REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
FixCenter, LLC

We have audited the accompanying statement of financial condition of FixCenter, LLC (the "Company") as of December 31, 2016, and the related notes to the financial statements. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of the Company as of December 31, 2016 in accordance with accounting principles generally accepted in the United States of America.

---------------------------------------	------------------

FixCenter, LLC

Notes to Statement of Financial Condition December 31, 2016

1. Nature of Operations

FixCenter, LLC (the “Company”), a wholly-owned subsidiary of FixCenter Holdings, LLC is a New York limited liability company. It is a broker dealer registered with the Securities and Exchange Commission (the “SEC”) and a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company’s operations consist primarily of developing and providing an electronic trading platform to be utilized for fixed income trading by third party broker dealers.

2. Summary of Significant Accounting Policies

Basis of Presentation

These financial statements were prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”) which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash

All cash deposits are held by one financial institution and therefore are subject to the credit risk at that financial institution. The Company has not experienced any losses in such accounts and does not believe there to be any significant credit risk with respect to these deposits.

Income Taxes

No provision for income taxes has been recorded because the Company is a single member limited liability company and is thus treated as a disregarded entity. Accordingly, the individual members of its parent report their share of the Company’s income or loss on their personal income tax returns. The Company’s parent is subject to the New York City unincorporated business tax.

As of December 31, 2016, management has determined that the company had no uncertain tax positions that would require financial statement recognition.

FixCenter, LLC

Notes to Statement of Financial Condition December 31, 2016

3. Regulatory Requirements

The Company is subject to SEC Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2016, the Company had net capital of approximately \$28,000 which exceeded the required net capital by approximately \$23,000.

The Company does not handle cash or securities on behalf of customers. Accordingly, it is not affected by SEC Rule 15c3-3.
