HANTZ FINANCIAL SERVICES, INC.
(A Wholly Owned Subsidiary of Hantz Group, Inc.)

NOTES TO FINANCIAL STATEMENTS

1. BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Hantz Financial Services, Inc. (the “Company”) is a securities broker-dealer that introduces transactions and accounts on a fully disclosed basis and does not carry customer accounts. The Company is registered with the Securities and Exchange Commission (“SEC”) and the Financial Industry Regulatory Authority, Inc. (“FINRA”). The Company’s revenues are primarily generated through the sale of financial products and investment advisory services, including financial planning and investment portfolio management services. The Company’s customers are primarily individuals and small businesses located predominantly in the states of Michigan and Ohio. The Company is also a licensed mortgage broker.

The Company is a Michigan Corporation that is a wholly owned subsidiary of *Hantz Group, Inc.* (the “Parent”).

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting year. Actual results could differ from those estimates. Significant estimates include but are not limited to commission receivables and accrued compensation.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits in banks. The Company holds deposits in major financial institutions in excess of federally insured limits. Management does not believe the Company is exposed to any significant interest rate or other financial risk as a result of these deposits.

Cash Segregated for Benefit of Customers

The Company has a special bank account for the benefit of customers under rule 15c3-3 of the Securities and Exchange Commission. As of December 31, 2017 the balance in the account is \$0. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities the Company is claiming exemption under k(2)(i) and k(2)(ii) of Rule 15c3-3 of the Securities and Exchange Act of 1934.

Commission and Marketing Support Receivables

Receivables consist primarily of amounts due from commissions and marketing support revenue earned from the sale of financial products. All amounts deemed uncollectible are recognized as an expense for doubtful accounts in the year such determination is made. Management did not consider an allowance for doubtful accounts necessary at December 31, 2017.

HANTZ FINANCIAL SERVICES, INC.

(A Wholly Owned Subsidiary of Hantz Group, Inc.)

NOTES TO FINANCIAL STATEMENTS

Revenue Recognition

Commission revenue on security transactions are recognized on a trade date basis. Marketing support revenue is recognized in the period that services are performed. Investment advisory revenue for planning services is recognized when the advisory service is sold. Fees for our investment advisory are assessed quarterly in advance based on a percentage of assets under our management. This fee revenue is received quarterly and recognized monthly as earned. Commission revenue from a mortgage application introduction is recognized when loans are closed at the financing institution.

Concentrations

The Company's operating philosophy relies extensively, albeit not exclusively, on the use of a limited number of preferred investment and insurance product providers. The Company receives marketing support revenue based on the volume traded through the investment and insurance providers. In 2017, 92% of commission revenue was from five investment companies and 93% of marketing support revenue was from five investment companies.

Income Tax Allocation from Parent

The Company is included in the consolidated federal and state income tax returns filed by the Parent. The Company currently has no formal income tax sharing agreement with the Parent and, as such, income taxes have been determined as if the Company files on a separate return basis with an income tax allocation from the parent to the Company for its proportionate share.

Deferred federal and state income tax assets and liabilities are computed annually for differences between the financial statement and income tax basis of assets and liabilities that will result in taxable or deductible amounts in the future, based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Deferred income taxes arise from temporary basis differences related to recoverable settlement expenses and deferred payment of certain compensation. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense (Income tax allocation from parent) is the current year tax or benefit plus or minus the change during the year in deferred tax assets and liabilities.

The Company analyzed its filing positions in the federal and state jurisdictions where it is required to file income tax returns, as well as all open tax years in these jurisdictions. The Company has also elected to retain its existing accounting policy with respect to the treatment of interest and penalties attributable to income taxes, and continues to reflect any charges for such, to the extent they arise, as a component of its operating expenses, which has no significant impact on the company's financial statements.

New Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board issued ASU 2016-02, Leases, which supersedes current lease accounting requirements. This new ASU requires lessees to recognize a right-of-use asset and related lease liability for all leases, with limited exception for short-term leases. This new guidance will be effective for the Company's fiscal year ending December 31, 2020. Upon implementation, the Company's lease payment obligations will be recognized at their estimated present value along with a corresponding right-of-use asset. Lease expense recognition will be generally consistent with current practice.

HANTZ FINANCIAL SERVICES, INC.

(A Wholly Owned Subsidiary of Hantz Group, Inc.)

NOTES TO FINANCIAL STATEMENTS

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, Revenue from Contracts with Customers (Topic 606), which will supersede the current revenue recognition requirements in Topic 605, and Revenue Recognition. The ASU is based on the principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The ASU also requires additional disclosure about the nature, amount, timing, and uncertainty of revenue and cash flows arising from customer contracts, including significant judgments and changes in judgments and assets recognized from costs incurred to obtain or fulfill a contract. The ASU permits application of the new revenue recognition guidance to be applied using one of two retrospective application methods. The Corporation has not yet determined which application method it will use. The standard is effective for annual reporting periods beginning after December 15, 2017, therefore will be effective for the fiscal year beginning on January 1, 2018. The adoption of the new standard is not expected to have a significant impact on the financial statements.

