NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

The following summary of International Correspondent Trading, Inc.'s ("the Company") significant accounting policies is presented to assist in the interpretation of the financial statements.

Nature of Business

The Company is a broker/dealer conducting a general securities business, with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority (FINRA). The Company engages in trading and other activities related to the securities industry.

The Company operates under the provisions of Paragraph (k)(2)(ii) of Rule 15c3-3 of the Securities and Exchange Commission (SEC) and, accordingly, is exempt from the remaining provisions of the Rule. The requirements of Paragraph (k)(2)(ii) provide that the Company carries no margin accounts, promptly transmit all customer funds and deliver all securities received in connection with its activities as a broker dealer and does not hold or owe funds or securities for or to customers. The Company does not have any customers as defined by Rule 15c3-3(a)(1). Accordingly, the Company is exempt from the requirements of the provisions of Rule 15c3-3(e) (The Customer Protection Rule), based on the exemption provided in Rule 15c3-3(k)(2)(ii), and does not maintain any "Special Account for the Exclusive Benefit of Customers."

The Company is a New York corporation and began operations in November of 1995.

Method of Accounting

The Company's policy is to prepare its financial statements on the accrual basis of accounting; consequently, revenues are recognized when earned, and expenses are recognized when incurred. Transactions in securities and financial instruments, recorded at fair value, and commission income and related expenses, are recorded on a trade-date basis. The resulting realized gains and losses and change in unrealized gains and losses are reflected in trading gains and losses, net in the statement of operations. Brokerage commissions and other trading fees are reflected separately in the statement of operations. Receivables and payables relating to trades pending settlement are netted in receivable from/payable to broker-dealers in the statement of financial condition, netted by broker-dealer.

Cash & Cash Equivalents

The Company considers deposits that can be redeemed on demand and investments that have original maturities of less than three months, when purchased, to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

INTERNATIONAL CORRESPONDENT TRADING, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

Concentrations of Credit Risk

The Company clears its trades through a Clearing Agreement with Apex Clearing. This can and often does result in concentrations of credit risk with one or more of these brokers. In the event these parties do not fulfill their obligations, the Company may be exposed to risk. This risk of default depends on the creditworthiness of the counterparties to these transactions. The Company attempts to minimize this credit risk by monitoring the creditworthiness of its clearing brokers.

As a securities broker, International Correspondent Trading, Inc. (ICTI) acts as an agent and executes securities transactions on behalf of its customers. ICTI introduces its customers and their transactions for settlement and clearing to its clearing broker, Apex Clearing, on a fully disclosed basis. The clearing agreement between ICTI and its clearing broker stipulates that ICTI is obligated to assume any exposure related to the transactions that these customers perform with ICTI brokers. These activities may expose ICTI to off-balance sheet credit risk in the event the customer is unable to fulfill its contractual obligations.

In such cases, if a customer fails to satisfy its obligations, ICTI may be required to purchase or sell financial instruments at current market prices in order to fulfill the customer's obligations. ICTI seeks to control off-balance-sheet risk by monitoring its customer's transactions and their portfolio holdings, calculating margin risk, as well as imposing trade limits to its brokers, and reviewing information it receives from its clearing broker on a daily basis.

The Company has a potential concentration of credit risk in that, at times, it maintains deposits with a financial institution in excess of amounts insured by the FDIC.

Financial Instrument Information

The Company's investments are reported at their fair value at the measurement date. The fair value of the investments is based on quoted prices in active markets, sometimes referred to as a Level 1 measurement.

Other Comprehensive Income

The Company has no items of other comprehensive income in any period presented. Therefore, net income as presented in the Company's Statement of Income equals comprehensive income.

Related Party

The Company receives and executes trades for accounts that are affiliated with the Principals of the Company.

NOTE 2 - RECEIVABLE FROM CLEARING BROKER

The Company has entered into a Clearing Agreement with Apex Clearing. Apex Clearing will clear transactions introduced by the Company, as well as maintain, and provide cashing received, handling of margin accounts, including paying and charging of interest, receipt and distribution of dividends and other distributions, and the processing of rights offerings, warrants, tender offers and redemptions.

