GAM Services Inc.:

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of GAM Services Inc. (the Company) as of December 31, 2017, the related statements of income, changes in stockholder's equity, and cash flows for the year then ended, and the related notes (collectively, the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Accompanying Supplemental Information

The supplemental information contained in Schedules I and II has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. § 240.17a-5. Notes to Financial Statements

December 31, 2017

(1) Organization

GAM Services Inc. (the Company), a Delaware corporation, was organized on October 3, 1989. The Company's business involves the private placement of unregistered funds (the Funds). The Company is a registered limited purpose broker-dealer with the Securities and Exchange Commission (the SEC) and a member of the Financial Industry Regulatory Authority Inc. The Company is a wholly owned subsidiary of GAM USA Inc. (the Parent) which is owned by GAM Group AG. The Company's ultimate parent is GAM Holding AG, a Swiss holding company.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) is the exclusive reference of authoritative U.S. generally accepted accounting principles (U.S. GAAP) recognized by the FASB to be applied by nongovernmental entities. Rules and interpretive releases of the SEC under authority of federal laws are also sources of authoritative U.S. GAAP for SEC registrants. The ASC superseded all existing non-SEC accounting and reporting standards. The Company's financial statements are prepared in accordance with U.S. GAAP, which may require the use of management estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

(b) Cash and Cash Equivalents

The Company considers money market funds and other short term investments with maturities at acquisition of less than three months to be cash equivalents.

(c) Revenue Recognition

Pursuant to a service agreement between the Company and the Parent, the Company is the private placement agent for the Funds. For providing such services, the Company receives distribution fees of 0.075% per annum on the net asset value of shares held by U.S. investors in the Funds.

(d) Income Taxes

The Company is included in the consolidated federal and combined state and local tax returns of the Parent. The Company computes its federal, state, and local income taxes on a separate entity basis and is subject to the utilization of tax attributes in the Parent's consolidated income tax provision. Current and deferred tax liabilities and assets are settled with the Parent on a current basis.

(e) Fair Value of Financial Instruments

Financial instruments, which consist of cash and cash equivalents, are reported at their carrying amounts which approximate fair value given the short term nature of this item.

GAM SERVICES INC.
Notes to Financial Statements
December 31, 2017

(f) Recent Accounting Pronouncements

In May 2014, the FASB issued ASC 606 "Revenue from Contracts with Customers" that introduces a new five-step revenue recognition model in which an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This ASC also requires disclosures sufficient to enable users to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers, including qualitative and quantitative disclosures about contracts with customers, significant judgments and changes in judgments, and assets recognized from the costs to obtain or fulfill a contract. As it applies to the Company this standard is effective for annual periods beginning after December 15, 2017. The Company has determined that there will be no significant impact on the financial statements arising from the new standard.

(3) Income Taxes

Pursuant to a tax sharing arrangement with the Parent, which allows for current treatment of all temporary differences, the Company treats such differences as current.

The components of income tax for the year ended December 31, 2017 are:

	Current tax expense
Federal	\$ 15,700
State and local	7,700
Total	\$ 23,400

The effective tax rate differs from the statutory federal rate of 34% due to state and local income taxes. Effective for the 2018 tax year and beyond the statutory federal rate has been reduced to 21% as a result of legislation enacted in December 2017.

On December 31, 2009, the Company adopted Accounting Standards Codification 740-10-25, *Accounting for Uncertainty in Income Taxes* (ASC 740-10-25). ASC 740-10-25 clarifies the accounting for uncertainty in tax positions and prescribes guidance related to the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. ASC 740-10-25 also requires recognition in the statement of financial condition of the impact of a tax position, if that position is more likely than not to be sustained upon an examination, based on the technical merits of the position. As of December 31, 2017, the Company had no uncertain tax positions that ASC 740-10-25 required be recognized or disclosed in the statement of financial condition. The following is the major tax jurisdiction for the Company and the earliest tax year subject to examination: United States – 2014.

(4) Net Capital Requirement

The Company is subject to the SEC's Uniform Net Capital Rule 15c3-1 (the Rule), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. The Rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Company computes its net capital under the aggregate indebtedness standard permitted by the Rule. The Company's minimum net capital requirement is the greater of 6-2/3% of the aggregate indebtedness, as defined, or \$25,000. In addition, certain advances, payments of dividends and other equity withdrawals are subject to certain provisions of the Rule. At December 31, 2017, the Company was in compliance with this requirement and had net capital, as defined, of \$307,300 exceeding the requirements by \$282,300. The Company's aggregate indebtedness to net capital ratio was .25 to 1 at December 31, 2017.

(5) Concentration of Credit Risk

Substantially all of the Company's cash and cash equivalents are on deposit with a major financial institution.

(6) Related Party Transactions

The Company shares certain administrative expenses with its Parent. These administrative expenses are allocated to the Company pursuant to an expense sharing agreement between the parties. The amount incurred by the Company pursuant to this agreement amounted to \$200,000 for the year ended December 31, 2017.

The Company earned \$392,700 for acting as the selling and private placement agent for the Funds pursuant to a service agreement between the Company and the Parent. Included in due from parent company-net at December 31, 2017 is an accrued receivable of \$136,800 related to these services, an advance payment of \$100,000 made to the Parent and payables totaling \$134,700 representing amounts pursuant to the expense sharing and tax sharing agreements.

(7) Subsequent Events

The Company has evaluated subsequent events after the statement of financial condition date through February 28, 2018, which represents the date the financial statements were available to be issued. The Company has no material events to report.

GAM Services Inc.:

We have reviewed management's statements, included in the accompanying GAM Services Inc. Exemption Report (the Exemption Report), in which (1) GAM Services Inc. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
