REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
of CIMAS, LLC d/b/a Curran Advisory Services

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Curran Advisory Services as of December 31, 2017, and the related statements of operations, changes in member's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial condition of Curran Advisory Services as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Curran Advisory Services' management. Our responsibility is to express an opinion on Curran Advisory Services' financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Curran Advisory Services in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The supplementary information contained in Schedule I – Computation of Net Capital Pursuant to Rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of Curran Advisory Services' financial statements. The supplemental information is the responsibility of Curran Advisory Services' management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplementary information contained in Schedule I – Computation of Net Capital Pursuant to Rule 15c3-1 is fairly stated, in all material respects, in relation to the financial statements as a whole.

CURRAN ADVISORY SERVICES
NOTES TO FINANCIAL STATEMENTS
December 31, 2017

NOTE 1 — DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Organization

CIMAS, LLC d/b/a Curran Advisory Services (the Company) is a single member limited liability company.

The Company was formed for the purpose of providing individualized investment management services. The Company is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority (FINRA).

CIM, LLC d/b/a Curran Wealth Management (Curran Wealth Management) is an affiliate of the Company.

(b) Revenue Recognition

Commissions on debt and equity securities transactions are recorded based on the settlement date which does not differ materially from trade date accounting for such transactions. Commissions on mutual funds, interest and other income are recognized when earned. Commissions receivable represent commissions earned on these transactions, but not collected by the company.

Commissions receivable represent the unpaid portion of client fee income adjusted for estimated uncollectible amounts. Bad debts are provided for on the allowance method based upon historical experience and management's estimation of collection losses on outstanding receivables. Receivables are written off against the allowance based on individual credit evaluation and specific circumstances of the client. As of December 31, 2017, there was no allowance for uncollectible amounts.

(c) Securities and Exchange Commission Rule 15c3-3 Exemption

The Company is not required to maintain a reserve account for the benefit of customers under Rule 15c3-3 of the Securities and Exchange Commission. All customer transactions are cleared through another broker-dealer (Note 4) on a fully disclosed basis and the Company promptly forwards all funds and securities of its customers received in connection with its activities to this broker-dealer. The Company does not maintain margin accounts.

(d) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(e) Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers cash and cash equivalents to be cash on hand, cash in banks and temporary cash investments with an original maturity of less than three months.

CURRAN ADVISORY SERVICES
NOTES TO FINANCIAL STATEMENTS

NOTE 1 — DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Income Taxes

The Company is treated as a sole proprietor for federal and state income tax purposes, and it is the member's responsibility to report and pay income taxes on the Company's income. Accordingly, no provision for income taxes has been provided for in the Company's financial statements.

The Company follows the guidance issued by the Financial Accounting Standards Board ("FASB") regarding accounting for uncertainty in income taxes. This guidance clarifies the accounting for income taxes by prescribing the minimum recognition threshold an income tax position is required to meet before being recognized in the financial statements and applies to all income tax positions. Each income tax position is assessed using a two step process. A determination is first made as to whether it is more likely than not that the income tax position will be sustained, based upon technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria, the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate settlement.

The income tax position taken by the Company for any years open under the various statutes of limitations is that the Company continues to be exempt from income taxes by virtue of its pass through entity status. Management believes this tax position meets the more-likely-than-not threshold and, accordingly, the tax benefit of this income tax position (no income tax expense or liability) has been recognized for the years ended on or before December 31, 2017.

The Company believes that there are no tax positions taken or expected to be taken that would significantly increase or decrease unrecognized tax benefits within 12 months of the reporting date.

None of the Company's federal or state income tax returns is currently under examination by the Internal Revenue Service ("IRS") or state authorities.

(g) Fair Value Measurement

Management determines the appropriate classification of securities at the time of purchase. Securities held for resale in anticipation of short-term market movements are classified as trading. Trading securities are recorded at fair value with changes in fair value included in earnings.

