CENTER STREET SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 1 - ORGANIZATION AND NATURE OF BUSINESS

Center Street Securities, Inc. (the "Company") is registered as an introducing broker with the Financial Industry Regulatory Authority ("FINRA") and the Securities and Exchange Commission ("SEC"). The Company has a contractual agreement with one clearing broker. The clearing broker carries the accounts of the Company's customers on their books. The Company receives commissions for sales of various mutual funds, stocks, bonds, 529 plans, variable life and annuities, real estate investment trusts, and limited partnership and direct participation programs.

The Company is a wholly-owned subsidiary of Center Street Holdings, Inc. (the "Parent").

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising and market development costs

Advertising and market development costs are expensed as incurred. Advertising expense for the year ended December 31, 2017 amounted to \$3,994.

Deposits with clearing brokers

On August 13, 2009, the Company executed a secondary correspondent agreement with World Equity Group ("WEG"). WEG conducts business on a fully disclosed basis via a correspondent clearing agreement with Pershing, LLC. The Company has agreed to maintain a deposit account with Pershing, LLC in the amount of \$5,000 in accordance with the clearing agreement.

CENTER STREET SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

On November 7, 2016, the Company signed a termination agreement with its secondary fully disclosed clearing firm, DST Market Services, LLC (“DST”). The clearing deposit amount of \$100,000, which was held in cash in a Special Reserve account exclusively for the benefit of the Company (in accordance with the requirements of Securities Exchange Act Rule 15c3-3), was returned to the Company on April 26, 2017.

Commissions and other revenues

Commissions income, receivable, expense, payable, and related brokerage, exchange and clearance fees are recorded on a trade-date basis as securities transactions occur.

Taxes

The Company is classified as a C corporation under the Internal Revenue Code. The Company is a member of a group that files a consolidated federal tax return. Accordingly, income taxes payable to (refundable from) the tax authority is recognized on the financial statements of the parent company who is the taxpayer for federal income tax purposes. The members of the consolidated group allocate payments to any member of the group for the income tax reduction resulting from the member’s inclusion in the consolidated return, or the member makes payments to the parent company for its allocated share of the consolidated income tax liability. This allocation approximates the amounts that would be reported if the Company was separately filing its tax return. The Company is liable for state taxes.

Deferred income tax assets and liabilities are computed for differences between the financial statement and tax bases of assets and liabilities. Such differences are expected to result in taxable or deductible amounts in the future based on enacted tax laws and rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established when necessary to reduce deferred tax assets to the amount expected to be realized. Income tax expense is the tax payable or refundable for the period plus or minus the change during the period in deferred tax assets and liabilities.

Management performs an evaluation of all income tax positions taken or expected to be taken in the course of preparing the Company’s income tax returns to determine whether the income tax positions meet a “more likely than not” standard of being sustained under examination by the applicable taxing authorities. Management has performed its evaluation of all income tax positions taken on all open income tax returns and has determined that there were no positions taken that do not meet the “more likely than not” standard. Accordingly, there are no provisions for income taxes, penalties or interest receivable or payable relating to uncertain income tax positions in the accompanying financial statements.

CENTER STREET SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The consolidated federal income tax returns for 2015 and 2016 are open to examination. The Company files income tax returns in certain state jurisdictions. U.S. state jurisdictions have statutes of limitations that generally range from three to five years.

Property, equipment and software

Property, equipment and software are reported at cost, net of accumulated depreciation and amortization, and include improvements that significantly add to productive capacity or extend useful lives. Costs of maintenance and repairs are charged to expense. When depreciable assets are disposed, the cost and related accumulated depreciation are removed from the accounts, and any gain (except trade-ins) or loss is included in operations for the period. Gains on trade-ins are applied to reduce the cost of the new acquisition. Depreciation and amortization is recorded using the straight-line method over the assets' estimated useful lives, except for leasehold improvements, which are depreciated over the shorter of their estimated useful lives or the respective lease term.

Events occurring after reporting date

The Company has evaluated events and transactions that occurred between December 31, 2017 and February 26, 2018, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTE 3 - CONCENTRATION OF CREDIT RISK

The Company maintains cash balances at financial institutions whose accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to statutory limits. The Company's cash balances may, at times, exceed statutory limits. The Company has not experienced any losses in such accounts, and management considers this to be a normal business risk.

