REGULUS ADVISORS, LLC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31ST, 2017

1. ORGANIZATION AND NATURE OF BUSINESS

Regulus Advisors, LLC is an introducing broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company is a Michigan Corporation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The Company is engaged in business in Michigan and multiple other states as a securities broker-dealer, which comprises several classes of services. The Company had cleared its securities through America Northcoast Securities up to July 4th, 2017, under a tri-party agreement with Pershing, LLC. After July 4th, 2017, Saxony Securities replaced America Northcoast Securities as the clearing company. The Company offers services through direct relationships with vendors and product sponsors.

CASH AND CASH EQUIVALENTS

The statement of cash flow is designed to show the change in cash and cash equivalents during the year. Cash equivalents are defined as short-term, highly liquid investments that are both readily convertible to cash and are so near maturity that fluctuations in interest rates lead to insignificant risk of changes in investment value.

ACCOUNTS RECEIVABLE

Accounts receivable are securities fees/commissions and representative fee obligations due under normal trade terms. Commissions receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debts and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances still outstanding after management has used reasonable collection efforts are reflected through a charge to the allowance and a credit to accounts receivable. No allowance for doubtful accounts is considered necessary at this time.

Management reviews all representative accounts receivable periodically to determine if any amounts will be uncollectible. Based upon the credit risk of specific representatives, historical trends and other information; amounts that are determined to be potential credit losses are written off when determined uncollectible. Such losses have historically been within management's expectations.

COMMISSIONS (REVENUE RECOGNITION)

Commissions and related clearing expenses are recorded on a settlement-date basis as securities transactions occur. Our main sources of commission revenue are derived from variable products, qualified retirement plans like 401k's, mutual funds, REITs, 529s, and fixed insurance products.

REGULUS ADVISORS, LLC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31ST, 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Direct mutual fund commission income is earned when the deposit is received at the mutual fund company. Insurance product commission income (incoming annuities) is paid to the Company upon receipt of the premium by the insurance company. The Company records the income from mutual fund commissions and insurance product commissions as revenue when earned.

The Company also receives service fees (trails), which are paid based on the balances customers leave in their mutual fund account. The service fees are scheduled in the agreements with the investment companies and are recognized after the period during which the services are performed which could be monthly or quarterly as defined in the dealer agreement.

PREPAID FINRA LICENSING

The Company amortizes the cost of annual FINRA licensing over the period of benefit, which was twelve months for 2017.

ADVERTISING COSTS

Advertising costs are charged to expense as incurred and amounted to \$0 for the year ended December 31st, 2017.

PROPERTY, EQUIPMENT AND OTHER FIXED ASSETS

Property, equipment and other fixed assets are stated at cost. Depreciation on property and equipment is computed primarily using the straight-line method over the estimated useful lives of the assets, which range from 5 to 39 years. Software is amortized on a straight-line basis over a 3-year period from acquisition. Leasehold improvements are amortized over the shorter of the useful life of the related assets or the lease term. Expenditures for repairs and maintenance are charged to expense as incurred. For assets sold or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any related gain or loss is reflected in income for the period.

MANAGEMENT ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles issued by United States of America Financial Accounting Standards Board (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

REGULUS ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31ST, 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONCLUDED)

OFF-BALANCE SHEET RISK AND CONCENTRATION OF CREDIT RISK

Credit risk represents the maximum potential loss that the Company would incur if the counterparties failed to perform pursuant to the terms of their agreements with the Company.

In the normal course of business, the Company facilitates the execution of securities transactions on behalf of customers as an agent. If the agency transactions do not settle because of failure to perform by either the customer or the counterparty, the Company may be obligated to discharge the obligation of the nonperforming party and, as a result, may incur a loss if the market value of the securities differs from the contract amount.

STATEMENT OF CHANGES IN LIABILITIES SUBORDINATE TO CLAIMS OF GENERAL CREDITORS

The Company does not have any liabilities subordinated to claims of general creditors.

3. CASH AND CASH EQUIVALENTS

Substantially all cash is on deposit with three financial institutions. At various times during the year, the Company's cash balances exceed the Federally Insured limits. At December 31st, 2017, the Company's institutional balances totaled \$210,590 of which \$0 was uninsured by the Federal Deposit Insurance Corporation (FDIC).

4. DEPOSIT WITH CLEARING BROKER

Up until July 4th, 2017, the Company cleared through America Northcoast Securities through a tri-party agreement with Pershing. Since July 4th, 2017, the Company now clears through Saxony Securities. The Company is required to maintain deposit accounts with the clearing broker.

The Company also has a clearing agreement with National Securities Clearing Corporation (NSCC) for utilizing the Mutual Fund Services and Insurance and Retirement Processing Services. This agreement requires the Company to maintain a \$5,000 deposit with The Depository Trust & Clearing Corporation (DTCC).

5. INCOME TAXES

The Company is a limited liability company. In lieu of federal corporate income taxes the members are taxed on their share of the Company's taxable income. Therefore, no provision or liability for federal or state income taxes has been included in these financial statements.

