**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors  
Vandham Securities Corp.

**Opinion on the Financial Statements**

We have audited the accompanying statement of financial condition of Vandham Securities Corp. as of December 31, 2017, and the related statements of operations, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended, and the related notes. In our opinion, the financial statements present fairly, in all material respects, the financial position of Vandham Securities Corp. as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of Vandham Securities Corp.'s management. Our responsibility is to express an opinion on Vandham Securities Corp.'s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Vandham Securities Corp. in accordance with the U.S. federal securities law and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and

disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

**Supplemental Information**

The supplementary information contained in Schedules 1 and 2 has been subjected to audit procedures performed in conjunction with the audit of Vandham Securities Corp.'s financial statements. The supplemental information is the responsibility of Vandham Securities Corp.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplementary information contained in Schedules 1 and 2 is fairly stated, in all material respects, in relation to the financial statements as a whole.

VANDHAM SECURITIES CORP.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2017

**NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A The Company: Vandham Securities Corp. (the Company) was incorporated under the laws of the State of New York on March 16, 1990. The Company is a broker-dealer registered with the Securities and Exchange Commission (the "SEC") and is a member of the Financial Industry Regulatory Authority; Inc. (the "FINRA"), functioning as an introducing broker and has a standard agreement with its independent clearing broker. All securities transactions are introduced and cleared on a fully-disclosed basis through the clearing broker. The Company was established to engage in all aspects of the securities business including, but not limited to, the buying, selling, trading, underwriting and investment of stocks, bonds, securities and futures of every nature. The Company has operations in New Jersey and New York.

B Revenue: Transactions for the Company's accounts in securities, short-term money market instruments and the related revenue and expenses are recorded on a trade-date basis. For purposes of determining the realized gain or loss on a sale, the cost of securities sold is based on a first in, first out method, unless shares are otherwise specifically identified. Unrealized gains and losses are determined on a mark to market basis with pricing provided by third party sources. Dividends are recorded on the ex-dividend date and interest income is accrued as earned.

Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

Various institutional customers have engaged the Company to provide third party research in exchange for commission order flow. These arrangements are oral whereby the customer pays an agreed upon "execution" charge with the excess commission income to be applied to the cost of the research.

C Investment In Securities: Marketable securities are stated at quoted market values; securities not readily marketable are stated at estimated fair value as determined by management. The resulting difference between cost and market is included in income.

D Fixed Assets: Property and equipment are recorded at cost. Depreciation is computed using accelerated methods over the estimated useful lives of the assets. Expenditures that materially increase the life of the related assets are capitalized. Expenditures for maintenance and repairs are charged to operations.

VANDHAM SECURITIES CORP.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2017

**NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

*E Policy of Cash Equivalents:* For purposes of the statement of cash flows, cash equivalents include time deposits, money market funds and all highly liquid debt instruments with original maturities of three months or less, that are not held for sale in the ordinary course of business.

*F Accounting for Uncertainty in Income Taxes:* Financial Accounting Standards Board ("FASB"), Accounting Standards Codification ("ASC") Topic 740, Subtopic 10 prescribes a comprehensive model for how a company should measure, recognize, present and disclose in its financial statements uncertain tax positions that the company has taken or expects to take on a tax return. The Company, having adopted FASB ASC Topic 740, Subtopic 10 as of December 31, 2008 and thereafter, recognizes the tax benefits from uncertain tax positions only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such positions are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There was no impact to the Company's financial statements, as a result of the implementation of FASB ASC Topic 740, Subtopic 10.

If applicable, interest and penalties associated with uncertain tax positions are recognized in operating expenses.

**NOTE 2--CASH AND CASH EQUIVALENTS SEGREGATED UNDER FEDERAL AND OTHER REGULATIONS**

Cash of \$100 has been segregated in a special reserve bank account for the benefit of customers under Rule 15c3-3 of the Securities and Exchange Commission.