Commissions receivable from one customer amounted to \$157,680 at December 31, 2017.

CENTER STREET SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 4 - PROPERTY, EQUIPMENT AND SOFTWARE

Property, equipment and software consisted of the following as of December 31, 2017:

Furniture and equipment		\$	51,014
Leasehold improvements			<u>4,892</u>
			55,906
Less accumulated depreciation			<u>(43,602)</u>
			<u>\$ 12,304</u>
Software		\$	54,645
Less accumulated amortization			<u>(5,374)</u>
			<u>\$ 49,271</u>

NOTE 5 - INCOME TAXES

The provision for income taxes consists of the following for the year ended December 31, 2017:

	<u>Current</u>	<u>Deferred</u>	<u>Total</u>
Federal	\$ 126,715	\$ 1,722	\$ 128,437
State	<u>25,486</u>	<u>(1,722)</u>	<u>23,764</u>
	<u>\$ 152,201</u>	<u>\$ -</u>	<u>\$ 152,201</u>

The actual income tax expense differs from the expected income tax expense due to non-deductible expense, including meals and entertainment and regulatory penalties, and the effects of changes in U.S. tax laws. The Tax Cuts and Jobs Act was signed into law in December 2017. A key provision of the tax law was to reduce the federal income tax rate from 35% to 21%. The provision for income taxes reflects the impact of revaluing the deferred tax assets and liabilities at the new lower rate. The effect resulted in approximately \$11,000 of one time income tax benefit for 2017.

Deferred taxes result primarily from depreciation and amortization of property, equipment and software, prepaid expenses, accrued expenses and advances from representatives.

CENTER STREET SECURITIES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 6 - LEASES

The Company leases certain property and equipment under operating leases expiring at various dates through September 2021. The leases contain renewal options for various periods. Rent expense totaled \$75,233 for the year ended December 31, 2017.

Future minimum rental payments under noncancelable operating leases as of December 31, 2017 are as follows:

<u>Year</u>	<u>Amount</u>
2018	\$ 77,077
2019	45,187
2020	2,976
2021	2,976
	<hr/>
	\$ 128,216

NOTE 7 - RELATED PARTY TRANSACTIONS

Accounts payable to the Company's President for commissions amounted to \$12,611 at December 31, 2017. In 2017, total salaries and commissions included in operating expense earned by the Company's President amounted to approximately \$505,924.

The Company rents office space from Thacker Properties, LLC, which is owned by the President of the Company. Rent expense and fees for the use of furniture and equipment under this arrangement amounted to approximately \$18,000 for the year ended December 31, 2017.

NOTE 8 - NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The rule of the "applicable" exchange also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1. At December 31, 2017, the Company had regulatory net capital of \$422,547, which was \$367,519 in excess of its required minimum of \$55,028. The Company's percent of aggregate indebtedness to net capital ratio was 195.35%.

CENTER STREET SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

NOTE 9 - NEW ACCOUNTING PRONOUNCEMENT

The Financial Accounting Standards Board and International Accounting Standards Board issued a new standard ASC 606 on revenue recognition in May 2014, which is effective January 1, 2018 and would apply for annual reporting periods beginning December 15, 2017 and quarterly reporting beginning in first quarter of 2018. The standard provides a comprehensive, industry-neutral revenue recognition model intended to increase financial statement comparability across various companies, aiming at recognizing revenue when the entity satisfied a certain performance obligation. In relation to financial broker dealers, trading commission revenue is deemed to be recognized as an ongoing obligation as of the trade date, which is the single performance obligation for both, trade execution and clearing services. Management of the Company has assessed the impact of the adoption of the new standard and can reasonably assure that the new standard has no effect on financial statements for past or any future reporting periods. The Company was already following a policy to recognize all earned commission income as of a trade date to satisfy performance obligation criteria.

- 4) Recalculated the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers supporting the adjustments, noting no differences; and
- 5) Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance with the applicable instructions of the Form SIPC-7. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
