**NOTE 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Organization*

Brandis Tallman, LLC (the "Company") was organized in the State of California on February 26, 2002. The Company is a registered broker-dealer in securities under the Securities and Exchange Act of 1934. The Company is a member of the Financial Industry Regulatory Authority ("FINRA"), and the Securities Investor Protection Corporation ("SIPC"), and is registered with the Municipal Securities Rulemaking Board ("MSRB").

The Company is a full service investment banking firm that provides bond underwriting and financial advisory services to public agencies. The Company offers financial analysis, planning and debt structuring for capital projects. Its trading and sales department distributes the municipal underwritings to a customer base that includes retail accounts, institutional investors such as mutual funds, bank and insurance companies, money managers, and investment advisors. Commission income consists of commissions earned on the buying and selling of securities.

Under its membership agreement with FINRA and pursuant to Rule 15c3-3(k)(2)(ii), the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers. Accordingly, the Company is exempt from the requirement of Rule 15c3-3 under the Securities Exchange Act of 1934 pertaining to the possession or control of customer assets and reserve requirements.

*Summary of Significant Accounting Policies*

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Securities transactions are recorded on a trade date basis with related commission income and expenses also recorded on a trade date basis. Underwriting fees are recorded at the time the underwriting is completed and the income is reasonably determined. Financial advisory fees are recognized as earned on a pro rata basis over the term of the contract.

**Brandis Tallman, LLC**  
**Notes to Financial Statements**  
**December 31, 2016**

**NOTE 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Underwriting receivables represent commissions earned on securities transactions. These receivables are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

The Company, with the consent of its Members, has elected to be a California Limited Liability Company. For tax purposes the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income. Accordingly, no provision or liability for Federal Income Taxes is included in these financial statements.

**NOTE 2: DEPOSIT AT CLEARING FIRM**

The Company has a brokerage agreement with its clearing firm to carry its account and the accounts of its clients as customers of the clearing firm. The clearing firm has custody of the Company's cash balances which serve as collateral for any amounts due to the clearing firm as well as collateral for securities sold short or securities purchased on margin. Interest is paid monthly on these cash deposits at the average overnight repurchase rate. The balance at December 31, 2016 was \$130,292.

**NOTE 3: UNDERWRITING RECEIVABLES**

Pursuant to the clearing agreement, the Company introduces all of its securities transactions to its clearing brokers on a fully disclosed basis. Customers' money balances and security positions are carried on the books of the clearing brokers. In accordance with the clearance agreement, the Company has agreed to indemnify the clearing brokers for losses, if any, which the clearing brokers may sustain from carrying securities transactions introduced by the Company. In accordance with industry practice and regulatory requirements, the Company and the clearing brokers monitor collateral on the customers' accounts. As of December 31, 2016, the underwriting receivables of \$85,812 are pursuant to these clearing agreements.

**NOTE 4: MARKETABLE SECURITIES, AT FAIR MARKET VALUE**

Marketable securities consist of municipal securities traded on a national securities exchange which are stated at the last reported price on the day of valuation. To the extent that these securities are actively traded and valuation adjustments are not applied, they are categorized in level 1 of the fair value hierarchy, as described in Note 6. As of December 31, 2016, these securities are reported at their fair market value of \$571,238.

**Brandis Tallman, LLC**  
**Notes to Financial Statements**  
**December 31, 2016**

**NOTE 5: INCOME TAXES**

As discussed in the Summary of Significant Accounting Policies (Note 1), all tax effects of the Company's income or loss are passed through to the members. Therefore, no provision or liability for Federal Income Taxes is included in these financial statements.

The Company is subject to a limited liability company gross receipts tax, with a minimum franchise tax. As of December 31, 2016, the income tax provision consists of the following:

Franchise tax	\$ 800
Gross receipts tax	<u>6,000</u>
Total income tax provisions	<u><u>\$ 6,800</u></u>

**NOTE 6: FAIR VALUE MEASUREMENTS**

FASB ASC 820 defines fair value, establishes a frame work for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the assets or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 – Quoted prices in active markets for identical securities.

