REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
Uhlmann Price Securities, L.L.C.

We have audited the accompanying statement of financial condition of Uhlmann Price Securities, L.L.C. (the "Company") as of December 31, 2016 that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the statement of financial condition. The Company's management is responsible for this financial statement. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial condition of the Company as of December 31, 2016, in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Business

Uhlmann Price Securities, L.L.C. (the “Company”) a limited liability company, was organized in the State of Illinois on February 19, 1997 and operates as a securities broker-dealer. The Company is registered as a securities broker-dealer with the Securities and Exchange Commission (“SEC”), a member of the Financial Industry Regulatory Authority, Inc. (“FINRA”) and was also registered as an introducing broker with the Commodity Futures Trading Commission (“CFTC”) and a member of the National Futures Association (“NFA”). The Company withdrew their membership with the NFA in December 2016. The Company earns revenues from the sale of securities and acts as a selling agent for public and private commodity pools.

Effective January 1, 2010, the members of the Company entered into an agreement to exchange their membership interests for shares of stock in Price Holdings, Inc. (“PHI”). In connection with the exchange, the Company became a wholly owned subsidiary of PHI. PHI was organized in Illinois on December 15, 2009.

Clearing Agreement

The Company, under Rule 15c3-3(k)(2)(ii), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts. Accordingly, all customer transactions are executed and cleared on behalf of the Company by its clearing broker on a fully disclosed basis. The Company’s agreements with its clearing brokers provides that as clearing broker, that firm will make and keep such records of the transactions effected and cleared in the customer accounts as are customarily made and kept by a clearing broker pursuant to the requirements of Rules 17a-3 and 17a-4 of the Securities and Exchange Act of 1934, as amended (the “Act”). It also performs all services customarily incident thereon, including the preparation and distribution of customer's confirmation and statements and maintenance margin requirements under the Act and the rules of the Self Regulatory Organizations of which the Company is a member.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents

The Company considers all liquid investments with original maturities of three months or less to be cash equivalents.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - COMMITMENTS AND RELATED PARTY TRANSACTIONS

In 2013, the Company entered into a non-cancellable operating lease for office space through June 30, 2016 which was subsequently extended through February 28, 2017. Future minimum lease payments under this lease are as follows:

<u>Year</u>	<u>Amount</u>
2017	<u>9,633</u>
	<u>\$ 9,633</u>

In addition, the Company leases office space on a month to month basis from an affiliated entity. The Company paid this affiliated entity approximately \$134,000 under this arrangement for the year ended December 31, 2016.

The Company had payables to affiliated entities and officers of the Company in the amount of \$29,789 and receivables from these affiliated entities in the amount of \$7,816 at December 31, 2016. In addition, at December 31, 2016, the Company had receivables from officers and employees of the Company in the amount of \$46,162 for expenses paid on their behalf.

**NOTE 4 - FINANCIAL INSTRUMENTS, OFF-BALANCE SHEET RISKS
AND UNCERTAINTIES**

In the normal course of business, the Company's activities through its clearing broker involve the execution, settlement and financing of various customer securities transactions. These activities may expose the Company to off-balance sheet risk. In the event a customer fails to satisfy its obligations, the Company may be required to purchase or sell financial instruments at prevailing market prices in order to fulfill the customer's obligations.

In addition, the Company bears the risk of financial failure by its clearing broker. If the clearing broker should cease doing business, the Company's receivable and deposit from this clearing broker could be subject to forfeiture.

The Company's financial instruments, including cash and cash equivalents, deposit with clearing broker, receivables, other assets, accounts payable and accrued expenses, commissions and salaries payable and due to affiliates and employees are carried at amounts that approximate fair value due to the short-term nature of the instruments.

The Company also maintains its cash balances at Northern Trust, which at times may exceed federally insured limits. As of December 31, 2016, the Company had \$29,089 in excess of the federally insured limit. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.
