Board of Directors
Bayridge Securities, LLC
San Francisco, California

Opinion on Statement of Financial Condition

We have audited the accompanying statement of financial condition of Bayridge Securities, LLC (the "Broker-Dealer") as of December 31, 2017. In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of the Broker-Dealer at December 31, 2017, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Broker-Dealer's management. Our responsibility is to express an opinion on the Broker-Dealer's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the statement of financial condition. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of financial condition. We believe that our audit provides a reasonable basis for our opinion.

NOTES TO STATEMENT OF FINANCIAL CONDITION AS OF AND FOR THE YEAR ENDED DECEMBER 31, 2017

1. NATURE OF BUSINESS

Bayridge Securities, LLC (the "Company") is a wholly owned subsidiary of Condor Trading, LP (the "Parent"). The Company was formed in October 2010, but did not commence operations until 2011. The Company received approval to operate and conduct business as a broker dealer in September 2011, and is registered with the Securities and Exchange Commission (the "SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). In prior year(s), the Company's operations consisted primarily of providing placement agent services to publicly traded companies. There were no such types of services provided in the year ended December 31, 2017. The Company does not carry securities accounts for its customers.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation — The Statement of Financial Condition is expressed in United States dollars and have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates — The preparation of the Company's Statement of Financial Condition in accordance with GAAP requires the Company's management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the Statement of Financial Condition. Actual amounts could differ from those estimates and these differences could be material.

Cash and Cash Equivalents — The Company considers highly liquid investments with original maturities of three months or less to be cash equivalents.

Income Taxes — As a limited liability company that is treated as a partnership for income tax purposes, the Company is not directly liable for income taxes.

3. NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Rule also requires the Company to notify and sometimes obtain approval from the SEC and FINRA for significant withdrawals of capital or loans to affiliates.

At December 31, 2017, the Company's net capital was \$186,078, which was \$181,078 in excess of its minimum requirement of \$5,000, pursuant to the requirements of the Rule. The Company's net capital ratio was 0.17 to 1.
