Report of Independent Registered Public Accounting Firm

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of DSIL Investment Services LLC (the Company) as of December 31, 2017, and the related notes to the financial statement (collectively referred to as the "Financial Statement"). In our opinion, the Financial Statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2017, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2006.

DSIL Investment Services LLC

Notes to Statement of Financial Condition

Note 1. Nature of Business

Nature of Business: DSIL Investment Services LLC (the "Company") is a wholly owned subsidiary of Domini Impact Investments LLC (the "Parent"), a registered investment adviser under the Investment Advisers Act of 1940. The Company is a broker-dealer that acts as the principal underwriter and distributor for mutual funds sponsored by the Parent.

The Company is currently exempt from the provisions of Rule 15c3-3 of the Securities and Exchange Commission (the "SEC") based on paragraph (k)(1) of the rule. Among other provisions, the Company does not hold funds or securities for, or owe money or securities to, customers.

Note 2. Significant Accounting Policies

The Company follows Generally Accepted Accounting Principles ("GAAP"), as established by the Financial Accounting Standards Board (the "FASB"), to ensure consistent reporting of financial condition, results of operations, and cash flows.

Cash: Cash represents bank demand deposits.

Income Taxes: The Company is a single-member limited liability company whose parent is a multi-member limited liability company classified as a partnership for federal income tax purposes. The Company is a "disregarded entity" for tax purposes and its income is included in the Parent's partnership return and, therefore, no provision for income taxes is required. FASB Accounting Standards Codification Topic 740, *Income Taxes*, provides guidance for how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are "more likely than not" of being sustained "when challenged" or "when examined" by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold would be recorded as a tax expense and liability in the current year. For the year ended December 31, 2017, management has determined that there are no material uncertain income tax positions.

Accounting Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the financial statements. Actual results could differ from those estimates.

Recent Accounting Pronouncements: In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). This guidance requires an entity to recognize assets and liabilities arising from a lease for both financing and operating leases, along with additional qualitative and quantitative disclosures. This guidance is effective for fiscal years beginning after December 15, 2018, with early adoption permitted. The Company is currently evaluating the impact of adopting this standard on its consolidated financial statements.

Note 3. Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of a minimum amount of net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2016, the Company had a net capital of \$231,750, which was \$206,750 in excess of its required net capital of \$25,000. The Company had aggregate indebtedness at December 31, 2017 of \$39,851. The Company's ratio of aggregate indebtedness to net capital was 0.17 to 1 at December 31, 2017.

DSIL Investment Services LLC

Notes to Statement of Financial Condition

Note 4. Agreement With Parent

Pursuant to a Management Agreement with the Parent, the Parent has agreed to pay the Company's expenses, net of income, including but not limited to professional fees, registration and regulatory fees, occupancy, general and administrative costs, and salaries and related costs. Operating expenses of the Company are primarily allocated to it from the Parent.

Note 5. Concentration of Credit Risk

The Company maintains substantially all of its cash with one financial institution, which at times may exceed insured limits. It is the opinion of management that solvency of the financial institution is not a concern at this time.

Note 6. Subsequent Events

The Company has evaluated subsequent events for potential recognition and/or disclosure through the date this financial statement was issued.

Report of Independent Registered Public Accounting Firm

To the Member
DSIL Investment Services LLC

We have reviewed management's statements, included in the accompanying Exemption Report, in which (a) DSIL Investment Services LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which DSIL Investment Services LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(1), (the "exemption provisions") and (b) DSIL Investment Services LLC stated that DSIL Investment Services LLC met the identified exemption provisions throughout the most recent fiscal year without exception. DSIL Investment Services LLC's management is responsible for compliance with the exemption provisions and its statements

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about DSIL Investment Services LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k) (1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
