REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

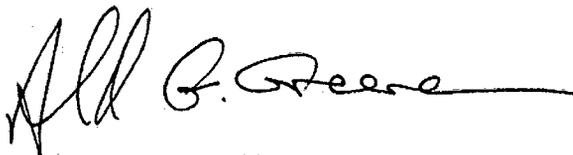

To the Shareholder of
COVIEW CAPITAL, INC.

I have audited the accompanying financial statements of CoView Capital, Inc. (a Corporation), which comprise the statement of financial condition as of December 31, 2016, and the related statements of operations, changes in Stockholder equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. CoView Capital, Inc.'s management is responsible for these financial statements. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor was I engaged to perform, an audit of its internal control over financial reporting. My audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, I express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of CoView Capital, Inc. as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The Computation of Net Capital Under Rule 15c3-1, Computation for Determination of Reserve Requirements Under Rule 15c3-3, and information for Possession or Control Requirements Under Rule 15c3-3 has been subjected to audit procedures performed in conjunction with the audit of CoView Capital, Inc.'s financial statements. The supplemental information is the responsibility of CoView Capital, Inc.'s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In my opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

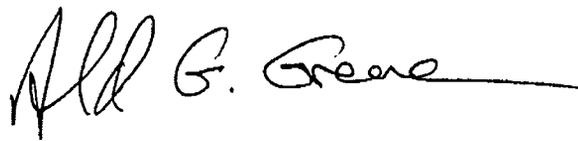

To the Shareholder of
COVIEW CAPITAL, INC.

I have reviewed management's statements, included in the accompanying Exemption Report for the year 2016, in which CoView Capital, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which CoView Capital, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3(k)(2)(i) (the "exemption provisions") and CoView Capital, Inc. stated that CoView Capital, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. CoView Capital, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about CoView Capital, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
