Report of Independent Registered Public Accounting Firm

To the Directors and Equity owners of Seapower Carpenter Capital, Inc.

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Seapower Carpenter Capital, Inc. (the "Company") as of December 31, 2017, the related statements of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for year then ended, in conformity with accounting principles generally accepted in the United States.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The information contained in Schedules I and II ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Information is the responsibility of the Company's management. Our audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming our opinion on the Supplemental Information, we evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, Schedules I and II are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1 – Nature of Business and Summary of Significant Accounting Policies

This summary of significant accounting policies of Seapower Carpenter Capital, Inc. (the company) is presented to assist in understanding the company's financial statements.

Organization and Operations

Seapower Carpenter Capital, Inc. is incorporated under the laws of the state of California and is a wholly owned subsidiary of CCFW, Inc. dba Carpenter & Company (the parent).

The company, a registered broker-dealer with the Securities and Exchange Commission, provides professional securities services with a focus on private best efforts placements of securities for financial services clients, mergers, and acquisitions. These services are incidental to the financial consulting activities of the parent. The company is also a member of the Financial Industry Regulatory Authority and the Securities Investor Protection Corporation.

Use of Estimates and Assumptions

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amount of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

Commissions

Revenue from commissions includes a fee earned for services provided as the placement agent for the initial capitalization of a client. Revenue from commissions is recorded on the closing date of the offering.

NOTE 1 – Nature of Business and Summary of Significant Accounting Policies
(Continued)

Provision for Income Taxes and Deferred Income Taxes

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due and deferred taxes. The company files its tax return on a consolidated basis with the parent under a tax sharing agreement, which requires the company to provide for taxes on the “separate return” basis. Deferred taxes are recognized for differences between the basis of assets and liabilities for financial statements and income tax purposes.

The company recognizes the effect of income tax positions taken or expected to be taken in a tax return only if those positions are more likely than not of being sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being recognized. Additionally, previously recognized tax positions that no longer meet the more-likely-than-not threshold should be derecognized in the first financial reporting period in which that threshold is no longer met. Changes in recognition or measurement will be reflected in the period in which the change in judgment occurs.

The company’s income tax filings are subject to audit by various taxing authorities. The company’s open audit periods are three and four years for federal and California tax filings, respectively. In evaluating the company’s tax provisions and accruals, future taxable income, and the reversal of temporary differences, interpretations, and tax planning strategies are considered. The company had no material adjustments to its liabilities for unrecognized income taxes under the guidelines for uncertainty in income taxes and believes their estimates are appropriate based on current facts and circumstances.

Subsequent Events

The company has evaluated subsequent events from the statement of financial condition date through the date at which the financial statements were available to be issued, and determined there are no other items to disclose.

(A wholly owned subsidiary of CCFW, Inc. dba Carpenter & Company)

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 2 – Basis of Preparation

The accompanying financial statements have been prepared on a going concern basis, which assumes that the company will be able to continue to fund operations. While the company has incurred recurring operating losses, the parent has made capital contributions each year to fund operations and maintain adequate capital. The parent has provided the company with a written commitment to maintain or exceed the minimum net capital requirements on an ongoing basis. Further, the financial statements and notes are the representation of the company's management, which is responsible for their integrity and objectivity.

NOTE 3 – Related-Party Activities

The parent pays the majority of general and administrative expenses, which are allocated to the company through the due-to-parent account pursuant to a services and expenses sharing agreement between the company and its parent. The agreement provides for allocations that correspond to and are representative of the level of activity of the company throughout the year. This includes expenses related to back-office support and overhead. The company paid approximately \$101,900 to the parent for allocated general and administrative expenses for the year ended December 31, 2017.

The company provides financial consulting services for the parent's clients, which may range from zero to five engagements per year.

NOTE 4 – Net Capital Requirements

The company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires both the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, each as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2017, the company had net capital of \$237,792, which was \$232,792 in excess of its required net capital of \$5,000. The company's aggregate indebtedness was zero.

SEAPOWER CARPENTER CAPITAL, INC.
(A wholly owned subsidiary of CCFW, Inc. dba Carpenter & Company)

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 5 – Provision for Income Taxes

For the year ended December 31, 2017, the company calculated a provision for income taxes of \$56,909 based on a pre-tax income of \$252,829. During the year ended December 31, 2017, the company paid the parent directly for the current year federal and state tax liability.

NOTE 6 – Guarantees

FASB ASC 460, Guarantees, requires the company to disclose information about its obligations under certain guarantee arrangements. FASB ASC 460 defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in an underlying factor (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement as well as indirect guarantees of indebtedness of others.

The company has issued no guarantees at December 31, 2017 or during the year then ended.

Report of Independent Registered Public Accounting Firm

We have reviewed management's statements, included in the accompanying Assertions Regarding Exemption Provisions, in which (1) Seapower Carpenter Capital, Inc. identified the following provisions of 17 C.F.R. § 15c3-3(k) under which Seapower Carpenter Capital, Inc. claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) Seapower Carpenter Capital, Inc. stated that Seapower Carpenter Capital, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Seapower Carpenter Capital, Inc. 's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Seapower Carpenter Capital, Inc. 's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
