**NOTE 1 – NATURE OF BUSINESS**

Kinecta Financial and Insurance Services, LLC (the Company) is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority, Inc. The Company is a wholly owned subsidiary of Kinecta Financial Management Company, LLC (the "Parent") which is wholly owned by Kinecta Federal Credit Union. The Company was established primarily to provide brokerage and insurance referral services to members of Kinecta Federal Credit Union. The Parent is the sole member of the limited liability company, as such, the member's liability is limited to its capital investment.

The Company operates under the provisions of paragraph (k)(2)(i) of Rule 15c3-3 of the Securities and Exchange Commission and accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of paragraph (k)(2)(i) provide that the Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker-dealer, and promptly transmit all customer funds and securities to the clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker-dealer.

The Company is exempt from the provisions of Securities Exchange Act Rule 15c3-3 relating to the maintenance of customer reserve accounts and possession or control of customer securities pursuant to paragraph (k)(2)(i), since the Company does not hold funds or securities of customers. The Company will engage in referral business only.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES**

The following is a summary of significant accounting policies followed by the Company in the preparation of its financial statements:

Cash and Cash Equivalents: The Company considers liquid investments purchased with original maturities of three months or less to be cash equivalents. The carrying value approximates fair value due to the short-term maturities of these investments.

Accounts Receivable: Accounts receivable consists primarily of commissions receivable which represents commissions due to the Company for the sale of financial and insurance products.

Revenue Recognition: The Company receives commission income in accordance with the terms of an agreement with its clearing agent, based on the activity of its customers. Commission income and related expenses for financial services are recognized on a trade date basis. Commission income and expenses relating to the sale of insurance products for various insurance carriers are recognized at the time of the sale.

**NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Income Taxes: The Company is a wholly owned subsidiary of Kinecta Financial Management Company, LLC, which is wholly owned by Kinecta Federal Credit Union, a nontaxable entity. The company is disregarded as a separate entity from its owner, Kinecta Federal Credit Union, for income tax purposes. The Company is generally not subject to U.S. federal income tax as well as income tax of the state of California. The Company is subject to tax return filing requirements, the California LLC fee and the California annual LLC tax. For the year end December 31, 2016 there was no income tax expense allocated to the operations of the Company. The Company is subject to tax examination for U.S. federal income tax as well as income tax of the state of California. The Company is no longer subject to examination by taxing authorities for years before 2012.

A tax position is recognized as a benefit only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that has a greater than 50% probability of being realized on examination. Not meeting the “more likely than not” test results in no tax benefit being recorded.

The Company recognizes interest and/or penalties related to income tax matters in operations expense. As of and for the year ended December 31, 2016 no interest and/or penalties related to income taxes have been levied.

Basis of Presentation: The accompanying financial statements of the Company have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and in the format prescribed by Rule 17a-5 under the Securities Exchange Act of 1934 for brokers and dealers in securities.

Accounting Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk: The Company has \$2,773,797 on deposit with Catalyst Corporate Federal Credit Union at December 31, 2016. The balance is insured by the National Credit Union Share Insurance Fund up to \$250,000. The Company has \$9,147,869 on deposit with Kinecta Federal Credit Union, a related party, at December 31, 2016. The balance is insured by the National Credit Union Share Insurance Fund up to \$250,000. The Company has \$505,560 on deposit with LPL Financial at December 31, 2016. The balance is insured by the Securities Investor Protection Corporation up to \$250,000.

**NOTE 3 – EMPLOYEE BENEFIT PLANS**

The Company participates in Kinecta Federal Credit Union’s 401(k) Plan (the Plan) that allows employees to defer a portion of their salary into the Plan. The Plan is for the exclusive benefit of eligible employees and their beneficiaries. Under the terms of the Plan, a discretionary match of the employees’ contribution may be made by the Company up to a specific amount. The Company contributed \$136,030 for the year ended December 31, 2016.

**NOTE 4 – RELATED PARTY TRANSACTIONS**

The Company is a wholly owned subsidiary of Kinecta Financial Management Company, LLC, which is a wholly owned subsidiary of Kinecta Federal Credit Union and operating results may differ from those that may exist if the Company operated as a stand-alone entity.

The Company is charged by Kinecta Federal Credit Union and Apollo Agencies, Inc., a wholly owned subsidiary of Kinecta Financial Management Company, LLC, for certain expense allocations, including the cost of office space and management support. These expenses, which are included in operations expense, totaled \$69,024 and \$495,480 respectively for the year ended December 31, 2016.

At December 31, 2016, the Company owed \$103,103 to Kinecta Federal Credit Union and \$42,235 to Apollo Agencies, Inc. Such amounts are non-interest bearing and payable upon demand.

The Company has \$9,147,869 on deposit (included in cash and cash equivalents) with Kinecta Federal Credit Union at December 31, 2016, which earned \$8,909 in interest for the year ended December 31, 2016.

**NOTE 5 – COMMITMENTS AND CONTINGENCIES**

Off-Balance-Sheet Risk and Concentration of Credit Risk: As discussed in Note 1, the Company's customers' securities transactions are introduced on a fully disclosed basis with its clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers of the Company and is responsible for execution, collection of, and payment of funds and receipt and delivery of securities related to customer transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the clearing broker-dealer may charge any losses it incurs to the Company. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications. The Company seeks to minimize this risk through procedures designed to monitor the creditworthiness of its customers and that customer transactions are executed properly by the clearing broker-dealer.

Litigation: From time to time, in the ordinary course of business, the Company could be named in legal actions that could result in losses being incurred. There are currently no known legal actions pending against the Company.

**NOTE 6 – NET CAPITAL REQUIREMENTS**

The Company is subject to the SEC's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital. The Company computes net capital requirements under the aggregate indebtedness method, which requires firms to maintain net capital, as defined, of not less than 6.67 percent of aggregate indebtedness, also as defined. At December 31, 2016, the Company had net capital of \$3,455,515, which was \$3,415,628 in excess of its required net capital of \$39,887. The Company's ratio of aggregate indebtedness to net capital was 0.17:1.

**NOTE 6 – NET CAPITAL REQUIREMENTS (Continued)**

The Company operates in a highly regulated industry. Applicable laws and regulations restrict permissible activities and investments. These policies require compliance with various financial and customer-related regulations. The consequences of noncompliance can include substantial monetary and non-monetary sanctions. In addition, the Company is also subjected to comprehensive examinations and supervisions by various governmental and self-regulatory agencies. These regulatory agencies generally have broad discretion to prescribe greater limitations on the operations of a regulated entity for the protection of investors or public interest. Furthermore, where the agencies determine that such operations are unsafe or unsound, fail to comply with applicable law, or are otherwise inconsistent with the laws and regulations or with the supervisory policies, greater restrictions may be imposed.
