Independent Auditor's Report

The Shareholders
CVF Securities, Inc.

We have audited the accompanying statement of financial condition of CVF Securities, Inc., as of December 31, 2016, and the related statements of income, changes in stockholder's equity, net capital computation, and cash flows for the year then ended. These financial statements are the responsibility of CVF Securities, Inc.'s management. Our responsibility is to express and opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements presented are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CVF Securities, Inc., as of December 31, 2016, and the results of its operations, net capital computation, and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

The accompanying supplemental information including Schedule I – Computation of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission, Schedule II - Reconciliation of Computation of Net Capital Pursuant to Rule 15c3-1, and Schedule III -Exemptive Provision under SEC Rule 15c3-3 have been subjected to audit procedures performed in conjunction with the audits of the Company's financial statements. The supplemental information is the responsibility of Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and

accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. section 240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

CVF SECURITIES, INC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016

1. NATURE OF BUSINESS

General - CVF Securities, Inc. (the "Company") was formed on October 12, 1989, primarily to facilitate the placement of debt and equity securities by its clients and to engage in merger and acquisition activities. The Company also provides related services including, but not limited to consulting and valuation services. The Company is registered as a broker-dealer with the Securities and Exchange Commission and FINRA (Financial Industry Regulatory Authority).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition - Revenue is recognized as earned. Fees are recorded when all aspects of a proposed transaction are satisfied and the earnings process is complete, and is typically based on either the amount of capital raised for a client in a transaction or the gross sales proceeds received by a client in a transaction.

Use of Estimates - The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates; management does not expect such variances, if any, to have a material effect on the financial statements.

Income Taxes - The Company files its income tax returns using the cash method of accounting. Generally, accrual of expenses is the only temporary difference resulting from the use of this method rather than the accrual method as required by generally accepted accounting principles. At December 31, 2016, the Company has available net operating loss carryforwards of \$14,969 after taking into effect fiscal 2016 operating results, which expire through the year 2032. The federal and state corporate tax returns are subject to examination by the applicable federal and state tax authorities for the years 2013 through 2016.

The deferred tax benefit attributable to the carryforwards amounting to approximately, \$5,239 has been offset by a valuation allowance as ultimate collection or realization of the benefit is uncertain.

3. ANTI- MONEY LAUNDERING PROGRAM

The Company does not engage in the retail brokerage business and, as such, does not maintain customer accounts, accept, or hold any customer or outside deposits or otherwise engage in any transactions, directly or indirectly, which would give rise to segregated or co-mingled accounts from, or with, outside parties. Additionally, the Company does not engage in trading activities nor does it make investments of any kind, for itself or any outside parties, nor does it maintain any deposit accounts related thereto.

The Company's sole bank account is actively monitored for suspicious activity and/or any unusual inflows or outflows on a daily basis as part of its Anti-Money Laundering (AML) program. The activity in our bank account is also subjected annually to internal and external review during our annual audit, which is performed in accordance with generally accepted auditing standards and in compliance with

CVF SECURITIES, INC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016

PCAOB. No deposits or payments were identified by any party during the auditing processes that were not in the ordinary course of the Company's operations.

4. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's uniform net capital rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2016, the Company had net capital of \$7,538 which was \$2,538 in excess of its required net capital and total indebtedness of \$1,500 which was approximately 20% of net capital.

5. ECONOMIC DEPENDENCY AND RISK

During 2016, approximately 68% and 32% of total fee income was earned from two customers, respectively.

The Company may periodically maintain cash balances at a commercial bank in excess of the Federal Deposit Insurance Corporation insurance limit.

The Company markets its services nationally, the Company's customers are sensitive to swings in economic cycles and their financial requirements will vary accordingly.

6. RELATED PARTY TRANSACTIONS

The Company pays fees to VF Capital ("VF"), a related entity, for certain advisory and consulting services rendered by VF to the Company or otherwise upon request. Additionally, to the extent that VF incurs any out of pocket expenses on behalf of the Company, the Company reimburses VF for such costs.

Contractually, no advisory or consulting fees are payable to VF, in the event that the Company does not have any fee income and the Company shall not be liable to VF for any expenses, directly or indirectly incurred by VF on the Company's behalf under such conditions. Such fees and reimbursed costs amounted to \$75,415 for the fiscal year ending December 31, 2016. Notwithstanding the preceding, the Company reimburses VF for office and occupancy costs at the current rate of \$50 per month, which is subject to change in subsequent periods upon review by both parties or singular adjustments as required.

6. SUBSEQUENT EVENTS

Management has evaluated subsequent events for the Company through February 12, 2017, the date these financial statements were available to be issued. No recognizable or reportable subsequent events affecting the Company were identified.

CVF SECURITIES, INC

**SCHEDULE OF COMPUTATION OF NET CAPITAL UNDER RULE 15c3-1 OF THE
SECURITIES AND EXCHANGE COMMISSION
DECEMBER 31, 2016**

TOTAL STOCKHOLDER'S EQUITY AND TOTAL CAPITAL	<u>\$9,038</u>
Aggregate indebtedness	<u>\$ 1,500</u>
Net Capital after deducting aggregate indebtedness	<u>\$ 7,538</u>
Percentage of aggregate indebtedness to net capital	<u>20%</u>
Minimum net capital required	<u>\$5,000</u>
EXCESS NET CAPITAL OVER MINIMUM REQUIREMENT	<u>\$2,538</u>

There were no material differences between the computation for determination of net capital as required under Rule 15c3-1 included in this report, and the computation included with the Company's unaudited FOCUS report as at December 31, 2016.

Rule 15c3-3 Exemption Report

December 31, 2016

This is to certify that, to the best of my knowledge and belief:

CVF SECURITIES, INC. ("CVF") is exempt from Rule 15c3-3 reporting pursuant to provision 15c-3(k)(2)(i) of SEC Rule 15c3-3 (the "exemption provisions").

CVF met the identified provision throughout the most recent fiscal year (2016) without exceptions as the company is a non-carrying broker-dealer and does not otherwise hold funds or securities for, or owe money or securities to, customers. Otherwise CVF would have promptly transmitted all funds and delivered all securities received in connection with our activities as a broker dealer (which were not applicable).

On behalf of CVF this Exemption Report is hereby authorized and submitted as of December 31, 2016, by its President, Mark Furman.

Report of Independent Registered Public Accounting Firm

We have reviewed management's statements included in the accompanying exemption report in which CVF Securities, Inc. identified the provisions of 17 C.F.R. section 240.15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. section 240.15c3-3: (k)(2)(i), (the "exemptive provisions") and CVF Securities, Inc. stated that the Company has met the identified exemption provisions through the fiscal year ending December 31, 2016, without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is an expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of SEC Rule 15c3-3.
