REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members and Board of Directors of Augeo Advisors, LLC

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of Augeo Advisors, LLC as of December 31, 2017, the related statements of income, changes in members' equity, and cash flows for the year then ended, the related notes and Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information Relating to Possession or Control Requirements Under Rule 15c3-3 (exemption) (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of Augeo Advisors, LLC as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Augeo Advisors, LLC's management. My responsibility is to express an opinion on Augeo Advisors, LLC's financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Augeo Advisors, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Brian W. Anson, CPA

I have served as Augeo Advisors LLC's auditor since 2011.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Augeo Advisors, LLC, (the "Company"), was formed in June, 2010, in the State of California as a limited liability company. The Company is registered as a broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA") and Securities Investor Protection Corporation ("SIPC"). The Company is authorized to engage in private placements of securities and mergers and acquisitions. The Company does not hold customer funds or safeguard customer securities.

Summary of Significant Accounting Policies

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Furniture and equipment are stated at cost. Repairs and maintenance to these assets are charged to expense as incurred; major improvements enhancing the function and/or useful life are capitalized. When items are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gains or losses arising from such transactions are recognized. Property and equipment are depreciated over their estimated useful lives of three (3) to seven (7) years by the straight-line method.

The Company, with the consent of its Members, has elected to be a Limited Liability Company. For tax purposes, the Company is treated like a partnership, therefore in lieu of business income taxes, the Members are taxed on the Company's taxable income. Accordingly, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has similar treatment, although there exists a provision for a minimum Franchise Tax of \$800 plus a fee based upon gross receipts.

The Company is subject to audit by the taxing agencies for years ending December 31, 2014, 2015 and 2016.

The Company is engaged in various trading and brokerage activities whose counterparties primarily include broker/dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends upon the creditworthiness of the counterparty or issuer of the instrument. To mitigate the risk of loss, the Company maintains its accounts with credit worthy customers and counterparties.

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Management has reviewed the results of operations for the period of time from December 31, 2017 through January 19, 2018, the date the financial statements were available to be issued, and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820 are used to measure fair value.

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

At December 31, 2017, assets in the amount of \$237,965 were deemed by management to be Level 1 inputs.

Computer equipment	\$ 20,842
Furniture	<u>7,145</u>

Fixed assets, net	<u>\$ 4,403</u>

For the year ended December 31, 2017, depreciation expense was \$2,385.

Note 3: INCOME TAXES

The lease, which expires on November 30, 2019, provides for a scheduled increase in the monthly rent rate to \$1,850 effective December 1, 2018. Rent expense for the year ended December 31, 2017 was \$24,650. Minimum future rental commitments under the lease are:

<u>Year Ending</u>	<u>Amount</u>

Note 5: NET CAPITAL

Net capital and aggregate indebtedness change day to day, but on December 31, 2017 the Company had net capital of \$195,708, which was \$190,708 in excess of its required net capital of \$5,000; and the Company's ratio of aggregate indebtedness of \$27,257 to net capital was 0.14-to-1, which is less than the 15-to-1 maximum ratio allowed for a broker dealer.

Assertions Regarding Exemption Provisions

We, as members of management of **Augeo Advisors, LLC** (“the Company”), are responsible for compliance with the annual reporting requirements under Rule 17a-5 of the Securities Exchange Act of 1934. Augeo Advisors, LLC

Los Angeles, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) Augeo Advisors, LLC, identified the following provisions of 17 C.F.R. §15c3-3(k) under which Augeo Advisors, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provision") and (2) Augeo Advisors, LLC, stated that Augeo Advisors, LLC, met the identified exemption provision throughout the most recent fiscal year without exception. Augeo Advisors, LLC's management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Augeo Advisors, LLC's compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
