To the Audit Committee of
Ridgeview Capital, LLC

In connection with our audit of the financial statements and supplemental information of Ridgeview Capital, LLC for the year ended December 31, 2017. We have issued our report thereon dated February 8, 2018. Professional standards require that we provide you with the following information related to our audit.

Significant and Critical Accounting Policies and Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The Company's significant accounting policies are disclosed in the notes to the financial statements as required by generally accepted accounting principles pursuant to Rule 17a-5 under the Securities and Exchange Act of 1934. No new accounting policies were adopted and the application of existing accounting policies was not changed during 2017. We noted no transactions entered into by the Company during the year for which accounting policies are controversial or for which there is a lack of authoritative guidance or consensus or diversity in practice.

Critical accounting policies and practices are those that are both most important to the portrayal of the Company's financial condition and results and require management's most difficult, subjective, or complex judgments, often as a result of the need to make estimates about the effects of matters that are inherently uncertain. The critical accounting policies used by Ridgeview Capital, LLC in its 2017 financial statements are described in Note 2 to the financial statements.

Critical Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Critical accounting estimates are estimates for which (1) the nature of the estimate is material due to the levels of subjectivity and judgment necessary to account for highly uncertain matters or the susceptibility of such matters to change and (2) the impact of the estimate on financial condition or operating performance is material.

Significant Unusual Transactions

For purposes of this letter, professional standards define *significant unusual transactions* as transactions that are outside the normal course of business for the Company or that otherwise appear to be unusual due to their timing, size or nature. We noted no significant unusual transactions during our audit.

Related-party Relationships and Transactions

As part of our audit, we evaluated the Company's identification of, accounting for, and disclosure of the Company's relationships and transactions with related parties as required by professional standards. We noted no related parties or related-party relationships or transactions that were previously undisclosed to us; significant related-party transactions that have not been approved in accordance with the Company's policies or procedures or for which exceptions to the Company's policies or procedures were granted; or significant related-party transactions that appeared to lack a business purpose.

Quality of the Company's Financial Reporting

Management is responsible not only for the appropriateness of the accounting policies and practices, but also for the quality of such policies and practices. Our responsibility under professional standards is to evaluate the qualitative aspects of the company's accounting practices, including potential bias in management's judgments about the amounts and disclosures in the financial statements, and to communicate the results of our evaluation and our conclusions to you. Based on our review of the qualitative aspects of the Company's financial reporting the financial statements appear to appropriately represent the financial position of Ridgeview Capital, LLC as of year-end.

Uncorrected and Corrected Misstatements

Professional standards require us to accumulate misstatements identified during the audit, other than those that are clearly trivial, and to communicate accumulated misstatements to management. The attached schedule summarizes the uncorrected misstatements that we presented to management and the corrected misstatements, other than those that are clearly trivial, that, in our judgment, may not have been detected except through our auditing procedures. In our judgment, none of the misstatements that management has corrected, either individually or in the aggregate, indicate matters that could have a significant effect on the Company's financial reporting process.

Management has determined that the effects of the uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole. The uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even though, in our judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

Auditor's Report

In connection with the audit of the financial statements, we have provided you a draft of our auditor's report and have discussed it with you.

Exceptions to Exemption Provisions

In connection with our review of the Company's exemption report, we did not identify any exceptions to the exemption provisions that would cause the Company's assertions not to be fairly stated, in all material respects.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements or the auditor's report. We are pleased to report that no disagreements with management arose during the course of our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Supplemental Information

Based on the regulatory requirements of SEC Rule 17a-5, the Company presents supplemental information that accompanies the financial statements. We subjected that supplemental information to audit procedures in accordance with PCAOB Auditing Standard No. 17, *Auditing Supplemental Information Accompanying Audited Financial Statements*. Based on our audit procedures performed, the supplemental information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

This information is intended solely for the use of the Audit Committee, Board of Directors, and management of Ridgeview Capital, LLC and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Ridgeview Capital, LLC
Notes to Financial Statements
December 31, 2017

NOTE 1 - NATURE OF ORGANIZATION

The financial statements presented are those of Ridgeview Capital, LLC (the "Company"). The Company was originally organized as a Limited Liability Company in the State of Utah as Harvest Growth Partners, LLC on June 6, 2003. The Company subsequently changed its name on November 12, 2003.