2. RELATED PARTY TRANSACTIONS

Under an expense sharing agreement, the Parent provides accounting, administrative and managerial services to the Company. Amounts charged for these services by the Parent result from an allocation of actual costs based on the percentage of the actual prior year revenue of the Company in relation to the actual prior year revenue generated by other subsidiaries. The cost allocated for management services was \$3,634,580 during 2017. The Company was also allocated \$2,464,682 in additional operating and administrative costs from the Parent. In addition, software utilized for processing securities transactions was developed for the Company by Hantz Technology, L.L.C., in which the Parent is the sole member. The Company leases this software along with hardware and maintenance support, on a month-to-month basis, from Hantz Technology, L.L.C. Total expense incurred in connection with these technology charges was \$1,212,884 during 2017. The Company also leases office space under various operating leases with its Parent who in turn leases these facilities from both related and unrelated third parties. Net rental expense on operating leases from related parties was \$1,420,960 and from unrelated parties was \$466,125 in 2017.

The following is a schedule of approximate annual future minimum lease payments for the Company's portion of related party and unrelated third party leases for facilities as required under operating leases with initial or remaining noncancelable lease terms in excess of one year as of December 31, 2017. To determine the amount below an allocation was based on 2017 allocation percentages to determine future years lease expense.

HANTZ FINANCIAL SERVICES, INC.
(A Wholly Owned Subsidiary of Hantz Group, Inc.)

NOTES TO FINANCIAL STATEMENTS

| Year Ending December 31 | Total HFS Non-Cancelable Operating Leases | Related Parties Non-Cancelable Operating Leases | Unrelated Third Parties Non-Cancelable Operating Leases |

| 2018 | \$ 1,543,000 | \$1,283,000 | \$260,000 |
| 2019 | 1,046,000 | 888,000 | 158,000 |

| Total payments due | \$4,339,000 | \$3,707,000 | \$632,000 |

Hantz Financial Services is directly liable for lease payments included in the above amounts of \$205,000 in 2018. This is the result of Hantz Financial Services being the signor on the subject lease.

The Company earned commissions from affiliated entities for commercial loans and mortgages. In 2017, the Company earned approximately \$229,082 in revenue for these services. The Company received revenue for plan processing services provided by an affiliate. In 2017, the revenue was approximately \$1,178,135 for these services and is included in other revenue on the statement of income.

Taxes payable of \$768,289 is payable to the parent. No interest is charged on the \$32,500 due to subsidiary balance which is due on demand and expected to be paid in 2018.

3. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital in an amount which is the greater of \$100,000 or 6.67% of aggregate indebtedness, which is \$252,113 at December 31, 2017, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2017, the Company had net capital of \$9,806,842 which was \$9,554,729 in excess of the required amount of net capital. The Company's ratio of aggregate indebtedness to net capital ratio was 0.39 to 1 as of December 31, 2017.

4. EMPLOYEE BENEFIT PLAN

The Company participates in a deferred compensation retirement plan sponsored by the Parent qualified under Section 401(k) of the Internal Revenue Code. Under this plan, eligible employees are permitted to contribute a portion of gross compensation into the retirement plan up to the maximum determined by the Internal Revenue Code. Matching contributions to the plan are determined annually at the discretion of the Board of Directors.

The Company did not make any matching contributions to the plan in 2017.

HANTZ FINANCIAL SERVICES, INC.
(A Wholly Owned Subsidiary of Hantz Group, Inc.)

NOTES TO FINANCIAL STATEMENTS

5. INCOME TAX ALLOCATION FROM PARENT

The income tax allocation from parent consists of the following components for the year ended December 31, 2017:

| | |
|--|---------------------------|
| Current federal provision | \$ 3,822,343 |
| Deferred federal provision | 101,000 |
| Impact from reduction in federal tax rate to 21% | <u>(83,000)</u> |
| Total federal income tax provision | <u>3,840,343</u> |
| Current state provision | 644,872 |
| Deferred state provision | <u>7,000</u> |
| Total state income tax provision | <u>651,872</u> |
| Income tax allocation from parent | <u>\$4,492,215</u> |

The components of deferred income taxes reported in the accompanying statement of financial condition are comprised of the following amounts at December 31, 2017:

| | |
|-----------------------------------|----------------------------|
| Deferred tax asset | \$ 45,000 |
| Deferred tax liability | <u>(195,000)</u> |
| Net deferred tax Liability | <u>\$ (150,000)</u> |

The Company has evaluated and concluded that there are no significant uncertain tax positions requiring recognition in the Company's financial statements. The Company does not expect the total amount of unrecognized tax benefits ("UTB") (e.g. tax deductions, exclusions, or credits claimed or expected to be claimed) to significantly increase in the next twelve months. The Company does not have any amounts accrued for interest and penalties related to UTBs at December 31, 2017, and it is not aware of any claims for such amounts by federal or state income tax authorities on the Parent company that would require recording an allocation of such on the Company's financial statements.

6. CONTINGENCIES

From time to time, the Company is party to various litigation and other claims arising in the normal course of business. Management believes that the ultimate resolution of these matters will not have a material adverse effect on the Company's financial position, results of operations or cash flows.

■ **7. SUBSEQUENT EVENTS**
