Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Cresap, Inc. (the "Company"), as of December 31, 2017, and the related statements of operations, changes in stockholders' equity and cash flows for the year then ended, and the related notes and supplementary information (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year ended December 31, 2017, in conformity with accounting principles generally accepted in the United States of America.

Supplementary Information

The supplementary information, the Computation of Net Capital under Rule 15c3-1 of the Securities and Exchange Commission and the Computation for Determination of Reserve Requirements and Information Relating to Possession or Control Requirements Under Rule 15c3-3 of the Securities and Exchange Commission OR contained in schedules I and II, has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplementary information is the responsibility of the Company's management. Our audit procedures included determining whether the supplementary information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplementary information. In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as

evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

We have served as the Company's auditor since 2014.

CRESAP, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2017

(1) ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization

Cresap, Inc. (the "Company") was incorporated on December 7, 1989 in the Commonwealth of Pennsylvania for the purpose of conducting business as a broker-dealer. On January 16, 1990, 100 shares of common stock were sold to the President and sole stockholder, Mark W. Cresap, III. The Company became a member of the National Association of Securities Dealers, Inc. (now the Financial Industry Regulatory Authority) on May 11, 1990.

The Company uses a clearing broker-dealer for all customer transactions.

Significant Accounting Policies

Cash

For purposes of the statement of cash flows, the Company includes as cash, amounts on deposit at banks and funds held on account by the Company's clearing broker. The Company considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Furniture and Equipment

Furniture and equipment are recorded at cost. Depreciation is computed using the straight-line method based on the estimated lives ranging from five to seven years. In 2017 depreciation expense was \$19,090.

Securities Transactions

All securities transactions and related commission income and expenses are recorded on the trade date basis as if they had settled.

Mutual Fund Fees

Broker-dealers acting as mutual fund distributors may earn 12b-1 fees, paid by the fund to the broker-dealer to cover distribution expenses which encompass marketing and selling of fund shares.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expense during the reported period. Actual results could differ from those estimates.

CRESAP, INC.
NOTES TO FINANCIAL STATEMENTS (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2017

(2) NET CAPITAL REQUIREMENTS

Pursuant to the net capital requirements of the Securities and Exchange Commission (Rule 15c 3-1), the Company is required to maintain a minimum "net capital," as defined under such provisions. The rule requires that "aggregate indebtedness," as defined, shall not exceed fifteen times "net capital," as defined, and that minimum "net capital" must be the greater of \$50,000 or 6 2/3% of aggregate indebtedness. As of December 31, 2017 the Company had net capital of \$343,474 which was \$292,474 in excess of the minimum net capital requirement. The Company's net capital ratio was .84 to 1.

(3) INCOME TAXES

The Company has elected to be treated under the provisions of Subchapter S of the Internal Revenue Code and comparable provisions of the Commonwealth of Pennsylvania. Under those provisions, the Company does not pay federal or Pennsylvania corporate taxes on its taxable income. Instead, the stockholder is liable for federal and Pennsylvania income taxes on the Company's taxable income.

Accounting standards require the tax effects of uncertain tax positions to be recognized. These tax positions must meet a "more likely than not" standard that based on their technical merit have more than 50% likelihood of being sustained upon IRS examination. Management estimates that there are no uncertain tax positions as of December 31, 2017.

The Company's corporation income tax returns for the years ending December 31, 2014, 2015, 2016 and 2017 are subject to examination by the Internal Revenue Service.

(4) COMMITMENTS

The Company has a lease agreement for office space at 259 Radnor Chester Road, Suite 140, Radnor, PA. The term of the lease is from December 19, 2013 through June 30, 2019. In addition, the Company is obligated to pay for a proportional amount of the building's costs. Future minimum lease payments at December 31, 2017 are as follows:

2018	94,949
2019	<u>48,262</u>
	<u>\$143,211</u>

Rent expense for 2017 was \$96,527.

CRESAP, INC.
NOTES TO FINANCIAL STATEMENTS (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2017

(5) EMPLOYEE BENEFIT PLANS

The Company has adopted a qualified profit sharing plan with a 401(k) deferred compensation provision. All employees are eligible to participate in the Company's profit sharing plan and 401(k) plan as long as they are at least 21 years of age and have completed one year of employment. The profit sharing plan provides for contributions by the Company in such amounts as management may determine. The company incurred no profit sharing plan expense for the year ended December 31, 2017. The salary deferral 401(k) plan allows eligible employees to defer up to twelve percent of their salary and requires no matching Company contribution.

The Company has adopted a Section 125 plan that offers all employees pre-tax health insurance benefits.

(6) SPECIAL ACCOUNT FOR EXCLUSIVE BENEFIT OF CUSTOMERS

The Company is exempt from the provisions of Rule 15c3-3 of the Securities and Exchange Act of 1934 and therefore, among other things, is not required to maintain a "Special Reserve Bank Account for the Exclusive Benefit of Customers," since it meets the requirement of Rule 15c3-3(k)(2)(a) and does not carry security accounts for customers or perform custodial functions relating to customer securities.

(7) CONCENTRATIONS OF CREDIT RISK

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

The Company at times during operations has cash deposits which exceed \$250,000. The Federal Deposit Insurance Corporation (FDIC) insures only the first \$250,000 of funds on deposit. In addition, the Company's bank often places funds in temporary investments which are not insured by the FDIC. The Company had no funds in temporary investment accounts at December 31, 2017. Funds held in the Company's bank account of \$163,672 were in excess of FDIC coverage at December 31, 2017.

CRESAP, INC.
NOTES TO FINANCIAL STATEMENTS (CONT'D)
FOR THE YEAR ENDED DECEMBER 31, 2017

(8) RECENT ACCOUNTING PRONOUNCEMENTS

In August 2015, the FASB issued ASU 2015-14, Revenue from Contracts with Customers (Topic 606), requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective and permits the use of either a full retrospective or retrospective with cumulative effect transition method. The updated standard will be effective for annual reporting periods beginning after December 15, 2018. The Company has selected a transition method to recognize a cumulative effective change to opening retained earnings in the year of adoption of the standard. As a result of this method, the Company will have no change to retained earnings as of January 1, 2018. In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842) to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements. Under ASU 2016-02, a lessee will recognize in the statement of financial position a liability to make lease payments and a right-to-use asset representing its right to use the underlying asset for the lease term. The updated standard will be effective for annual reporting periods beginning after December 15, 2018. The Company has not yet selected a transition method and is currently evaluating the effect that the updated standard will have on its financial statements

(9) SUBSEQUENT EVENTS

Events subsequent to December 31, 2017 of the Company have been evaluated through February 20, 2018, which is the date the financial statements were available to be issued, for the purpose of identifying events requiring recording or disclosure in the financial statements for the year ended December 31, 2017.

Exemption Report Review

To the Board of Directors:
Cresap Inc.

We have reviewed management's statements, included in the accompanying Exemption Report, on which Cresap Inc. identified the following provisions of 17 C.F.R. ~15c3-3(k) under which Cresap Inc. claimed an exemption from 17 C.F.R. ~240.15c3-3:(2)(ii), SEC Rule 15c3-3(k)(2)(ii) and Cresap Inc. stated that Cresap Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Cresap Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Cresap Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