INTERNATIONAL CORRESPONDENT TRADING, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

For purposes of the SEC's financial responsibility rules and SIPC requirements, the Company's customers will be considered customers of Apex Clearing and not customers of the Company.

Apex Clearing is responsible for compliance with Regulation T, 12 C.F.R. PART 220, the Federal margin regulation of the Federal Reserve System. The Company is responsible for the collection of the required margin for each transaction, and the maintenance of such required margin for its accounts.

The outstanding balance as of December 31, 2017 was \$54,268.

NOTE 3 - OTHER ASSETS - SECURITY DEPOSITS & LEASEHOLD AGREEMENTS

The Company has a security deposit in the amount of \$7,632 with its landlord.

NOTE 4 - MARKETABLE SECURITIES

The Company maintains various proprietary accounts for allocation of trades to its customers. The Company does not make markets nor does it have an inventory. As of December 31, 2017, there were no positions of securities.

NOTE 5 - COMMISSIONS

Commissions and related clearing expenses are recorded on a trade-date basis as securities transactions occur.

NOTE 6 - TAXES

The Company elected to be treated as an S-Corporation for Federal, New York and New Jersey corporate tax purposes. An S corporation provides for elements of income and expense to flow through to the shareholders. The individual shareholders are taxed on this income at their respective personal income tax rates. The Company has included a provision for income taxes in the amount of \$1,525 for the year ended December 31, 2017.

NOTE 7 - PROFIT SHARING PLAN

The Company has a qualified profit sharing plan that covers substantially all full-time employees meeting certain eligibility requirements. The annual contribution is discretionary as determined by the Board of Directors. However, the contributions cannot exceed 20% of compensation for the eligible employees in any one tax year. The Company did not contribute to the plan for the year ending December 31, 2017.

NOTE 8 - NET CAPITAL REQUIREMENTS

As a registered broker-dealer and member of the Financial Industry Regulatory Authority (FINRA), the Company is subject to the SEC's Uniform Net Capital Rule (the "Rule") which requires that the Company maintain minimum net capital, as defined, of one-fifteenth of aggregate indebtedness, as defined, or \$100,000, whichever is greater. While net capital and aggregate indebtedness change from day to day, as of December 31, 2017, the Company had net capital of \$1,048,113 which exceeded requirements by \$948,113.

INTERNATIONAL CORRESPONDENT TRADING, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

NOTE 9 - DESCRIPTION OF LEASING ARRANGEMENTS

The Company leases office space in Hackensack NJ. The lease commenced on October 1, 2014 . The monthly rent paid is \$3,515 payable the first of each month through August 31, 2019. Rent expense for the year ended December 31, 2017 was \$47,597.

For 2018 the annual cost will be \$42,185

For 2019 the annual cost will be \$28,123

NOTE 10 – UNCERTAIN TAX POSITIONS

The Company recognizes and measures its uncertain tax benefits in accordance with the ASC 740, Income Taxes. The standard prescribes a minimum recognition threshold and measurement methodology that a tax position taken or expected to be taken in a tax return is required to meet before being recognized in the financial statements. It also provides guidance for de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. The adoption of the accounting standards did not have an impact on the Company's financial statements. The Company is subject to regular audit by tax authorities.

The Company believes that it has appropriate support for positions taken on its tax returns. Nonetheless, the amounts ultimately paid, if any, upon resolution of the issues raised by the taxing authorities may differ materially from the amounts filed. Management believes that its Organizational status would be sustained upon examination. The Company is no longer subject to federal tax examinations for the years prior to 2014 and no longer subject to state income tax examinations for the years prior to 2014.

NOTE 11 - LEGAL ISSUES

On December 12, 2017, the Firm's principal, Jack Eizikovitz received a subpoena from the SEC in connection to a customer's trading history; Mr. Eizikovitz voluntarily accepted to testify before the SEC.

It is too soon to know if the investigation will focus on any conduct by either Mr. Eizikovitz or by International Correspondent Trading, Inc.

NOTE 11 – SUBSEQUENT EVENTS

The Company's management evaluated all events subsequent to December 31, 2017 through February 20, 2018, the date the financial statements were available to be issued. There were no subsequent events during this period that require recognition or disclosure in the financial statements.
