## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the member of  
Steward Securities Group LLC,

### Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of Steward Securities Group LLC as of December 31, 2017, the related statements of income, changes in shareholders' equity, and cash flows for the year then ended, and the related notes and schedules. In my opinion, the financial statements present fairly, in all material respects, the financial position of Steward Securities Group LLC as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### Basis for Opinion

These financial statements are the responsibility of Steward Securities Group LLC's management. My responsibility is to express an opinion on Steward Securities Group LLC's financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Steward Securities Group LLC. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

The financial statement has been subjected to audit procedures performed in conjunction with the audit of Steward Securities Group LLC's financial statements. The supplemental information is the responsibility of Steward Securities Group LLC's management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In my opinion, the financial statement is fairly stated, in all material respects, in relation to the financial statements as a whole.

**NOTE 1: BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Steward Securities Group, LLC ("the Company") maintains its accounts on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Accounting principles followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operations and cash flows are summarized below:

**Nature of Business** - The Company is located in Houston, Texas and is a limited business broker dealer that transacts in institutional fixed income securities only through an arrangement with another Broker Dealer on a fully disclosed basis. Consequently, the Company has claimed an exemption from the Securities and Exchange Commission's (SEC) Rule 15c3-3 under Section (K)(2)(ii). The Company is registered as a Broker-Dealer with the SEC, and a member of the Financial Industry Regulatory Authority (FINRA). Its principal market is the general public in the Southeastern region of Texas.

**Statement Presentation** - An unclassified Balance Sheet is presented in accordance with industry standards.

**Cash and Cash Equivalents** - Cash and cash equivalents include cash held in banks. The Company considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents. The Company had no cash equivalents at December 31, 2017.

**Revenue Recognition** - Commissions are recognized when the transaction settles and receivables are recorded at that time. Revenues are primarily generated from commissions on sales of fixed income securities.

**Income Taxes** - The Company has elected to be taxed as a Limited Liability Company, a disregarded entity, and therefore, no provision has been made for federal income tax since these taxes are the responsibility of the member. The Company is subject to the Texas Margin Tax which is a state income tax. The Company did not owe any Texas Margin Tax at December 31, 2017.

The Company believes that all tax positions will more likely than not be sustained upon examination. As of December 31, 2017, the tax years that remain subject to examination by the major tax jurisdictions under the Statute of Limitations are from the year 2013 (year of inception) forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as a tax expense in the Statement of Income.

**Estimates** - The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Subsequent Events** - The Company has evaluated subsequent events through February 28, 2018, the date the financial statements were available to be issued. No subsequent events occurred, which require adjustment or disclosure to the financial statements at December 31, 2017.

**STEWARD SECURITIES GROUP, LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2017**

**NOTE 2: NET CAPITAL REQUIREMENTS**

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At December 31, 2017, the Company had net capital of \$13,437 and a net capital requirement of \$5,000 for the year. The Company's ratio of aggregate indebtedness to net capital was .1113 to 1 at December 31, 2017. The Securities and Exchange Commission permits a ratio of aggregate indebtedness to net capital for the Company at this time of no greater than 15 to 1.

**NOTE 3: CREDIT RISK**

The Company's bank balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. It is the Company's practice to utilize high net worth financial institutions to minimize credit risk.

The Company is engaged in trading and brokerage activities in which counter parties primarily include broker-dealers, banks and other financial institutions. In the event counter parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument.

**NOTE 4: RECEIVABLE FROM CLEARING ORGANIZATION**

The Company had an agreement with a clearing organization whereby the organization performs clearing functions for all securities transactions with customers and brokers and dealers. Related to these transactions the Company was required to maintain cash on deposit in a clearance account with the Clearing Organization in the amount of \$100,000. This clearing agreement and related cash restriction was terminated as of September 30, 2016.

The Company is currently in the process of securing an agreement with a clearing organization to perform clearing functions for all securities transactions with customers and brokers and dealers.

The Company, under the terms of the exemption claimed under SEC rule 15c3-3, will not engage in Securities transactions until a new clearing agreement is executed.

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of Steward Securities Group, LLC,

I have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Steward Securities Group, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Steward Securities Group, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) and (2) Steward Securities Group, LLC stated that Steward Securities Group, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Steward Securities Group, LLC 's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Steward Securities Group, LLC 's compliance with the exemption provisions. Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
