Independent Auditor's Report

Board of Directors and Shareholders
Westchester Capital Planning, Inc.

We have audited the accompanying statements of financial condition of Westchester Capital Planning, Inc. (the "Company") as of December 31, 2016 and 2015, and the related statements of income and changes in stockholders' equity, and statements of cash flows for the years then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with standards of the Public Company Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The Company is not required to, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Westchester Capital Planning, Inc. as of December 31, 2016 and 2015, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

The accompanying supplemental information including Schedule I-Computation of Net Capital, Under Rule 15c3-1 of the Securities and Exchange Commission, has been subjected to audit procedures performed in conjunction with the audits of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report of Independent Registered Public Accounting Firm

I have reviewed management's statements, included in the accompanying Westchester Capital Planning, Inc.'s Exception Report, in which: (1) Westchester Capital Planning, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Westchester Capital Planning, Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3(k)1 and 17 C.F.R. § 240.15c3-3(k)2i (the "exemption provisions") and (2) Westchester Capital Planning, Inc. stated that Westchester Capital Planning, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Westchester Capital Planning, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Westchester Capital Planning, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on our review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraphs (k)1 and (k)2i of Rule 15c3-3 under the Securities Exchange Act of 1934.

The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with standards of the Public Company Oversight Board (United States). We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Westchester Capital Planning, Inc. as of December 31, 2016 and 2015, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

Report of Independent Registered Public Accounting Firm

I have reviewed management's statements, included in the accompanying Westchester Capital Planning, Inc.'s Exception Report, in which: (1) Westchester Capital Planning, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Westchester Capital Planning, Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3(k)1 and 17 C.F.R. § 240.15c3-3(k)2i (the "exemption provisions") and (2) Westchester Capital Planning, Inc. stated that Westchester Capital Planning, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Westchester Capital Planning, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Westchester Capital Planning, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on our review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraphs (k)1 and (k)2i of Rule 15c3-3 under the Securities Exchange Act of 1934.