As more fully disclosed in Note 3, investments are accounted for under *Fair Value Measurements*, a practice which establishes a framework for measuring the fair value of investments and provides for certain investment related disclosures. Fair value is defined as the price that would be received for an asset, in the principal or most advantageous market for the asset, in an orderly transaction between market participants on the measurement date.

CURRAN ADVISORY SERVICES
NOTES TO FINANCIAL STATEMENTS
December 31, 2017

NOTE 1 — DESCRIPTION OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Fair Value Measurement (Continued)

The following describes the three levels of inputs that may be used to measure fair value:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets.

Level 2 – Observable inputs (other than quoted market prices) in active markets for identical assets.

Level 3 – Unobservable inputs in which there is little or no market data available, which may require the Company to develop its own assumptions.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

(h) Subsequent Events

In preparing these financials, the Company has evaluated events and transactions for potential recognition or disclosure through February 17, 2018, the date the financials were available for issuance.

NOTE 2 — RELATED PARTY TRANSACTIONS

Under an expense sharing agreement, Curran Wealth Management allocated certain operating expenses to the Company for occupancy expenses, employee services, and other miscellaneous expenses incurred for the benefit of the Company. Curran Wealth Management is reimbursed by the Company on a monthly basis at a flat rate of \$2,000 per month for occupancy expenses, employee services and other miscellaneous operating expenses. Expenses allocated to the Company were \$16,200 for the year ended December 31, 2017. As of December 31, 2017, the Company has prepaid \$5,800 for 2018 shared expenses.

In December 2017, the Company and Curran Wealth Management renewed the purchase of business insurance from a captive insurance company owned by the member's spouse. Coverage includes various business risks such as business interruption, data breach, legislative and regulatory, etc. Total premium approximated \$336,000 in 2017, of which approximately \$7,000 was allocated to Curran Advisory Services. The prepaid portion at December 31, 2017 was \$3,879 and is included in prepaid expenses.

CURRAN ADVISORY SERVICES
NOTES TO FINANCIAL STATEMENTS
December 31, 2017

NOTE 3 — NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital of 6 2/3% of aggregate indebtedness but not less than \$5,000 and that the ratio of aggregate indebtedness to net capital both as defined, shall not exceed 15 to 1. The Rule also restricts the payment of dividends in certain cases. At December 31, 2017, the Company had net capital, as defined, of approximately \$109,000, which was approximately \$104,000 in excess of its minimum required net capital of \$5,000 at December 31, 2017. The Company's ratio of aggregate indebtedness to net capital was 0.01 to 1 at December 31, 2017.

NOTE 4 — COMMITMENT

In December 2010 Curran Advisory Services entered into a clearing agreement with its clearing firm. This agreement requires the clearing firm to extend to Curran Advisory Services clearing, execution and other services related to securities business transactions as allowed by rules and regulations governing securities transactions. In consideration for these services, the clearing firm requires Curran Advisory Services to maintain minimum deposits of \$50,000 and excess net capital, as defined, however the clearing firm has the right to change these requirements. There is no minimum transaction fee required under the agreement. As of December 31, 2017 all requirements under the clearing agreement have been met. The initial term of this agreement was for five years, through December 2, 2015. Termination notice was not given 90 days prior to the end of the initial term by either party. As a result, in accordance with terms of the agreement the agreement is considered renewed until such notification of termination is received or given.

NOTE 5 — CONCENTRATIONS OF CREDIT RISK

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash, cash equivalents and investment in money market funds. The Company places cash and cash equivalents with high quality credit institutions. At times such amounts may be in excess of the FDIC insurance limit.

FDIC insurance per depositor is \$250,000.

OTHER REPORTS

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member
of CIMAS, LLC d/b/a Curran Advisory Services

We have reviewed management's statements, included in the accompanying Curran Advisory Services' Exempt Report, in which (1) Curran Advisory Services identified the following provisions of 17 C.F.R. §15c3-3(k) under which Curran Advisory Services claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (exemption provisions) and (2) Curran Advisory Services stated that Curran Advisory Services met the identified exemption provisions throughout the most recent fiscal year without exception. Curran Advisory Services' management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Curran Advisory Services' compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
