Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Kinecta Financial and Insurance Services, LLC (the "Company") as of December 31, 2017, the related statements of income, membership capital and cash flows for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting in accordance with the standards of the PCAOB. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion in accordance with the standards of the PCAOB.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The information in Schedules I and II has been subjected to audit procedures performed in conjunction with the audit of Kinecta Financial and Insurance Services, LLC's financial statements. The information in Schedules I and II ("supplemental information") is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

KINECTA FINANCIAL AND INSURANCE SERVICES, LLC

(A Wholly Owned Subsidiary of Kinecta Financial Management Company, LLC)

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

NOTE 1 – NATURE OF BUSINESS

Kinecta Financial and Insurance Services, LLC (the Company) is a broker-dealer registered with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority, Inc. The Company is a wholly owned subsidiary of Kinecta Financial Management Company, LLC (the "Parent") which is wholly owned by Kinecta Federal Credit Union. The Company was established primarily to provide brokerage and insurance referral services to members of Kinecta Federal Credit Union. The Parent is the sole member of the limited liability company, as such, the member's liability is limited to its capital investment.

The Company operates under the provisions of paragraph (k)(2)(i) of Rule 15c3-3 of the Securities and Exchange Commission and accordingly, is exempt from the remaining provisions of that rule. Essentially, the requirements of paragraph (k)(2)(i) provide that the Company clear all transactions on behalf of customers on a fully disclosed basis with a clearing broker-dealer, and promptly transmit all customer funds and securities to the clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers and maintains and preserves all related books and records as are customarily kept by a clearing broker-dealer.

The Company is exempt from the provisions of Securities Exchange Act Rule 15c3-3 relating to the maintenance of customer reserve accounts and possession or control of customer securities pursuant to paragraph (k)(2)(i), since the Company does not hold funds or securities of customers. The Company will engage in referral business only.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed by the Company in the preparation of its financial statements:

Cash and Cash Equivalents: The Company considers liquid investments purchased with original maturities of three months or less to be cash equivalents. The carrying value approximates fair value due to the short-term maturities of these investments.

Accounts Receivable: Accounts receivable consists primarily of commissions receivable which represents commissions due to the Company for the sale of financial and insurance products.

Revenue Recognition: The Company receives commission income in accordance with the terms of an agreement with its clearing agent, based on the activity of its customers. Commission income and related expenses for financial services are recognized on a trade date basis. Commission income and expenses relating to the sale of insurance products for various insurance carriers are recognized at the time of the sale.

In May 2014, the FASB amended existing guidance related to revenue from contracts with customers. The amendments are effective for public business entities for annual reporting periods beginning after December 15, 2017. The Company has identified the revenue line items within the scope of the guidance and implemented the new standard in the first quarter of 2018. The adoption of the guidance did not have a material impact on the financial statements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes: The Company is a wholly owned subsidiary of Kinecta Financial Management Company, LLC, which is wholly owned by Kinecta Federal Credit Union, a nontaxable entity. The company is disregarded as a separate entity from its owner, Kinecta Federal Credit Union, for income tax purposes. The Company is generally not subject to U.S. federal income tax as well as income tax of the state of California. The Company is subject to tax return filing requirements, the California LLC fee and the California annual LLC tax. For the year end December 31, 2017 there was no income tax expense allocated to the operations of the Company. The Company is subject to tax examination for U.S. federal income tax as well as income tax of the state of California. The Company is no longer subject to examination by taxing authorities for years before 2013.

A tax position is recognized as a benefit only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that has a greater than 50% probability of being realized on examination. Not meeting the “more likely than not” test results in no tax benefit being recorded.

The Company recognizes interest and/or penalties related to income tax matters in operations expense. As of and for the year ended December 31, 2017 no interest and/or penalties related to income taxes have been levied.

Basis of Presentation: The accompanying financial statements of the Company have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) and in the format prescribed by Rule 17a-5 under the Securities Exchange Act of 1934 for brokers and dealers in securities.

Accounting Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk: The Company has \$2,773,797 on deposit with Catalyst Corporate Federal Credit Union at December 31, 2017. The balance is insured by the National Credit Union Share Insurance Fund up to \$250,000. The Company has \$11,761,305 on deposit with Kinecta Federal Credit Union, a related party, at December 31, 2017. The balance is insured by the National Credit Union Share Insurance Fund up to \$250,000. The Company has \$505,698 in an Insured Cash Account (ICA) with LPL Financial at December 31, 2017. The balance is insured by the Federal Deposit Insurance Company.

