1, 2015. Prior to January 1, 2015, the Company was subject to federal, state and local taxes.

As a disregarded entity, the Company is included in the consolidated tax return of its parent, BHUSIM, a partnership. It does not make a provision for federal or state income taxes because it is the individual responsibility of BHUSIM's partners to separately report their proportionate share of BHUSIM's taxable income or loss. BHUSIM makes a provision for New York City Unincorporated Business Tax ("UBT"). Income taxes are allocated to the Company using the pro-rata method. The amount of income tax expense or benefit allocated to the Company by the Parent represents UBT attributable to the operating results of the Company.

The Company follows an asset and liability approach for financial accounting and reporting for UBT. Deferred income tax assets and liabilities are computed for the difference between the financial statement and tax basis of assets and liabilities that will result in taxable or deductible amounts in the future based on the enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce the deferred income tax assets to the amount expected to be realized.

**BREVAN HOWARD US LLC**  
(A Delaware Limited Liability Company)  
Notes to Financial Statement  
December 31, 2016

Uncertainty in income tax positions are accounted for by recognizing in the financial statement the benefit of a tax position when it is more likely than not that tax position would be sustained upon examination by the tax authorities based on the technical merits of the position. In 2016, no tax benefits or liabilities were recognized for uncertainties related to current year income tax positions. The Company classifies any interest and penalties as a component of income tax expense if incurred. To date, there have been no interest or penalties charged or accrued in relation to unrecognized tax benefits.

The Company's federal, state and city income tax returns for the years 2013 – 2015, and BHUSIM's UBT tax return for 2015 are subject to examination by tax authorities.

**(c) *Cash and Cash Equivalents***

The Company defines cash and cash equivalents as short-term, highly liquid securities and interest earning deposits with original maturities of three months or less, at the time of purchase.

**(d) *Concentration of Risk***

Financial instruments that potentially subject the Company to concentrations of risk consist primarily of cash and cash equivalents. The Company maintains its cash and cash equivalents in bank accounts with one bank whose balances often exceed federally insured limits.

**(e) *Fixed Assets***

Fixed assets are included on the balance sheet at cost, net of accumulated depreciation. Depreciation is calculated on a straight-line basis over the estimated useful lives of the fixed assets, which range from three to five years. Leasehold improvements are amortized over the lesser of the lease life or the estimated useful life. Maintenance and repairs are charged to expense as incurred.

**(f) *Incentive Compensation Plans***

The fair value of the amounts payable to employees is recorded as deferred compensation payable on the Statement of Financial Condition.

**(g) *Employee Costs***

Discretionary bonuses to staff for services in 2016 are recognized as accrued compensation and benefits on the Statement of Financial Condition.

**(3) *Cash and Cash Equivalents***

At December 31, 2016, the Company's cash is comprised of bank deposits in the amount of \$2,988,774 of which \$250,000 is federally insured.