REGULUS ADVISORS, LLC

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31ST, 2017

5. INCOME TAXES (CONTINUED)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Company and recognize a tax liability if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority.

Management has analyzed the tax positions taken by the Company, and has concluded that as of December 31st, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes the prior three years remain subject to income tax examinations by the applicable taxing authorities.

6. NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC rule 15c3-1), which requires the Company to maintain minimum net capital of not less than \$5,000 and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31st, 2017, the Company had net capital of \$76,746, which was \$46,979 in excess of the required net capital of \$29,767 and the Company's aggregate indebtedness to net capital ratio was 5.82 to 1.

7. RELATED PARTY TRANSACTIONS

The Company rents office space from a related party limited liability company under an operating lease agreement, as disclosed in note 8.

The Company leases the majority of its employees from Regal Financial Group, LLC and Regal Investment Advisors, LLC under expense sharing agreements.

The Company also receives various communication support services, information technology support services and use of equipment and software from Regal Investment Advisors, LLC. A total of \$467,737 was charged to expense under the expense sharing agreement with Investments Advisors, LLC, respectively for the year ended December 31st, 2017.

8. OPERATING LEASES – INCLUDING RELATED PARTIES

The Company signed a two-year lease agreement for office space from a related party commencing on September 1st, 2015. The lease agreement expired on August 31st, 2017, and renewed automatically for one year, at a monthly rate of \$3,360. Rent under this operating lease totaled \$40,320 for the year ended December 31st, 2017.

REGULUS ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31ST, 2017

8. OPERATING LEASES – INCLUDING RELATED PARTIES (CONTINUED)

The Company rented office space from an unrelated third party under a monthly lease agreement. This lease agreement was terminated on December 31st, 2017. This lease agreement required monthly payments of \$840, and does not include shared utility expenses, which are billed separately. Total rent under this lease agreement was \$9235 for the year ended December 31st, 2017.

The following schedule details future minimum lease payments as of December 31st, 2017 for operating leases with initial or remaining lease terms in excess of one year.

For the year ending December 31 st :	2018	\$	<u>28,030</u>
		\$	<u>28,030</u>

9. MAJOR PRODUCTS

During the year ended December 31st, 2017, the Company's revenues were substantially from three main product types which accounted for approximately 81% of total revenues, and 47% of total commission was received from two vendors. These two main product types were variable annuities (consisting of new business and trail revenue) and 401k's. Of the outstanding commission receivable, 66% was from three vendors.

10. SUBSEQUENT EVENTS

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through February 28th, 2018, the date the financial statements were available to be issued.

11. COMMITMENTS, GUARANTEES, AND CONTINGENCIES

The Company is not aware of any current issues that will have any material effect on the Company's financial position.

The Company provides representation and warranties to the counterparties in connection with a variety of commercial transactions and occasionally indemnifies them against potential losses caused by the breach of those representations and warranties. The Company may also provide standard indemnifications to some counterparties to protect them in the event additional taxes are owed or payments are withheld, due either to a change in or adverse application of certain tax laws. These indemnifications generally are standard contractual terms and are entered into in the normal course of business.

The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the consolidated financial statements for these indemnifications.

REGULUS ADVISORS, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31ST, 2017

12. RECENT ACCOUNTING PRONOUNCEMENTS

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606), requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance when it becomes effective and permits the use of either a full retrospective or retrospective with cumulative effect transition method. In August 2015, the FASB voted to delay the effective date of the proposed standard (ASU 2015-14, Revenue from Contracts with Customers, Deferral of the Effective Date). The updated standard will be effective for annual reporting periods beginning after December 15th, 2017. The impact of adopting the ASU on the Company's financial statements for subsequent periods has not yet been determined.

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842), which supersedes FASB ASC Topic 840, Leases (Topic 840) and provides principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchased by the lessee. A lessee is also required to record a right-of-use asset and a lease liability for all leases with a term of greater than twelve months regardless of classification. Leases with a term of twelve months or less will be accounted for similar to existing guidance for operating leases. Lessor accounting is mostly unchanged from the current model, but updated to align with certain changes to the lessee accounting model and the new revenue recognition standard. In November 2016, the U.S. Securities and Exchange Commission's (SEC) Division of Trading and Markets issued a no-action letter providing relief to broker-dealers from the effects of this ASU. The SEC's no-action letter will allow broker-dealers to treat capitalized operating lease assets as allowable to the extent of the related operating lease liability which must be done on an individual basis and cannot be done in aggregate. The no-action letter will also allow lease liability to be excluded in the determination of the aggregate indebtedness to net capital ratio. The updated standard will be effective for annual reporting periods beginning after December 15th, 2018. The impact of adopting the ASU on the Company's financial statements for subsequent periods has not yet been determined.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Members
of Regulus Advisors, LLC

We have reviewed management's statements, included in the accompanying Regulus Advisors, LLC Exemption Report, in which (1) Regulus Advisors, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Regulus Advisors, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (2)(ii) "All customer transactions cleared through another broker-dealer on a fully disclosed basis", (the "exemption provisions") and (2) Regulus Advisors, LLC stated that Regulus Advisors, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Regulus Advisors, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Regulus Advisors, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