NOTE 3 – EMPLOYEE BENEFIT PLANS

The Company participates in Kinecta Federal Credit Union’s 401(k) Plan (the Plan) that allows employees to defer a portion of their salary into the Plan. The Plan is for the exclusive benefit of eligible employees and their beneficiaries. Under the terms of the Plan, a discretionary match of the employees’ contribution may be made by the Company up to a specific amount. The Company contributed \$132,927 for the year ended December 31, 2017.

(Continued)

NOTE 4 – RELATED PARTY TRANSACTIONS

The Company is a wholly owned subsidiary of Kinecta Financial Management Company, LLC, which is a wholly owned subsidiary of Kinecta Federal Credit Union and operating results may differ from those that may exist if the Company operated as a stand-alone entity.

The Company is charged by Kinecta Federal Credit Union and Apollo Agencies, Inc., a wholly owned subsidiary of Kinecta Financial Management Company, LLC, for certain expense allocations, including the cost of office space and management support. These expenses, which are included in operations expense, totaled \$436,116 and \$495,480 respectively for the year ended December 31, 2017.

At December 31, 2017, the Company owed \$135,232 to Kinecta Federal Credit Union and \$42,082 to Apollo Agencies, Inc. Such amounts are non-interest bearing and payable upon demand.

The Company has \$11,761,305 on deposit (included in cash and cash equivalents) with Kinecta Federal Credit Union at December 31, 2017, which earned \$18,412 in interest for the year ended December 31, 2017.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

Off-Balance-Sheet Risk and Concentration of Credit Risk: As discussed in Note 1, the Company's customers' securities transactions are introduced on a fully disclosed basis with its clearing broker-dealer. The clearing broker-dealer carries all of the accounts of the customers of the Company and is responsible for execution, collection of, and payment of funds and receipt and delivery of securities related to customer transactions. Off-balance-sheet risk exists with respect to these transactions due to the possibility that customers may be unable to fulfill their contractual commitments wherein the clearing broker-dealer may charge any losses it incurs to the Company. The maximum potential amount of future payments that the Company could be required to make under these indemnifications cannot be estimated. However, the Company believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements for these indemnifications. The Company seeks to minimize this risk through procedures designed to monitor the creditworthiness of its customers and that customer transactions are executed properly by the clearing broker-dealer.

Litigation: From time to time, in the ordinary course of business, the Company could be named in legal actions that could result in losses being incurred. There are currently no known legal actions pending against the Company.

NOTE 6 – NET CAPITAL REQUIREMENTS

The Company is subject to the SEC's Uniform Net Capital Rule 15c3-1, which requires the maintenance of minimum net capital. The Company computes net capital requirements under the aggregate indebtedness method, which requires firms to maintain net capital, as defined, of not less than 6.67 percent of aggregate indebtedness, also as defined. At December 31, 2017, the Company had net capital of \$3,465,641, which was \$3,419,428 in excess of its required net capital of \$46,213. The Company's ratio of aggregate indebtedness to net capital was 1 to 5.

NOTE 6 – NET CAPITAL REQUIREMENTS (Continued)

The Company operates in a highly regulated industry. Applicable laws and regulations restrict permissible activities and investments. These policies require compliance with various financial and customer-related regulations. The consequences of noncompliance can include substantial monetary and non-monetary sanctions. In addition, the Company is also subjected to comprehensive examinations and supervisions by various governmental and self-regulatory agencies. These regulatory agencies generally have broad discretion to prescribe greater limitations on the operations of a regulated entity for the protection of investors or public interest. Furthermore, where the agencies determine that such operations are unsafe or unsound, fail to comply with applicable law, or are otherwise inconsistent with the laws and regulations or with the supervisory policies, greater restrictions may be imposed.

Report of Independent Registered Public Accounting Firm

We have reviewed management's statements, included in the accompanying Kinecta Financial and Insurance Services, LLC's Exemption Report, in which (1) Kinecta Financial and Insurance Services, LLC (the "Company") identified the following provisions of 17 C.F.R. § 15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) Kinecta Financial and Insurance Services, LLC stated that the Company met the identified exemption provisions throughout the most recent fiscal year ended December 31, 2017 without exception.
