## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of  
AX Trading, LLC

We have audited the accompanying financial statements of AX Trading, LLC which comprise the statement of financial condition as of December 31, 2016, and the related statements of operations, changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. AX Trading, LLC management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis of our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AX Trading, LLC as of December 31, 2016, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The accompanying financial statement have been prepared assuming that the Company will continue as a going concern. As discussed in Note 10 to the financial statements, the Company incurred substantial losses in 2016 and prior years, has been unable to generate significant revenues, and has been reliant upon capital contributions from its Parent, which also has limited resources, to pay its expenses.

The information contained in Schedules I and II has been subjected to audit procedures performed in conjunction with the audit of AX Trading, LLC financial statements. The information is the responsibility of AX Trading, LLC management. Our audit procedures included determining whether the information in Schedules I and II reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the accompanying schedules. In forming our opinion on the accompanying schedules, we evaluated whether the supplemental information, including its form and content, is presented in conformity Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the aforementioned supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

AX TRADING, LLC  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2016

NOTE 1 - NATURE OF OPERATIONS AND BASIS OF PRESENTATION

Organization and Description of Business

AX Trading, LLC (the "Company") was a wholly owned subsidiary of AX Trading Group, LLC (the "Former Parent") until November 6, 2015 at which date it was acquired by AX Trading Group, Inc. ("Parent"). The Company is a limited liability company and was formed under the laws of the state of Delaware in May 2010. In June 2011, the Company became a broker-dealer and as such is registered with the Securities and Exchange Commission (the "SEC") and a member of the Financial Industry Regulatory Authority ("FINRA").

The Company acts primarily as a trading exchange where professional traders can connect and trade with one another to help find liquidity.

Basis of Presentation

The accompanying financial statements have been prepared pursuant to Rule 17a-5 of the Securities and Exchange Commission Act of 1934. The classification and reporting of items appearing on the financial statements are consistent with that rule. The Company claims exemption from the requirements of Rule 15c3-3 under Section (k)(2)(ii) of the rule, and consequently does not carry securities accounts for customers nor does it perform custodial functions related to their securities.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Cash and Cash Equivalents

The Company considers all highly liquid investments with maturity of three months or less at the time of purchase to be cash equivalents. Cash and cash equivalents consist primarily of cash and money market funds held at banks and other financial institutions.

Accounts Receivable

The carrying amount of accounts receivable is reduced by a valuation allowance that reflects management's best estimate of the amounts that will not be collected. Management individually reviews all delinquent accounts receivable balances and based on an assessment of current creditworthiness, estimates the portion, if any, of the balance that will not be collected. No valuation allowance was considered necessary at December 31, 2016.

AX TRADING, LLC  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2016

Property and Equipment

Depreciation of property and equipment is provided on a straight-line basis over the estimated useful life of the respective assets. The Company depreciates computer equipment over three years and furniture and fixtures over five years.

Revenue Recognition

Commission revenues, as well as related brokerage and clearing costs are recognized on a trade-date basis.

Income Taxes

At December 31, 2016, the Company is a proprietorship that is wholly owned by a corporation (the "Parent") for income tax reporting purposes. Therefore, the Parent will report the entire taxable income or loss on its corporate income tax return, and no income taxes are recorded in the accompanying financial statements.

The Parent has evaluated the Company's tax positions and concluded that the Company has no uncertain tax positions that require adjustment to or disclosures in the financial statements.

Fair Value of Financial Instruments

The carrying amounts of the Company's financial assets, including cash, receivables from broker-dealers, accounts payable and accrued expenses, approximate fair value because of their short maturities.

NOTE 3 - PAYABLE TO AND DEPOSIT WITH CLEARING BROKERS

The Company clears its transactions through COR Clearing, LLC and has a deposit of \$74,149 that is held at COR. The Company has a payable to COR as of December 31, 2016, of \$16,529 arising from clearing costs in excess of commissions earned. Minimum monthly clearing charges increase to \$10,000 during 2017. In addition, the Company is required to maintain \$50,000 excess net capital at all times.

NOTE 4 - PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2016 consisted of the following:

Computer & Office Equipment	\$ 165,490
Software	<u>405,706</u>
Total Cost	571,196
Less Accumulated Depreciation	<u>571,103</u>

AX TRADING, LLC  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2016

Fixed Assets, Net

93

Depreciation expense was \$16,568 for the year ended December 31, 2016.

NOTE 5 - CONCENTRATIONS

The Company has been funded by its Parent in 2016. The Parent made capital contributions during 2016 of \$1,420,000 in the form of forgiveness of a payable to the Parent.

NOTE 6 - COMMITMENTS AND CONTINGENCIES

Legal Matters

From time to time, we may be involved in litigation relating to claims arising out of operations in the normal course of business. As of December 31, 2016, there were no pending or threatened lawsuits that could reasonably be expected to have a material effect on the results of our operations.

There are no proceedings in which any of our management, members or affiliates, is an adverse party or has a material interest adverse to our interest.

NOTE 7 - NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum regulatory net capital, and requires that the ratio of aggregate indebtedness to regulatory net capital, both as defined, shall not exceed 15 to 1. At December 31, 2016, the Company had net capital of \$53,747, which was in excess of its requirement of \$5,000 by \$48,747. The ratio of aggregate indebtedness to net capital was .50 to 1.

NOTE 8 - RELATED PARTY TRANSACTIONS

The Company has an administrative services agreement with the Parent. Pursuant to the agreement, the Parent provides accounting, administrative, office space, human resources and other services. The Parent allocated expenses of approximately \$1,490,600 during the year ended December 31, 2016 to the Company. The liability to the Parent at December 31, 2016 arose from this agreement.

NOTE 9 - SUBSEQUENT EVENTS

AX TRADING, LLC  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2016

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through the date the financial statements were issued.

NOTE 10 – GOING CONCERN

The Company has had significant losses from operations since inception and has relied on its Parent to pay its expenses. The Company's failure to generate significant revenues raises doubt about the Company continuing as a going concern. Management continues to search for strategies to generate significant revenue for the Company and expects the Company to continue as a going concern. The accompanying financial statements have been prepared on a going-concern basis without adjustments for realization in the event that the Company ceases to continue as a going concern.

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of  
AX Trading, LLC

We have reviewed management's statements, included in the accompanying Broker Dealers Annual Exemption Report in which (1) AX Trading, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which AX Trading, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(ii) (the "exemption provisions"); and, (2) AX Trading, LLC stated that AX Trading, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. AX Trading, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about AX Trading, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii), of Rule 15c3-3 under the Securities Exchange Act of 1934.
