NOTES TO FINANCIAL STATEMENTS

For The Year Ended December 31, 2017

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Corporate Finance Securities, Inc. (the “Company” or “CFS”) was incorporated in Delaware on October 2, 2006.

The Company is registered with the Securities and Exchange Commission (“SEC”) as a broker/dealer in securities and is a member of the Financial Industry Regulatory Authority (“FINRA”). The Company is exempt from the provisions of Rule 15c3-3 (pursuant to paragraph (k)(2)(i) of such rule) under the Securities Exchange Act of 1934, as the Company does not hold customer funds or safekeep customer securities. The Company does not maintain its own securities accounts or perform custodial functions related to the securities transactions. Because of such exemptions, the Company is not required to prepare a determination of reserve requirements and possession or control requirements of Rule 15c3-3.

Registration

The Company must register with state departments that govern compliance with securities laws for the states in which it does business. The Company generates commission income in the States of California, Georgia, Illinois, Kentucky, Maine, Minnesota, Ohio, and Texas. Various regulatory requirements exist in each state with which the Company must comply. Should the Company violate certain state securities laws, it could be prohibited from doing business in those states.

Concentrations of Credit Risk

Cash and cash equivalents

The Company maintains its cash balances at financial institutions that are insured by the Federal Deposit Insurance Corporation (“FDIC”). The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk related to these deposits.

The Company considers highly liquid investments purchased with an original maturity of three months or less to be cash equivalents. Cash equivalents are recorded at cost, which approximate fair value.

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Customers

For the year ended December 31, 2017, four customers accounted for 84% of the Company's commissions revenue.

Significant Relationships and Agreements

The Company provides the following services through a network of Service Providers ("SP") who are experienced Merger and Acquisition professionals who are registered with FINRA through CFS and hold a valid FINRA license for the activities they are engaged.

1. Mergers and acquisitions advisory services
2. Corporate finance advisory services
3. Private placement advisory services
4. Real estate syndication advisory services
5. Oil and gas interests advisory services

The Company executes agreements with these SPs and provides services based on a Services Agreement ("Agreement") which contains rights and obligations for the two counterparties.

The Company provides FINRA registration services, referral program transaction opportunities, access to research data bases, training and consulting services and other related services. In addition, the SP has the right to use names and marks which are the intellectual property of the Company. The SPs are obligated to the Company to maintain the FINRA credentials, subscribe to Company research assets and maintain the office and operating policies in accordance with Company requirements. The SPs indemnify the Company from any actions arising from their misconduct.

The Company acts as the principal in all transactions and records revenue associated with these transactions and distribute commissions to the SPs based on individual transaction agreements.

The SPs are shareholders of the Company. Accordingly, they are related parties acting as agents for financial reporting purposes (see Note 3) and treated as independent contractors for income tax purposes.

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Revenue Recognition

Commissions are recorded during the period in which services are performed. Other revenues are related to administrative fees from registered representatives which are recorded when earned according to a predetermined fee schedule and are intended to provide for certain Company administrative costs.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the recorded amounts of revenues and expenses during the reporting period. Significant estimates made by the Company's management include but are not limited to, the collectibility of receivables and the realizability of the deferred tax asset. Actual results could differ from those estimates.

Income Taxes

The Company is a C corporation for income tax purposes. The amount of current and deferred taxes payable or refundable is recognized as of the date of the financial statements in accordance with the accounting guidance for income taxes. Deferred tax assets and liabilities are recognized for future tax benefits or consequences attributable to temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A valuation allowance is provided for significant deferred tax assets when it is more-likely-than not that such assets will not be realized through future operations.

The Company recognizes any uncertain income tax positions on income tax returns at the largest amount that is more-likely-than not to be sustained upon audit by the relevant taxing authority. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. There are no unrecognized tax benefits included in the statement of financial condition that would, if recognized, affect the effective tax rate. The Company's policy is to recognize interest and/or penalties related to income tax matters in income tax expense. The Company had no amounts accrued for interest and penalties on the Company's statement of financial condition at December 31, 2017.

CORPORATE FINANCE SECURITIES, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

The Company is subject to taxation in the U.S. and the States of California, Georgia, Illinois, Kentucky, Maine, Minnesota, Ohio, and Texas. The Company does not foresee material changes to its gross uncertain income tax position liability within the next twelve months. The Company is no longer subject to IRS or state examinations prior to 2013.

Dividend Policy

The Company records dividends on Series B, C, and D preferred stock when declared by the Board of Directors. In 2017 preferred dividends were paid out in the amount of \$2,700.

Subsequent Events

The Company has evaluated and determined that no events have occurred subsequent to the statement of financial condition date and through the date of issuance of these financial statements, which would require inclusion or disclosure in its financial statements.

New Accounting Pronouncements

In 2017, the Financial Accounting Standards Board (“FASB”) issued ASC 606, *Revenue from Contracts and Customers*, which will supersede nearly all existing revenue recognition guidance under the United States generally accepted accounting principles. The core principle of this standard is that revenue should be recognized for the amount of consideration expected to be received for promised goods or services transferred to customers. This standard will be effective for the Company for the annual reporting period beginning after December 31, 2017. The Company has evaluated the new standard and the adoption is not expected to have a significance impact on the Company’s financial statements and a cumulative effect adjustment under the modified retrospective method of adoption will not be necessary.

We have reviewed management's statements, included in the accompanying Exemption Report of Corporate Finance Securities, Inc., in which (1) Corporate Finance Securities, Inc. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