**NOTE 3--MARKETABLE SECURITIES OWNED AND SOLD, NOT YET PURCHASED**

The Company carries its investments at fair value. Fair value is an estimate of the exit price, representing the amount that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants (i.e., the exit price at the measurement date). Fair value measurements are not adjusted for transaction costs.

## VANDHAM SECURITIES CORP.

## NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2017**NOTE 3--MARKETABLE SECURITIES OWNED AND SOLD, NOT YET PURCHASED (CONT'D)**

Fair value measurements establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

*Level 1:* Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access at the measurement date.

*Level 2:* Inputs are measurements other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

*Level 3:* Inputs are unobservable measurements for the asset or liability.

**Fair Value Measurements at

**VANDHAM SECURITIES CORP.**

**NOTES TO FINANCIAL STATEMENTS**

AS OF DECEMBER 31, 2017

**NOTE 3--MARKETABLE SECURITIES OWNED AND SOLD, NOT YET PURCHASED (CONT'D)**

For Level 2 fair value measurements, management has elected to use the market approach. In developing a market approach valuation model, the Company makes a variety of assumptions based upon the general economic environment, the economic environment of the specific industry, the plans of the entity and existing market information.

The Company's security investments are bought or sold short and held principally for the purpose of selling or repurchasing them in the near term and are therefore classified as trading securities. Trading securities are recorded at fair value on the balance sheet, with the change in fair value during the period included in earnings.

The Company has sold securities that it does not currently own and will therefore be obligated to purchase such securities at a future date. The Company has recorded these obligations as a liability in the financial statements at December 31, 2017, at market value of the related securities. Subsequent market fluctuations may require the Company to purchase the securities sold, not yet purchased, at prices that differ from the market value reflected in the statement of financial condition.

Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial condition.

**NOTE 4--CREDIT RISK CONCENTRATION**

The clearing and depository operations for the Company's security transactions are primarily provided by a single clearing broker. At December 31, 2017, virtually all of the investments in securities are positions with this broker. In the normal course of business, substantially all of the Company's cash balances, receivable balances, security positions and securities transactions are held or transacted with brokers or other counterparties. The Company is subject to credit risk from the potential inability of these counterparties performing under the terms of the contracts. The Company's management monitors the financial condition of such brokers and does not anticipate any losses from these counterparties.

The Company maintains its cash in bank and clearing organization deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant risk.

VANDHAM SECURITIES CORP.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2017

**NOTE 5--FINANCIAL INSTRUMENTS**

Derivative financial instruments used for trading purposes, including economic hedges of trading instruments, are carried at market value or, if market prices are not readily available, fair value. Market values for exchange-traded derivatives, principally options, are based on quoted market prices. Fair values for over-the-counter derivative financial instruments, principally options, are based on pricing models intended to approximate the amounts that would be received from or paid to a third party in settlement of the contracts. Factors taken into consideration include credit spreads, market liquidity, concentrations, and funding and administrative costs incurred over the life of the instruments.

Unrealized gains or losses on these derivative contracts are recognized currently in the statement of income as trading revenues. The Company does not apply hedge accounting as defined in FASB ASC Statement No. 815, *Accounting for Derivative Instruments and Hedging Activities*, as all financial instruments are marked to market with changes in fair values reflected in earnings. Therefore, the disclosures required in paragraphs 44 and 45 of the Statement are generally not applicable with respect to these financial instruments.

Fair values of option contracts are recorded in marketable securities owned or marketable securities sold, not yet purchased, as appropriate. Premiums and unrealized gains and losses for written and purchased option contracts are recognized gross in the statement of financial condition.

**NOTE 6--FIXED ASSETS**

The Company leases certain office equipment under agreements that are classified as capital leases. The \$121,516 cost of office equipment under these capital leases is included on the Balance Sheet as fixed assets. The debt associated with these leases is included on the Balance Sheet as capital lease obligations. Accumulated amortization of this office equipment as of December 31, 2017 amounted to \$47,118. Amortization of assets under capital leases is included in depreciation expense.

