REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders
of Aeon Capital, Inc.

We have reviewed management's statements, included in the accompanying Aeon Capital Inc. Exemption Report, in which (1) Aeon Capital, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which Aeon Capital, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (exemption provisions) and (2) Aeon Capital, Inc. stated that Aeon Capital, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. Aeon Capital, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Aeon Capital, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Aeon Capital Inc.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2017

NOTE 1 - NATURE OF BUSINESS

AEON Capital Inc. (the “Company”) is a Wisconsin S Corporation that was organized for the purpose of providing investment banking and financial consulting services, including financial valuation and modeling, preparation of financial and marketing materials, financial structuring and strategic consulting. The Company is a broker-dealer registered with the Securities and Exchange Commission (the “SEC”). The Company is also a member of the Financial Industry Regulatory Authority (“FINRA”) and the Securities Investor Protection Corp (“SIPC”).

On November 11, 2014, Kenneth Strom (“Former Owner”) the former owner of the Company, entered into a share purchase agreement (“Agreement”) with RCP Capital Markets 2, LLC. Pursuant to the Agreement the former owner agrees to sell to RCP Capital Markets 2 LLC 100% of the Company’s shares upon approval by FINRA. The closing took place on September 28, 2016, when pursuant to NASD Rule 1017; FINRA granted the Company to undergo a 100% ownership change where RCP Capital Markets 2, LLC is the new 100% direct owner of the Company. In anticipation of the sale, the Company changed its name from Strom Financial Partners Inc. to RCP Capital Markets Inc. On May 2, 2017 the firm changed its name from RCP Capital Markets Inc to Aeon Capital Inc.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

USE OF ESTIMATES IN THE FINANCIAL STATEMENTS

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States (U.S. GAAP). The preparation of U.S. GAAP financial statements requires management to make certain estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. Significant estimates include Company’s Level 3 securities.

EQUIPMENT AND LEASEHOLD IMPROVEMENTS

Equipment is reported at historical cost, net of accumulated depreciation. Depreciation is computed using the straight-line method over useful lives of three years. Leasehold improvements are amortized using the straight-line method over the lesser of the life of the lease or the service lives of the improvements

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (CONTINUED)

REVENUE RECOGNITION

Investment Banking Revenue

Investment banking revenue includes underwriting and private placement agency fees earned through the Company's participation in public offerings and private placements of equity and convertible debt securities and fees earned as financial advisor in mergers and acquisitions and similar transactions. Underwriting revenue is earned in securities offerings in which the Company acts as an underwriter and includes management fees, selling concessions, and underwriting fees. Fee revenue relating to underwriting commitments is recorded when all significant items relating to the underwriting cycle have been completed and the amount of the underwriting revenue has been determined.

Advisory and Consulting Fees

The Company provides financial placement services to its clients in connection with proposed business capital raises, including financial analysis, planning, structuring and other advisory services. The Company recognizes revenues when persuasive evidence of an arrangement exists, the service has been provided, the price is determinable and collectability is reasonably assured.

In addition, other nominal amounts, which do not conform to the types described above, are also recorded as other revenues.

SUBSEQUENT EVENTS

The Company has evaluated subsequent events through February 26, 2018, to determine if events or transactions occurring through the date the financial statements were available to be issued, require adjustment to or disclosure in the financial statements.

INCOME TAXES

The Company, a Wisconsin S Corporation, has elected, by consent of its stockholder, to be taxed as an S corporation under the provision of the Internal Revenue Code and state statutes. Under those provisions, the Company does not pay federal or state corporate income tax on its taxable income and is not allowed a net operating loss carryover or carryback as a deduction. Instead, the stockholder is liable for individual income taxes on the taxable income of the company. Accordingly, no provision or liability for federal or state income taxes has been included in the financial statements. Tax provisions, if any, within these statements represents the Company's share of New York City Unincorporated

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES (CONTINUED)

Business Tax (“NYCUBT”). The NYCUBT is calculated as if the Company files on a separate return basis and tax payments are paid to its Parent for its proportionate share of taxes.

The Company accounts for income taxes under the asset and liability method. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective income tax bases, and operating loss and tax credit carry-forwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in operations in the period enacted.

The Company has adopted the uncertainty in income tax accounting standard. This standard provides applicable measurement and disclosure guidance related to uncertain tax positions. Adoption of this standard has had no effect on the Company’s financial statements. The Company remains subject to U.S. federal and state income tax audits for all periods subsequent to and including 2012.

NOTE 3 - CONCENTRATIONS AND CREDIT RISK

Financial instruments that subject the Company to credit risk consist principally of cash. The Company performs certain credit evaluation procedures and does not require collateral for financial instruments subject to credit risk. The Company believes that credit risk is limited because the Company routinely assesses the financial strength of its customers, and based upon factors surrounding the credit risk of its customers, establishes an allowance for uncollectible accounts and, as a consequence, believes that its accounts receivable credit risk exposure beyond such allowances is limited. During the year ended December 31, 2017, the Company had three customers that represented approximately 75% of total revenues.

The Company maintains checking accounts in a financial institution. Accounts at the bank are insured by the Federal Deposit Insurance Corporation (“FDIC”). At times, cash and cash equivalents may be uninsured or in deposit accounts that exceed the FDIC insurance limit.

FOR THE YEAR ENDED DECEMBER 31, 2017

NOTE 4 - FAIR VALUE OF ASSETS AND LIABILITIES

Fair value is defined as the price at which an asset would sell for or an amount paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Where available, fair value is based on observable market prices or parameters or derived from such prices or parameters. Where observable prices or parameters are not available, valuation models are applied. These valuation techniques involve some level of management estimation and judgment, the degree of which is dependent on the price transparency for the instruments or the market on which they are primarily traded, and the instruments' complexity. Assets and liabilities recorded at fair value in the statement of financial condition are categorized based upon the level of judgment associated with the inputs used to measure their fair value.

NOTE 5 - EQUIPMENT AND LEASEHOLD IMPROVEMENTS

The Company has no Equipment or Leasehold improvements at this time.

NOTE 6 - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule ("SEC Rule 15c3-1"), under which the Company is required to maintain a minimum net capital of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, as defined, shall not exceed 15 to 1. At December 31, 2017, the Company had net capital of \$28,944, which exceeded required net capital by \$23,944 and a total aggregate indebtedness of \$27,142. The Company's aggregate indebtedness to net capital ratio was 0.938 to 1 at December 31, 2017.

The Company qualifies under the exemptive provisions of Rule 15c3-3 as the Company does not carry security accounts for customers or perform custodial functions related to customer securities.