Level 2 – Observable inputs other than quoted prices included in level 1, such as quoted prices for similar securities in active markets; quoted prices for identical or similar securities in markets that are not active; or other inputs that are observable

Level 3 – Pricing inputs are unobservable that are significant to the fair value measurement and include situations where there is little if any market activity for the investment. This includes certain pricing models, discounted cash flow methodologies

**NOTE 6: FAIR VALUE MEASUREMENTS**  
**(Continued)**

The following tables presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2016:

<b>Assets</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Municipal securities	\$ 571,238	\$ -	\$ -	\$ 571,238
<b>TOTALS</b>	<b>\$ 571,238</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 571,238</b>

<b>Liabilities</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Payable to clearing firm	\$ 571,238	\$ -	\$ -	\$ 571,238
<b>TOTALS</b>	<b>\$ 571,238</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ 571,238</b>

**NOTE 7: COMMITMENTS AND CONTINGENCIES**

*Contingencies*

The Company maintains bank accounts at financial institutions. These accounts are insured either by the Federal Deposit Insurance Commission ("FDIC"), up to \$250,000, or the Securities Investor Protection Corporation ("SIPC"), up to \$500,000. At times during the year, cash balances held in financial institutions were in excess of the FDIC and SIPC's insured limits. The Company has not experienced any losses in such accounts and management believes that it has placed its cash on deposit with financial institutions which are financially stable.

*Commitments*

In the normal course of business, the Company could be threatened with, or named as a defendant in, lawsuits, arbitrations, and administrative claims. Such matters that are reported to regulators such as the SEC or FINRA and investigated by such regulators, may, if pursued, result in formal arbitration claims being filed against the Company and/or disciplinary action being taken against the Company by regulators. Any such claims or disciplinary actions that are decided against the Company could harm the Company's business. The Company is also subject to periodic regulatory audits and inspections which could result in fines or other disciplinary actions. Unfavorable outcomes, in such matters, may result in a material impact to the Company's financial position, statement of income or cash flows. As of December 31, 2016, management is not aware of any commitments or contingencies that could have a material impact on the financial statements.

**Brandis Tallman, LLC**  
**Notes to Financial Statements**  
**December 31, 2016**

**NOTE 8: GUARANTEES**

FASB ASC 460, Guarantees, requires the Company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The Company has issued no guarantees at December 31, 2016 or during the year then ended.

**NOTE 9: CONCENTRATION OF CREDIT RISK**

The Company is engaged in various trading and brokerage activities in which counter-parties primarily include broker-dealers, banks, and other financial institutions. In the event counter-parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter-party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counter-party.

**NOTE 10: SUBSEQUENT EVENTS**

The Company has evaluated events subsequent to the balance sheet date for items requiring recording or disclosure in the financial statements. The evaluation was performed through the date the financial statements were available to be issued. Based upon this review, the Company has determined that there were no events which took place that would have a material impact on its financial statements.

**NOTE 11: RECENTLY ISSUED ACCOUNTING STANDARDS**

For the year ending December 31, 2016, various ASUs issued by the FASB were either newly issued or had effective implementation dates that would require their provisions to be reflected in the financial statements for the year then ended. The Company has either evaluated or is currently evaluating the implications, if any, of each of these pronouncements and the possible impact they may have on the Company's financial statements. In most cases, management has determined that the pronouncement has either limited or no application to the Company and, in all cases, implementation would not have a material impact on the financial statements taken as a whole.

**Brandis Tallman, LLC**  
**Notes to Financial Statements**  
**December 31, 2016**

**NOTE 12: NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. Net capital and aggregate indebtedness change day to day, but on December 31, 2016, the Company had net capital of \$580,480 which was \$480,480 in excess of its required net capital of \$100,000; and the Company's ratio of aggregate indebtedness (\$139,478) to net capital was 0.02 to 1.

**Report of Independent Registered Public Accounting Firm**

We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions, in which (1) Brandis Tallman, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Brandis Tallman, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3(k)(2)(ii) (the "exemption provisions") and (2) Brandis Tallman, LLC stated that Brandis Tallman, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Brandis Tallman, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Brandis Tallman, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Brandis Tallman, LLC

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, we have performed the procedures enumerated below, which were agreed to by Brandis Tallman, LLC and the Securities Investor Protection Corporation ("SIPC") with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) of Brandis Tallman, LLC (the "Company") for the year ended December 31, 2016, solely to assist you and SIPC in evaluating Brandis Tallman, LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2016, with the Total Revenue amounts reported in Form SIPC-7 for the year ended December 31, 2016, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
