**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Shareholders and Board of Directors of Private Portfolio, Inc.

**Opinion on the Financial Statements**

I have audited the accompanying statement of financial condition of Private Portfolio, Inc. as of December 31, 2017, the related statements of operations, changes in shareholders' equity, and cash flows for the year then ended, and the related notes and Schedule I, Statement of Net Capital Under Rule 15c3-1, Schedule II, Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III, Information Relating to Possession or Control Requirements Under Rule 15c3-3 (exemption) (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of Private Portfolio, Inc. as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of Private Portfolio, Inc.'s management. My responsibility is to express an opinion on Private Portfolio, Inc.'s financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Private Portfolio, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access.

Level 2 inputs are inputs (other than quoted prices included within Level 1) that are observable for the asset or liability, either directly or indirectly.

Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data.)

**Independent Accountant's Report on Applying Agreed – Upon Procedures Related to an Entity's SIPC Assessment Reconciliation.**

Board of Directors  
Private Portfolio, Inc.  
La Jolla, California

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, I have performed the procedures enumerated below, which were agreed to by Private Portfolio, Inc. and the Securities Investor Protection Corporation (“SIPC”) with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) of Private Portfolio, Inc. the “Company”) for the year ended December 31, 2017, solely to assist you and SIPC in evaluating Private Portfolio, Inc.’s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Management is responsible for the Company’s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries noting no differences;
2. Compared the Total Revenue amounts reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2017, with the Total Revenue amounts reported in Form SIPC-7 for the year ended December 31, 2017 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers noting no differences;
4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT OF INDEPENDENT REGISTERED PUBLIC  
ACCOUNTING FIRM**

Board of Directors  
Private Portfolio, Inc.  
La Jolla, California

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) Private Portfolio, Inc., identified the following provisions of 17 C.F.R. §15c3-3(k) under which Private Portfolio, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k) (2) (ii) (the "exemption provision") and (2) Private Portfolio, Inc., stated that Private Portfolio, Inc., met the identified exemption provision throughout the most recent fiscal year without exception. Private Portfolio, Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Private Portfolio, Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
