**To the Members
McLean Securities, LLC
McLean, Virginia**

We have audited the accompanying statement of financial condition of McLean Securities, LLC as of December 31, 2016 and 2015, and the related notes to the financial statements. This financial statement is the responsibility of McLean Securities, LLC's management. Our responsibility is to express an opinion on this financial statement based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement of financial position presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of McLean Securities, LLC as of December 31, 2016 and 2015 in accordance with accounting principles generally accepted in the United States of America.

Note A – Summary of Significant Accounting Policies

Business Activity

McLean Securities, LLC (the “Company”) provides investment banking services and is a wholly owned subsidiary of The McLean Group, LLC (the “Group”). Investment banking services are provided in connection with the Group and primarily include merger and acquisition advisory services for middle market businesses.

Investment banking revenues include commission fees earned from providing merger and acquisition and advisory services, primarily from the purchase or sale of a business. Commission fees are contingent on transaction performance. Commission fees are recognized when received upon the completion of a transaction. The Company uses accrual basis accounting for financial statement reporting purposes and cash basis for income tax reporting purposes.

Regulatory

The Company is a registered broker-dealer with the Financial Industry Regulatory Authority (“FINRA”). The Company operates as a FINRA broker-dealer and as a separate legal entity with a separate accounting ledger in order to satisfy regulatory requirements. The Company’s registration as a broker-dealer with FINRA and the Securities and Exchange Commission became effective on October 27, 2000. The Company does not trade retail securities and does not have custody of client accounts.

The Company qualifies under Rule 15c3-3(k)(2)(i) from the Securities and Exchange Commission Customer Protection Rule (“Rule 15c3-3”). Accordingly, the supplemental schedule of Information Relating to Possession or Control Requirements for Brokers and Dealers Pursuant to Rule 15c3-3 is not applicable.

Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (“Rule 15c3-1”), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and subparagraph (2) of Rule 15c3-1 further requires all brokers not generally carrying customers’ accounts to maintain net capital of not less than \$5,000 or one-fifteenth of the Company’s aggregate indebtedness, whichever is greater.

MCLEAN SECURITIES, LLC

Notes to the Financial Statements

December 31, 2016 and 2015

The Company's aggregate indebtedness to net capital ratio was 0 to 1. As of December 31, 2016, the Company had net capital as defined of \$8,496, which was \$3,496 in excess of its required net capital of \$5,000.

Cash Equivalents, Securities and Credit Risk

The Company considers securities with maturities of three months or less, when purchased, to be cash equivalents. Securities owned are carried at fair value as allowed by FINRA regulations, and unrealized gains or losses are reflected in income. The Company did not hold any securities as of December 31, 2016 and 2015.

Financial instruments that potentially subject the Company to concentrations of credit risk consist of cash and cash equivalents. The Company maintains cash in bank deposit accounts that, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. Management believes the Company is not exposed to any significant risk related to cash.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value Measurements

Unless disclosed otherwise, the Company estimates that the fair value of all financial and non-financial instruments as of December 31, 2016 and 2015 does not differ materially from the aggregate carrying values recorded in the accompanying financial statements. Estimated fair values are determined by the Company using available market information and appropriate valuation methodologies. Considerable judgment can be required in interpreting market data to develop such fair value estimates, and, accordingly, such estimates are not necessarily indicative of the amounts that the Company may realize in a current market exchange.

MCLEAN SECURITIES, LLC

Notes to the Financial Statements

December 31, 2016 and 2015

Note B – Income Taxes

The Company is organized as a limited liability company and is considered a disregarded entity for income tax reporting purposes. For income tax purposes, revenue and expenses are reported by the Group, its parent company, which is a limited liability company taxed as a partnership. Accordingly, no provision has been recorded for federal and state income taxes, since these taxes are the responsibility of the members of the Group.

Management has evaluated the Company's tax positions that could have a significant effect on the financial statements and determined that the Company had no uncertain tax positions as of December 31, 2016 and 2015, which required disclosure or recognition.

Generally, the Group's tax returns remain open for three years for federal income tax examination and four years for state income tax examination.

Note C – Related Party Transactions

The Company has an agreement with the Group that the Group will pay all operating and non-operating expenses in connection with the Company's business, except for commission payments to registered representatives, which the broker-dealer is required to pay. The Group has fully indemnified the Company against any liability or responsibility for such expenses.

During 2016 and 2015, capital transfers made to the Group totaled \$6,132,002 and \$3,970,242.

During 2016 FINRA, SIPC, and Audit fees were paid by the parent company. In 2016, the Group paid FINRA fees of \$10,448 and SIPC fees of \$31,253. In 2015, the Group paid FINRA fees of \$13,767 and SIPC fees of \$12,352.
