To the Board of Directors of:
American Financial Associates, Inc.

Opinion on the Financial Statements:

We have audited the accompanying statement of financial condition of American Financial Associates, Inc. (the "Company"), as of December 31, 2017, and the related statements of operations, changes in stockholders' equity and cash flows for the year then ended, and the related notes and supplementary information (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year ended December 31, 2017, in conformity with accounting principles generally accepted in the United States of America.

Supplementary Information

The supplementary information, the Computation of Net Capital under Rule 15c3-1 of the Securities and Exchange Commission and the Computation for Determination of Reserve Requirements and Information Relating to Possession or Control Requirements Under Rule 15c3-3 of the Securities and Exchange Commission OR contained in schedules I and II, has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplementary information is the responsibility of the Company's management. Our audit procedures included determining whether the supplementary information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplementary information. In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as

evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2015.

AMERICAN FINANCIAL ASSOCIATES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

Note 1. SIGNIFICANT ACCOUNTING POLICIES

Business and Organization

American Financial Associates, Inc. (the Company) was organized on July 25, 1991 for the purpose of selling mutual funds and life insurance. In 1994, the Company also began acting as a discount broker. The Company has brokers in the states of Pennsylvania, New Jersey and Oregon. Approximately sixty percent of the Company's business is conducted in Pennsylvania and the major source of revenue comes from selling mutual funds.

Basis of Presentation

The Company follows accounting principles generally accepted in the United States of America (GAAP), as established by the Financial Accounting Standards Board (the FASB), to ensure consistent reporting of financial condition, results of operations, and cash flows.

Cash and Cash Equivalents

The Company maintains cash in accounts with one financial institution which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash. There were no amounts over the federally insured limits for the year ending December 31, 2017.

The Company's cash equivalents are highly liquid debt investments with an original maturity of three months or less as of the acquisition date.

Bad Debts

The Company uses the direct write-off method of accounting for losses arising from uncollectible accounts receivable. Under this method, accounts receivable are written-off to bad debt expense in the period they are deemed uncollectible. There were no bad debt expenses for the year ended December 31, 2017.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Depreciation

Property and equipment is recorded at cost and is depreciated on a straight-line basis over the estimated useful lives of the assets. There was no depreciation expense for the year ending December 31, 2017.

Property and Equipment

Property and equipment are recorded at cost less accumulated depreciation. Depreciation is deducted on a straight-line basis and is provided over the useful lives of the related assets. Maintenance and repairs are charged to operations when incurred. Renewals and betterments of a nature considered to materially extend the useful lives of the assets are capitalized. When assets are retired or otherwise disposed of, the assets and related allowances for depreciation and amortization are eliminated from the account and any resulting gain or loss is reflected in income.

AMERICAN FINANCIAL ASSOCIATES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

Note 1. SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue and Expense Recognition

Securities transactions and the related revenue and expenses are recorded on a trade-date basis, as securities transactions occur.

The Company earns 12b-1 fees paid by mutual funds to the broker-dealer to cover marketing and selling of mutual fund shares and are calculated based on a set rate multiplied by the fund balance. The Company acts in an agent capacity and pays out the revenue received from the fund to the corresponding brokers. The amount of 12b-1 fees earned was \$600,530 for the year ending December 31, 2017.

Rent Expense

The Company has a month-to-month rental with no signed lease in the Pennsylvania office. Rent is \$900 per month for the last three years and is expensed when paid. Rent expense was \$10,800 for the year ending December 31, 2017.

Commissions Receivable

Commissions receivable consist of fees earned primarily on the selling of mutual funds. The Company receives payment within a short time of the transaction. The Company clears certain of its proprietary and customer transactions through another broker-dealer on a fully disclosed basis. No allowance for doubtful accounts has been provided for as the continuing relationships over many years have assured collection.

Income Taxes

The Company's provision for income taxes is based on all items included in income as reported for financial statement purposes. Income taxes are provided for the tax effects of transactions reported in the financial statements.

FASB ASC Topic 740 (ASC 740), *Income Taxes*, provides guidance for how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions are more likely than not of being sustained when challenged or when examined by the applicable tax authority. Tax positions deemed not to meet the more-likely-than-not threshold would be recorded as a tax expense and liability in the current year. For the year ended December 31, 2017, management has determined that there are no uncertain tax positions.

The Company files income tax returns in U.S. federal jurisdiction and certain states. The current and prior three tax years generally remain subject to examination by U.S. federal and respective state tax authorities.

Note 2. ADVERTISING COST

Advertising costs are expensed as incurred. Advertising costs of \$1,225 were incurred for the year ending December 31, 2017.

