GARRY PIERCE FINANCIAL SERVICES, LLP
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1 - PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Garry Pierce Financial Services, LLP (Company) is organized as a limited liability partnership under the laws of the State of North Dakota and shall continue in perpetuity unless dissolved or terminated at an earlier date. The Company operates as a broker/dealer in securities under the Securities Exchange Act of 1934 providing sales of investment companies, variable annuity contracts and real estate investment trusts on an application-way basis. The Company operates one site in Bismarck, North Dakota. The majority of the Company's revenues are generated from sales to residents of North Dakota.

The Company operates under the provisions of Paragraph (k)(2)(i) of Rule 15c3-3 of the Securities and Exchange Commission and, accordingly, is exempt from the remaining provisions of that Rule. Essentially, the requirements of Paragraph (k)(2)(i) provide that the Company does not maintain margin accounts, does not hold funds or securities for customers and promptly transmits all customer funds and securities connected with the Company's brokerage activities.

Basis of Accounting

Commission revenue and commission expense are recognized on a trade date basis.

Cash and Cash Equivalents

The Company considers temporary, highly liquid investments to be cash equivalents.

Accounts Receivable

Accounts receivable result from commissions earned on sales of investments. Commissions are received monthly from the related investments. The Company regularly monitors all receivable balances and charges bad debt expense with any receivables deemed to be uncollectible. The Company does not charge interest and does not require collateral on any receivables.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Property and Equipment

Property and equipment are stated at cost. Depreciation is computed on the straight-line method using estimated useful lives of five to seven years.

NOTES TO FINANCIAL STATEMENTS

Income Taxes

Income taxes on Partnership income are levied on the partners at the partner level. Accordingly, all profits and losses of the Partnership are recognized by each partner on their respective tax returns. Federal and state tax authorities generally have the right to examine and audit the previous three years of tax returns filed. The Company's federal and state income tax returns prior to fiscal year 2014 are closed. Any interest or penalties assessed to the Partnership are recorded in operating expenses. For the year ended December 31, 2017, there were no interest or penalties recorded in the accompanying financial statements.

In accordance with FASB ASC 740-10, the Company undergoes an annual analysis of its various tax positions, assessing the likelihood of those positions being upheld upon examination with relevant tax authorities, as defined by FASB ASC 740-10. At December 31, 2017, the Company had no tax positions that would not be held up under examination.

Subsequent Events

The Company has evaluated subsequent events through February 13, 2018, the date which the financial statements were available to be issued.

NOTE 2 - CONCENTRATIONS OF CREDIT RISK

Approximately 72% of the Company's earned revenues for 2017 were generated from commissions associated with transactions of Edgewood Real Estate Investment Trust, a nonpublic real estate investment trust with properties located throughout the upper Midwest. At December 31, 2017, the Company had a receivable of \$2,398 from Edgewood Real Estate Investment Trust.

Approximately 12% of the Company's earned revenues for 2017 were generated from commissions associated with transactions of Lightstone, a nonpublic real estate company which offers investments in a real estate investment trust and a real estate income trust. The trusts own properties and the mortgages on properties located throughout the United States.

NOTE 3 - OPERATING LEASE

The Company leases office space under an operating lease agreement which expires April 30, 2020. Terms of the lease call for monthly rent payments of \$670 through April 30, 2018. Monthly rents are to increase to \$685 on May 1, 2018 and are to increase an additional \$15 per month on May 1 of each subsequent year. Rent expense totaled \$7,995 for the year ended December 31, 2017.

Future minimum lease payments are as follows:

For the Years Ending December 31,

2018	\$	8,160
2019		8,340
2020		2,800
	\$	<u>19,300</u>

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1).

As of December 31, 2017, the Company had the following net capital:

Net capital	<u>\$ 36,498</u>
Excess net capital	<u>\$ 31,498</u>
Aggregate indebtedness ratio	<u>.00 to 1</u>

The Securities and Exchange Commission has adopted certain amendments to its Net Capital Rule requiring increased minimum net capital for brokers and dealers in securities. The Company is still subject to a \$5,000 minimum net capital requirement. The Company is also subject to the requirements that if aggregate indebtedness multiplied by 6-2/3 percent is higher, the minimum net capital would be increased to the higher amount.

NOTE 5 - PARTNERS EQUITY

<u>Partners</u>	<u>Ownership Percentages</u>
Garry G. Pierce	95%
Karen M. Pierce	5%
	<u>100%</u>

NOTE 6 - RETIREMENT PLAN

The Company has a simplified retirement plan where contributions are made at the discretion of the owners. Contributions to the partners' retirement plan are recognized as partner draws.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 - RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In May 2014, the FASB issued ASU 2014-09, Revenues from Contracts with Customers. The new revenue guidance broadly replaces the revenue guidance provided throughout the Codification. The core principle of the revenue guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. An entity should apply a five step process to achieve this core principle and, in doing so, more judgment and estimates may be required with the revenue recognition process than are required under existing U.S. GAAP.

At issuance, ASU 2014-09 was effective starting in 2017 for calendar-year public entities, and interim periods within that year. In August 2015, the FASB issued ASU 2015-14, Revenues from Contracts with Customers: Deferral of the Effective Date, which defers the adoption of ASU 2014-09 to annual reporting periods beginning after December 15, 2017, including interim reporting periods within that reporting period. Earlier application is permitted only as of annual reporting periods beginning after December 15, 2016, including interim reporting periods within that reporting period.

The Company is currently evaluating the potential impact, if any, ASU 2014-09 may have on the Company's financial statements. The primary impact of the adoption of this accounting standard on the Company's financial statements is preliminarily anticipated to be the additional required disclosures around revenue recognition in the notes to the financial statements.
