To the Managers and/or Directors
Sunstreet Securities, LLC

Report on the Financial Statements

I have audited the accompanying financial statements of **Sunstreet Securities, LLC** (the "Company") which comprise the statement of financial condition as of **December 31, 2016**, and the related statements of operations and other comprehensive income, changes in stockholders' equity and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934, and the related notes to the financial statements and supplemental information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit. I conducted the audit in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements to design audit procedures that are appropriate in the circumstances, but not for expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for the audit opinion.

BRYANT A. GAUDETTE, CPA

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sunstreet Securities, LLC as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

The audit was conducted to form an opinion on the financial statements as a whole. The supplementary information contained in the supplemental schedules required by Rule 17a-5 under the Securities Exchange Act of 1934, including the Computation of Net Capital under Rule 15c-3, Computation for Determination of Reserve Requirements and information relating to Possession or Control Requirements Under 15c3-3, is presented for additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures to test the completeness and accuracy of the supplemental information presented. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, in form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934 and in accordance with auditing standards of the Public Company Accounting Oversight Board (United States). In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Dear Mike Haddad:

We have reviewed management's statements, included in the accompanying Representation Letter of Exemptions, in which Sunstreet Securities, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Sunstreet Securities, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3. Sunstreet Securities, LLC stated that it has met the identified exemption provisions of 15c3-3 (k)(2)(ii) throughout the most recent fiscal year without exception.