**AMERICAN FINANCIAL ASSOCIATES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017**

Note 3. NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2017, the Company had net capital of \$44,995, which was \$38,906 in excess of its required net capital of \$6,089. The Company's ratio of aggregate indebtedness to net capital at December 31, 2017 was 2.0298 to 1.

Note 4. INCOME TAXES

Income tax expense includes federal and state income taxes due currently after using up prior net operating losses. The provision for income taxes was \$3,415 for the year ending December 31, 2017. The components of the provision for income taxes for the year ended December 31, 2017 are as follows:

	2017
Current - Federal	\$ 91
Current - State & Local	975
Total provision for income taxes	\$ 1,066

The corporate tax returns have not been prepared for the year ended December 31, 2017. There is an expected liability of \$800 for state and local purposes and \$100 for federal purposes, which leaves \$1,200 of prepaid federal income tax and \$400 of prepaid state income tax net of accrued income tax at December 31, 2017.

Note 5. STOCKHOLDER'S EQUITY

A summary of common stock shares authorized, issued and outstanding is as follows:

Shares authorized	10,000
Issued	8,165
Outstanding	8,165

In August 2010, the Board of Directors authorized the Company to repurchase 840 shares of common stock. During October 2010, the Company repurchased 840 shares at an aggregate cost of \$8,040.

Note 6. CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

AMERICAN FINANCIAL ASSOCIATES, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

Note 6. CONCENTRATIONS OF CREDIT RISK (continued)

A customer is considered major when the customer represents 5% or more of the total gross revenue for the year ended December 31, 2017. The loss of such a customer would have a significant impact on the Company's revenue. For the year ended December 31, 2017, the Company did not have any transactions with a major customer.

Note 7. PROPERTY AND EQUIPMENT

Property and equipment is summarized as follows:

	2017
Office Equipment	\$ 53,359
Furniture & Fixtures	1,781
Total Fixed Assets at Cost	55,140
Less: Accumulated Depreciation	(55,140)
Property and equipment, net	\$ -

Note 8. EXEMPTIVE PROVISIONS

The Company has a clearing agreement with its clearing broker, RBC Capital Markets, LLC. The agreement provides that certain minimum capital balances must be maintained while the Company's customer accounts are being introduced to and cleared by the Clearing Broker on a fully disclosed basis. In connection with this agreement, the Company is contingently liable to the Clearing Broker in the event of nonperformance by its introduced customers. It is the Company's policy to continuously monitor its exposure to these risks.

The Company maintains a secondary clearing relationship and not a direct clearing relationship with its clearing broker, RBC Capital Markets, LLC.

An exemption is claimed from SEC Rule 15c-3-3 under c(k)(2)(ii) – All customer transactions are cleared through RBC Capital Markets, LLC (SEC# - 801-13059) on a fully disclosed basis.

Note 9. RECENT ACCOUNTING PRONOUNCEMENTS

In August 2015, the FASB issued ASU 2015-14, Revenue from Contracts with Customers (Topic 606), requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective and permits the use of either a full retrospective or retrospective with cumulative effect transition method. The updated standard will be effective for annual reporting periods beginning after December 15, 2018. The Company has selected a transition method to recognize a cumulative effective change to opening retained earnings in the year of adoption of the standard. As a result of this method, the Company will have no change to retained earnings as of January 1, 2018.

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842) to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements. Under ASU 2016-02, a lessee will recognize in the statement of financial position a liability to make lease payments and a right-to-use asset representing its right to use the underlying asset for the lease term. The updated standard will be effective for annual reporting periods beginning after December 15, 2018. The Company has not yet selected a transition method and is currently evaluating the effect that the updated standard will have on its financial statements.

Note 10. SUBSEQUENT EVENTS

In preparing these financial statements, the Company evaluates events occurring after the date of the financial statements to consider whether or not the impact of such events needs to be reflected and/or disclosed in the financial statements. Such evaluation is performed through the date the financial statements were issued. Based on the definitions and requirements of the Subsequent Event Topics of FASB Accounting Standards Codification, management of American Financial Associates, Inc. is not aware of any subsequent events that would require disclosure in the financial statements.

Exemption Report Review

To the Board of Directors of:
American Financial Associates, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, on which identified the following provisions of 17 C.F.R. ~15c3-3(k) under which American Financial Associates, Inc. claimed an exemption from 17 C.F.R. ~240.15c3-3:(1). SEC Rule 15c3-3(k)(2)(ii) and American Financial Associates, Inc. stated that American Financial Associates, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. American Financial Associates, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about American Financial Associates, Inc.'s compliance with the exemption provisions. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
