Notes to Statement of Financial Condition
December 31, 2016

1. Organization and Nature of Operations

GSP Securities LLC, a Delaware limited liability company (the Company) was established on April 27, 2007. The Company is wholly owned by Galatioto Sports Partners LLC (GSP), which in turn is majority owned by Emigrant Bancorp, Inc. (the Parent). Effective August 15, 2008, the Company became a registered broker and dealer in securities under the Securities Exchange Act of 1934 and a member of the Financial Industry Regulatory Authority (FINRA) and commenced operations on that date. The Company is subject to the regulation, examination and supervision of FINRA.

The Company's business is focused in the professional sports industry and primarily involves the earning of fees relating to merger and acquisition, advisory work, referral services and serving as an agent for the private placement of debt and equity activities. The Company does not carry securities accounts for customers or perform custodial functions relating to customer securities and accordingly claims an exemption from the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 pursuant to paragraph (k)(2)(i) of the rule.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Company in preparing the accompanying financial statements which conform to U.S. generally accepted accounting principles (U.S. GAAP).

Basis of Accounting and Use of Estimates

The Company uses the accrual basis of accounting for financial statement purposes.

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company defines cash equivalents as short term, highly liquid investments with original maturities of ninety days or less from the date of acquisition. The cash on deposit with non-affiliate is held at one nationally recognized banking institution and the amount exceeds the FDIC insurance limits.

Income Taxes

The Company does not provide for income taxes in the accompanying financial statements. Under current federal, state and local tax laws, a limited liability company with only one member is disregarded as an entity separate from its owner, unless an election has been made to classify the entity as an association taxable as a corporation. As the Company has not made such an election, the Company is disregarded as an entity separate from its owner and is not subject to federal, state, or local income taxes.
