NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Coldwater Securities, Inc. (An Arizona Close Corporation) was incorporated on March 25, 1977, under the laws of the State of Arizona (S10-200 Arizona Revised Statutes, et seq.). This law allows a corporation to exist by the issuance of capital units, which is a proportioned share of the proprietary interest in the corporation owned by the investors. An investor is the owner of capital units of a close corporation. The corporation does not require officers and directors, but has appointed managers who have the authority to act on behalf of the corporation and have the same rights as corporate officers and directors. Effective January 1, 1983, Coldwater Securities, Inc. changed its name to Hilby Wilson, Inc. (an Arizona Close Corporation, the "Company"). The Company is licensed to operate as a broker-dealer, under the Securities and Exchange Act of 1934, and has operated as a broker for real estate limited partnerships being syndicated.

Revenue Recognition

The Company earns compliance fees for maintaining the Company's security status in the event the related parties wish to participate in various investment projects or to other broker-dealers. Compliance fees are recognized per agreement.

Receivables

The Company considers receivables to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectable, they will be expensed when that determination is made.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income taxes

Income taxes provide for the tax effects of transactions reported in the financial statements and consist of taxes currently due and payable and deferred.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value of Financial Instruments

The carrying value of cash, receivables and accounts payable approximates fair value because of the short maturity of these items.

NOTE 2 NET CAPITAL REQUIREMENT

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital and a ratio of aggregate indebtedness to net capital, both as defined under such provisions, that does not exceed 15 to 1. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2017, the Company had net capital of \$8,444, which was greater than its required net capital requirement of \$5,000. The Company's net capital ratio (aggregate indebtedness/net capital) was 47.96% at December 31, 2017.

NOTE 3 RELATED PARTIES

The Company received compliance fees from related corporations for the Companies' efforts in providing securities compliance to those corporations. For the year ended December 31, 2017, the Company received \$46,000 combined from Tierra Real Estate Investments, Wilson Investment Company, The Hilby Corporation and Hilby Land Investment Corporation. The Company has an affiliate expense agreement with Tierra Real Estate Investments, LLC to pay monthly fees of \$500 for rent, utilities, and office expenses.

Rent and related expenses for 2017 totaled \$6,000.

NOTE 4 INCOME TAXES

For the year ended December 31, 2017, the Company incurred net operating income. However, no provision for Federal income taxes has been recorded due to the net operating loss carry forward, Arizona has a \$50 minimum income tax. At December 31, 2017, the Company had approximately \$9,766 remaining of federal net operating losses and \$4,843 of Arizona net operating losses after using all NOL benefits allowable in 2017. The remaining net operating loss carry forwards, if not utilized, will begin to expire in 2031 for federal purposes and in 2035 for Arizona purposes. The Company has provided a full valuation for the deferred tax assets resulting from the net operating losses as management believes it is more likely than not that they will not be fully realizable.

NOTE 5 SUBSEQUENT EVENTS

Management of the Company has reviewed all subsequent transactions through the date the financial statements were available to be issued. It has been determined that there are no subsequent events which require disclosure.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
