Report of Independent Registered Public Accounting Firm

Board of Directors
ANICO Financial Services, Inc.
League City, Texas

We have audited the accompanying statements of financial condition of ANICO Financial Services, Inc. (the Company) as of December 31, 2016 and 2015. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the statements of financial condition are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statements of financial condition. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statements of financial condition presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the statements of financial condition referred to above present fairly, in all material respects, the financial position of ANICO Financial Services, Inc. as of December 31, 2016 and 2015, in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

December 31, 2016 and 2015

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

ANICO Financial Services, Inc. ("ANFS" or "the Company"), is a wholly owned subsidiary of American National Insurance Company ("American National"). ANFS was organized on December 21, 2010, and its sole purpose is to operate as a wholesale broker-dealer and distributor of American National's variable products. ANFS is registered as a wholesale broker-dealer under the *Securities Exchange Act of 1934* and received approval from the Financial Industry Regulatory Authority, Inc. (FINRA), as a registered wholesale broker-dealer on July 18, 2012.

ANFS does not receive cash from customers and, therefore, is not required to maintain a "Special Reserve Account for the Exclusive Benefit of Customers." ANFS operates pursuant to the (k)(1) limited business (mutual funds and/or variable annuities only) exemptive provision of the Securities and Exchange Commission's (SEC) Rule 15c3-3.

The Securities Investor Protection Corporation (SIPC) was created by *the Securities Investor Protection Act of 1970*, (SIPA), a Federal statute which became effective December 30, 1970. Membership with SIPC is required by all brokers and dealers registered under Section 15(b) of the *Securities Exchange Act of 1934* unless otherwise exempted. For the years ending December 31, 2014 and 2013, ANFS filed a Certificate of Exclusion of Membership under Section 78ccc(a)(2)(A)(ii) of SIPA. The exclusion is determined by ANFS' exclusive business consisting of: (1) the sale of variable annuities and (2) the business of insurance.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

At December 31, 2016 and 2015, the Company's cash accounts did not exceed federally insured limits.

Notes to Financial Statements

December 31, 2016 and 2015

Income Taxes

ANFS accounts for income taxes in accordance with income tax accounting guidance (Accounting Standards Codification 740, *Income Taxes*). The income tax accounting guidance results in two components of income tax expense: current and deferred. Current income tax expense reflects taxes to be paid or refunded for the current period by applying the provisions of the enacted tax law to the taxable income or excess of deductions over revenues. ANFS determines deferred income taxes using the liability (or balance sheet) method. Under this method, the net deferred tax asset or liability is based on the tax effects of the differences between the book and tax bases of assets and liabilities, and enacted changes in tax rates and laws are recognized in the period in which they occur. Deferred tax assets are reduced by a valuation allowance if, based on the weight of evidence available, it is more-likely-than-not that some portion or all of a deferred tax asset will not be realized. As of December 31, 2016 and 2015, ANFS did not have any transactions that resulted in deferred taxes. ANFS files consolidated income tax returns with American National.

Note 2: Transactions With Affiliates

ANFS and American National are parties to a service and expense-sharing agreement and a distribution and administrative services agreement. Pursuant to such agreements, ANFS has agreed to act as wholesale distributor of certain variable life insurance and annuity products issued by American National.

Note 3: Net Capital Requirement

In accordance with the regulations of the SEC, ANFS must maintain minimum net capital and a ratio of aggregate indebtedness to net capital, both as defined, that does not exceed 8 to 1. At December 31, 2016, ANFS had net capital of \$184,849, which was \$179,849 in excess of its required net capital of \$5,000. ANFS's ratio of aggregate indebtedness to net capital was 0.2295 to 1. At December 31, 2015, ANFS had net capital of \$147,243, which was \$142,243 in excess of its required net capital of \$5,000. ANFS's ratio of aggregate indebtedness to net capital was 0.3273 to 1.

Note 4: Subsequent Events

Subsequent events have been evaluated through the date of the Report of Independent Registered Public Accounting Firm, which is the date the financial statements were issued.
