Americas Executions LLC

Opinion on the Financial Statements

We have audited the accompanying balance sheet of Americas Executions LLC (the "Company") as of December 31, 2017, the related statements of operations, changes in members' equity, and cash flows for year then ended and the related notes and schedules (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The information contained in the "Computation of Net Capital" schedule has been subjected to audit procedures performed in conjunction with the audit of the Americas Executions LLC's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F. R. §240.17a-5. In our opinion, the "Computation of Net Capital" schedule is fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements  
Year Ended December 31, 2017

### 1. Organization and Nature of Business

Americas Executions, LLC. (the "Company") was organized as a limited liability company under the laws of the State of Delaware. The Company is wholly owned by GI4 Holdings, LLC (the Member). In April 2015, the broker dealer was purchased and was converted from an S Corporation to an LLC for tax purposes. The Company executes equity transactions for its clients solely on an agency and/or give-up basis. The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and a member of the Financial Industry Regulatory Authority (FINRA).

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of Paragraph (k)(2)(ii) provide that the Company clears all transactions on behalf of customers on a fully disclosed basis with a clearing broker dealer, and promptly transmits all customer funds and securities to the clearing broker/dealer. The clearing broker/dealer carries all of the accounts of the customers and maintains and preserves the related books and records as are primarily kept by a clearing broker/dealer.

Since the Company is a limited liability company, the Member is not liable for the debts, obligations, or liabilities of the Company, whether arising in contract, tort or otherwise, unless the Member has signed a specific guarantee.

### 2. Summary of Significant Accounting Policies

#### a) Basis of Accounting

The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenue is recognized when earned, while expenses and losses are recognized when incurred.

#### b) Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents consist of funds maintained in checking and money market accounts held at financial institutions.

The Company's cash and cash equivalents are held principally at one financial institution and at times may exceed federally insured limits. The Company has placed these funds in a high quality institution in order to minimize risk relating to exceeding insured limits.

#### c) Revenue Recognition

Securities transactions (and the recognition of related income and expenses) are recorded on a trade date basis. Commission income and related income and expense are recorded on a settlement date basis. There is no material difference between settlement date and trade date.

#### d) Income Taxes

The LLC is treated as a disregarded entity and has no federal and state tax liabilities. Any liability on profits is reported on the tax return of the parent entity and passed along to the individual members. The Company operates in New York City and is subject to NYC Unincorporated Business Tax., which has been presented within the Statement of Income. The tax years since inception remain open to examination by the major taxing jurisdictions to which the LLC is subject.

#### e) Furniture and Equipment

Equipment is carried at cost and is depreciated over a useful life of 5-7 years using the straight-line method.

### f) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

### 4. Indemnifications

In the normal course of its business, the Company indemnifies and guarantees certain service providers against specified potential losses in connection with their acting as an agent of, or providing services to, the Company. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

The Company provides representations and warranties to counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. The Company may also provide standard indemnifications to some counterparties to protect them in the event additional taxes are owed or payments are withheld, due either to a change in or adverse application of certain tax laws. These indemnifications generally are standard contractual terms and are entered into in the normal course of business. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications.

### 5. Net Capital Requirement

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 800% in the first year of operations, and 1500% in every year thereafter. At December 31, 2017, the Company had net capital of \$1,9502,105, which was \$1,930,691 in excess of its required net capital of \$21,414. The Company's aggregate indebtedness to net capital ratio was 16.45%.

### 6. Subsequent Events

The Company has evaluated events and transactions that occurred between January 1, 2018 and February 13, 2018, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

Report of Independent Registered Public Accounting Firm

Gentlemen:

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Americas Executions LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Americas Executions LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: k(2)(ii), (the "exemption provisions") and (2) Americas Executions LLC stated that Americas Executions LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Americas Executions LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Americas Executions LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph k(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

To the Board of Directors of

c/o Accounting and Compliance International

New York, NY 10005

Gentlemen:

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, we have performed the procedures enumerated below, which were agreed to by Americas Executions LLC and the Securities Investor Protection Corporation (SIPC) with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) of Americas Executions LLC for the year ended December 31, 2017, solely to assist you and SIPC in evaluating the Americas Executions LLC's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Americas Executions LLC's management is responsible for the Americas Executions LLC's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

- 1- Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records entries, noting no differences;
- 2- Compared the Total Revenue amount reported on the Annual Audited Report Form X-17A-5 Part III for the year ended December 31, 2017 with the Total Revenue amount reported in the Form SIPC-7 for the year ended December 31, 2017, noting no differences;
- 3- Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;
- 4- Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
- 5- Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