The future minimum lease payments required under the capital leases and the present value of the net minimum lease payments as of December 31, 2017, are as follows:

**NOTE 7--SUBORDINATED BORROWINGS**

In June 2014, under a Subordinated Loan Agreement, an individual loaned the Company \$300,000. The loan, which is automatically renewed and reset on an annual basis, has a scheduled maturity date of June 30, 2018, at which time the entire \$300,000 principal is due. The Company has been making monthly payments of interest only, at an interest rate of 8% per annum.

In February 2009, under a Subordinated Loan Agreement for Equity Capital, a corporate officer and stockholder loaned the Company \$300,000. The loan, which is automatically renewed and reset on an annual basis, has a scheduled maturity date of October 10, 2018, at which time the entire \$300,000 principal is due. The Company has been making monthly payments of interest only, at an interest rate of 8% per annum.

In February 2016, under two separate Subordinated Loan Agreements, two different employees loaned the Company \$100,000 each. The loans have a scheduled maturity date of March 1, 2019, at which time the entire principal is due. The Company has been making monthly payments of interest only, at an interest rate of 6% per annum.

VANDHAM SECURITIES CORP.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2017

**NOTE 7--SUBORDINATED BORROWINGS (CONT'D)**

The subordinated borrowings are available in computing net capital under the SEC's uniform capital rule. To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid.

Approximate maturities of subordinated borrowings are as follows:

<u>Year</u>	<u>Amount</u>
2018	\$600,000
2019	<u>200,000</u>
<u>TOTAL</u>	\$800,000 =====

**NOTE 8--DEFERRED LEASE INCENTIVES**

The Company has entered into several operating lease agreements, some of which contain provisions for future rent increases, rent free periods, or periods in which rent payments are reduced (abated). The total amount of rental payments due over the lease term is being charged to rent expense on the straight-line method over the term of the lease. The difference between rent expense recorded and the amount paid is credited or charged to "Deferred lease incentives," which is included as a liability on the accompanying Statement of Financial Condition.

**NOTE 9--COMMITMENTS AND CONTINGENCIES**

In April 2016, the Company entered into a lease agreement for the rental of their Park Ridge, New Jersey facilities. The agreement is for an initial period of seven years and three months and calls for base monthly rental payments ranging from \$9,050 to \$10,136, plus certain utility charges. At the expiration date, the lessee shall have the option to extend the term of the lease for a period of five years under the same general terms and conditions of the original agreement. The Company is also responsible for insurance, utilities, real estate tax and building operating cost escalation clauses.

In May, 2017, the Company exercised a renewal option to continue leasing office space in Marlboro, New Jersey. The extension agreement is for a period of 36 months and calls for base monthly rents of \$1,327 for the first 24 months and \$1,353 for the final 12 months. The Company is also responsible for insurance, utilities, real estate taxes and common area maintenance charges.

<u>TOTAL</u>	\$722,127 =====

**NOTE 10--INCOME TAXES**

The Company's effective income tax rate is different than what would be expected if Federal and State statutory rates were applied to income from continuing operations primarily because of certain expenses deductible for financial reporting purposes that are not deductible for tax purposes.

On December 22, 2017, the United States enacted the Tax Cuts and Jobs Act. Under this act, the effective corporate tax rate is reduced from 35% to 21%, with no graduated rate structure, beginning January 1, 2018. The effects of the changes in the tax law and the revised tax rates requires the Company to re-measure existing deferred tax assets and liabilities and record the change as a component of income tax expense in 2017, the year in which the new legislation was enacted.

Deferred tax assets relating to unused tax loss carryforwards are recognized to the extent that it is probable that future taxable income will be available against which they can be utilized. Current and deferred tax assets and liabilities are offset when the income taxes are levied by the same tax authority and there is a legally enforceable right of offset. Deferred tax assets and liabilities are determined based on enacted tax rates in the respective jurisdictions in which the Company operates that are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2017

**NOTE 10--INCOME TAXES (CONT'D)**

At December 31, 2017, the Company had approximately \$1,090,000 of federal and \$1,129,000 of state net operating loss carryforwards. The net operating loss carryforwards, if not utilized, will begin to expire in 2031 for both federal and state purposes.

