## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the member of  
Verit Advisor Capital Markets LLC,

### Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of Verit Advisor Capital Markets LLC as of December 31, 2017, the related statements of income, changes in shareholders' equity, and cash flows for the year then ended, and the related notes and schedules. In my opinion, the financial statements present fairly, in all material respects, the financial position of Verit Advisor Capital Markets LLC. as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### Basis for Opinion

These financial statements are the responsibility of Verit Advisor Capital Markets LLC.'s management. My responsibility is to express an opinion on Verit Advisor Capital Markets LLC's financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Verit Advisor Capital Markets LLC. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

The financial statement has been subjected to audit procedures performed in conjunction with the audit of Verit Advisor Capital Markets LLC.'s financial statements. The supplemental information is the responsibility of Verit Advisor Capital Markets LLC.'s management. My audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming my opinion on the supplemental information, I evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In my opinion, the financial statement is fairly stated, in all material respects, in relation to the financial statements as a whole.

### *Note 1 – Nature of Business and Summary of Significant Accounting Policies*

Verit Advisors Capital Markets, LLC (the “Company”) is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”). The Company is a wholly owned subsidiary of Verit Advisors, LLC (the “Member”). The Company was formed in 2013 as a limited liability company in accordance with the laws of the state of Illinois. The first capital contribution was made in July 2015, from the Member. The firm was approved as a member of FINRA on February 8, 2016. The primary business of the Company is to provide services in the areas of mergers and acquisitions and offer private placements. The Company serves privately held middle market companies located in the United States of America.

#### **Basis of Presentation**

The accounting policies and reporting practices of the Company conform to the practices in the broker-dealer industry and are in accordance with accounting principles generally accepted in the United States of America.

#### **Government and Other Regulation**

The Company’s business is subject to significant regulation by various governmental agencies and self-regulatory organizations, including the SEC and FINRA. Such regulation includes, among other things, periodic examinations by these regulatory bodies to determine whether the Company is conducting and reporting its operations in accordance with the applicable requirements of these organizations. As a registered broker dealer, the Company is subject to the SEC’s net capital rules (Rule 15c3-1) which require that the Company maintain a minimum net capital, as defined. The Company will operate in accordance with the exemptive provisions of paragraph (k) (2) (i) of SEC Rule 15c3-3.

**Cash and Cash Equivalents** - The Company considers all highly liquid debt instruments having original maturities of three months or less at the date of purchase to be cash equivalents. The Company may, during the ordinary course of business, maintain account balances with banks in excess of federally insured limits. The Company has not experienced losses on these accounts, and

***Note 1 – Nature of Business and Summary of Significant Accounting Policies (continued)***

management believes that the Company is not exposed to significant risks on such accounts. At December 31, 2017, cash and cash equivalents were held in an interest bearing account at JPMorgan Chase Bank totaling \$11,651.

**Revenue Recognition** - Service fee revenues are recorded in the period services are provided. Placement agent fees are recorded on a trade-date basis as transactions occur.

**Management Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at December 31, 2017 and revenues and expenses during the year then ended. Actual results could differ from those estimates.

**Income Taxes** - No provisions have been made for income taxes since the Company is a single member limited liability company and is considered a disregarded entity for income tax purposes. The sole member is liable for income taxes based on the Company's taxable income.

The Company recognizes and measures tax positions taken or expected to be taken in its tax return based on their technical merit and assesses the likelihood that the positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. Interest and penalties on tax liabilities, if any, would be recorded in expenses. As of December 31, 2017, the company has no significant uncertain tax positions.

**Subsequent Events** - The subsequent events for the Company have been evaluated by management through February 24, 2018, the date financial statements were available to be issued. It was determined that there were no subsequent events to recognize in the financial statements.

**Recent Accounting Pronouncements** - In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update No. 2014-09 (ASU 2014-09) "Revenue from Contracts with Customers." ASU 2014-09 supersedes the revenue recognition requirements in "Revenue Recognition (Topic 606)", and requires entities to recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the entity expects

***Note 1 – Nature of Business and Summary of Significant Accounting Policies (continued)***

to be entitled to in exchange for those goods or services. As currently issued and amended, ASU 2014-09 is effective for annual reporting periods beginning after December 15, 2017, including interim periods within that reporting period, though early adoption is permitted for annual reporting periods beginning after December 15, 2017. The effect of adopting this update is not expected to be material to the Company's financial statements.

***Note 2 – Uniform Net Capital Rule***

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The rule also provides that equity capital may not be withdrawn if the resulting capital ratio would exceed 10 to 1. As of December 31, 2017, the Company had net capital of \$9,651 which was \$4,651 in excess of its required net capital of \$ 5,000. The Company's ratio of aggregate indebtedness to net capital was .2072 to 1.

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of  
Verit Advisors Capital Markets LLC

I have reviewed management's statements, included in the accompanying Exemption Report, in which (1) Verit Advisors Capital Markets LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Verit Advisors Capital Markets LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) and (2) Verit Advisors Capital Markets LLC stated that Verit Advisors Capital Markets LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Verit Advisors Capital Markets LLC's management is responsible for compliance with the exemption provisions and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Verit Advisors Capital Markets LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
