Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Ariane Capital Partners LLC (the "Company") as of December 31, 2017, and the related notes (collectively referred to as the financial statement). Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. 1. Organization

Ariane Capital Partners LLC (the "Company") is a Pennsylvania limited liability company that is a registered broker dealer with the Securities and Exchange Commission ("SEC") and the Financial Industry Regulatory Authority ("FINRA"). The Company, which has agreed to limit its business to corporate finance and investment banking activities, is directly affected by general economic and market conditions, including fluctuations in volume and price level of securities and changes in interest rates, which have an impact on the Company's liquidity.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Company:

Investment Banking - Investment banking revenues include gains, losses and fees arising from the private placement of securities. Investment banking revenues also include fees earned from providing merger and acquisition consulting, financial restructuring advisory services and financial consulting services. These fees are recognized when the private placement is completed and the income is reasonably determinable. Fees for financial restructuring advisory services and financial consulting services are recorded when earned.

Income taxes - As a single member limited liability company, the Company does not incur any liability for federal or state income taxes because all income, deductions and credits are reportable by its member.

The Company recognizes and discloses uncertain tax positions in accordance with accounting principles generally accepted in the United States of America (GAAP). As of, and during the year ended December 31, 2017 the Company did not have liability for unrecognized tax benefits. The Company is no longer subject to examination by federal and state taxing authorities prior to 2014.

Use of estimates - The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates and assumptions.

Subsequent events - Management has evaluated the impact of all subsequent events through February 16, 2018 the date the financial statements were available to be issued and has determined that there were no subsequent events requiring disclosure in these financial statements.

3. Related Party Transactions