The Company's corporate finance activities include mergers and acquisitions, corporate restructuring, fairness opinions and other financial advisory services. The Company is a registered broker-dealer licensed by the United States Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority. The Company operates pursuant to SEC Rule 15c3-3(k)(2)(i) and does not hold funds or securities or owe funds or securities for, or owe money or securities to, customers.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Accounting Method

The financial statements are prepared using the accrual method of accounting. The Company has elected a December 31 year-end.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Management bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances in making judgments about the carrying value of assets and liabilities that are not readily apparent from other sources. While actual results could differ from those estimates, management believes that estimates are reasonable.

c. Cash and Cash Equivalents

Cash equivalents include short-term, highly liquid investments with maturities of three months or less at the time of acquisition.

d. Concentrations of Credit Risk

The Company maintains its cash in federally insured bank accounts. The Company's accounts are all within the FDIC insurance limits. As such, the Company does not anticipate any losses on its cash accounts.

Ridgeview Capital, LLC
Notes to Financial Statements
December 31, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

e. Advertising

The Company follows the policy of charging the cost of advertising to expense as incurred.

f. Property and Equipment

Property and equipment are stated at cost. Betterments and improvements are capitalized over their estimated useful lives, whereas repairs and maintenance expenditures on the assets are charged to expense as incurred. When assets are disposed of, the cost and accumulated depreciation (net book value of the assets) is eliminated and any resulting gain or loss is reflected accordingly. Leasehold improvements are amortized over the life of the lease. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. The estimated useful lives are as follows:

Furniture and fixtures	5 years
------------------------	---------

g. Revenue Recognition

Transaction fees (deal fees) are recognized as revenue upon completion of the transaction process. Advisory and consulting fees are recognized as the related services are rendered. Nonrefundable retainers are recognized as received. Costs connected with transaction fees are expensed as incurred. Interest income is recorded when earned pursuant to the applicable interest rate.

h. Income Taxes

The Company is treated as a partnership for income tax purposes and as such, each member is taxed separately on their distributive share of the Company's income whether or not that income is actually distributed. Therefore, no accrual for income taxes has been recorded in the financial statements.

The accounting principles generally accepted in the United States of America provides accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain. Management has considered its tax positions and believes that all of the positions taken by the Company in its Federal and State organization tax returns are more likely than not to be sustained upon examination. The Company is subject to examinations by U.S. Federal and State tax authorities from 2013 to the present, generally for three years after they are filed.

Ridgeview Capital, LLC
Notes to Financial Statements
December 31, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

i. Fair value of Financial Instruments

The Company's financial instruments include cash and cash equivalents. The carrying amounts of cash and cash equivalents approximate fair values because of the short-term nature of these instruments.

NOTE 3 - PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at December 31, 2017:

Furniture and fixtures	\$ <u>45,085</u>
Total	45,085
Less: accumulated depreciation	<u>(45,085)</u>
Property and equipment, net	<u><u>\$ -</u></u>

All property and equipment was fully depreciated as of December 31, 2012; therefore, there was no depreciation expense on property and equipment for the year ended December 31, 2017.

NOTE 4 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital. The Company has elected to use the alternative method, permitted by the rule, which requires that the Company maintain minimum net capital of \$5,000 or 6 2/3% of Aggregate Indebtedness. At December 31, 2017, the Company had net capital of \$10,866 which was \$5,866 in excess of its required net capital of \$5,000.

NOTE 5 - RESERVE REQUIREMENTS

The Company is exempt from the provisions of Rule 15c3-3 (per paragraph K (2) (i)) under the Securities Exchange Act of 1934, as a broker or dealer which carries no customers' accounts and does not otherwise hold fund or securities of customers.