Tax returns filed for the year 2014 and thereafter remain subject to examination by federal and state tax jurisdictions.

**NOTE 11--NET CAPITAL REQUIREMENT**

The Company is subject to the Securities and Exchange Commission's Net Capital Rule 15c3-1, which specifies uniform minimum net capital requirements for all registered brokers and dealers. At December 31, 2017, the Company had net capital, as defined, of \$1,239,387, which was \$239,387 in excess of its regulatory requirements.

**NOTE 12--USE OF ESTIMATES**

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

**NOTE 13--RETIREMENT PLANS**

The Company sponsors a profit sharing plan that covers substantially all of its employees. Contributions to the Plan are based on management's discretion. Annual contributions are determined using a percentage of the participating employees' salaries. For 2017, the Company did not make any contributions.

The Company has a 401(k) Plan to provide retirement and incidental benefits for its employees. Employees may contribute any portion of their annual compensation to the Plan, limited to a maximum annual amount as set periodically by the Internal Revenue Service.

**NOTE 14--PREFERRED STOCK**

As of December 31, 2017, the Company has issued 485 shares of Series A convertible preferred stock. The Series A convertible preferred stock pays dividends on a non-cumulative basis at a rate of 6% per annum. These non-voting shares may be converted into common stock at any time at a ratio of 4 shares of common for each share of Series A preferred. Upon liquidation or dissolution of the Company, holders of the Series A preferred stock will be senior to the common stock shareholders.

**NOTE 15--SUPPLEMENTAL CASH FLOW INFORMATION**

Cash paid for interest and income taxes are as follows:

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Stockholders  
Vandham Securities Corp.

We have reviewed management's statements, included in the accompanying Exemption Report, in which Vandham Securities Corp. identified the following provisions of 17 C.F.R. Sec. 15c3-3(k) under which Vandham Securities Corp. claimed an exemption from 17 C.F.R. Sec. 240.15c3-3:(2)(ii) (the "exemption provisions") and (2) Vandham Securities Corp. stated that Vandham Securities Corp. met the identified exemption provisions throughout the most recent fiscal year without exception. Vandham Securities Corp.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Vandham Securities Corp.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

PURSUANT TO SEC RULE 15C3-3**

**FOR THE YEAR ENDED  
DECEMBER 31, 2017**

To the best of our knowledge and belief, Vandham Securities Corp. was eligible and qualified for exemption relief from the provisions of SEC Rule 15c3-3 pursuant to:

1. Section (k)(2)(ii) of the rule in that it clears all customer transactions through BROADCAST CLEARING CORP on a fully disclosed basis.
2. The above referenced exemptions were in effect for the entire year without exception.

**INDEPENDENT ACCOUNTANTS' AGREED-UPON PROCEDURES REPORT  
ON SCHEDULE OF ASSESSMENT AND PAYMENTS (FORM SIPC-7)**

To the Board of Directors  
Vandham Securities Corp.

In accordance with Rule 17a-5(e)(4) under the Securities Exchange Act of 1934 and with the SIPC Series 600 Rules, we have performed the procedures enumerated below, which were agreed to by Vandham Securities Corp. and the Securities Investor Protection Corporation (SIPC) with respect to the accompanying General Assessment Reconciliation (Form SIPC-7) of Vandham Securities Corp. for the year ended December 31, 2017, solely to assist you and SIPC in evaluating Vandham Securities Corp.'s compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). Vandham Securities Corp.'s management is responsible for Vandham Securities Corp.'s compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the Public Company Accounting Oversight Board (United States). The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payments in Form SIPC-7 with respective cash disbursement records, noting no differences;
2. Compared the Total Revenue amount reported on the Annual Auditing Report Form X-17A-5 Part III for the year ended December 31, 2017 with the Total Revenue amount reported in Form SIPC-7 for the year ended December 31, 2017, noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, noting no differences;

4. Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
