## Report of Independent Registered Public Accounting Firm

To the managing member and the board of directors of  
LIATI Capital, LLC

### Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of LIATI Capital, LLC as of December 31, 2017, the related statements of operations, changes in member's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017 and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States.

### Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with U.S. securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The company is not required to have, nor were we engaged to perform, an audit on its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

### Other Information

The computation of net capital pursuant to Rule 15c3-1 of the Securities and Exchange Commission shown on Schedule I and the computation of basic net capital requirement pursuant to Rule 15c3-1 of the Securities and Exchange Commission and computation of aggregate indebtedness shown on Schedule II (collectively, the "Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of LIATI Capital, LLC's financial statements. The supplemental information is the responsibility of LIATI Capital, LLC management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the information included in Schedules I and II is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as the Company's auditor since 2016.

**Notes to the Financial Statements**

**December 31, 2017**

**1. THE COMPANY AND ITS OPERATIONS**

LIATI Capital, LLC ("The Company") was formed in New York in February, 1998. The Company provides and derives its revenues from financial advisory and consulting services primarily related to the private placement of equity and debt for established companies and partnerships, real estate and energy projects, including renewable energy projects, and select startup companies. Registration as a broker-dealer under the Securities Exchange Act of 1934 was effective January 2001. The Company is a member of the FINRA. The Company does not perform any clearing function for itself or others, and does not hold customer accounts, margin accounts, funds, or securities and accordingly is exempt per paragraph 3(K)(2)(i) from the provisions of SEC Rule 15c3-3 and is not responsible for compliance with Section 4(C) of Regulations T of the Federal Reserve System. Additionally, the Company is not required to conduct quarterly security counts because it is exempt therefrom by the provisions of Regulation 17a-13(a).

**2. SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from these estimates.

**Revenue**

The revenue is recorded per the terms of the engagement letter(s) for fees derived from the placement of securities in connection with the private placement of equity and debt for established companies, startup ventures, real estate and energy projects.

**Income Taxes**

The Company is organized as an LLC under the Internal Revenue Code. Accordingly, other than certain minimum and miscellaneous taxes, no provision for federal and state taxes is included in the financial statements as the members are required to include their proportionate share of the Company's taxable income or loss in their individual tax returns.

The Company, however, is liable for local income taxes.

**LIATI Capital, LLC**

**Notes to the Financial Statements**

**December 31, 2017**

Note 2 Significant Accounting Policies (continued)

Although the Company is not subject to federal or state income taxes, the effects of an uncertain tax position, if any, may have an impact on the tax returns of the members. Therefore, the effects of any such uncertainty must be recognized based on the outcome that is more likely than not to occur. Under this criterion the most likely resolution of an uncertain tax position should be analyzed based on technical merits and on the outcome that will likely be sustained under examination. As of December 31, 2017, the Company has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

The Company's income tax returns for the years 2014 through 2017 are subject to examination by federal, state and local income tax authorities.

**3. RELATED PARTY TRANSACTIONS**

The Company shares office space and operates under an expense sharing agreement with LIATI Group, LLC, a New York Limited Liability Company which is a member of the Company. The expense sharing agreement provides for LIATI Group, LLC to pay all the operating expenses of the Company, except for certain directly related expenses. As outlined in the expense sharing agreement, such payments are considered as capital contributions by the LIATI Group, LLC. For the year ended December 31, 2017 expenses totaling \$59,747 were allocated by LIATI Group, LLC to the Company through the expense sharing agreement.

**4. LIQUIDITY, CAPITAL RESOURCES AND GOING CONCERN EVALUATION**

In the year ended December 31, 2017, the Company had no revenue, experienced a loss of \$116,876 and has experienced losses for multiple years leading up to this fiscal year. This raises substantial doubt about the entity's ability to continue as a going concern. Management believes the Company currently does not have enough capital in order to meet its obligations.

In order to alleviate substantial doubt about the Company's ability to continue as a going concern, in February 2018, LIATI Group, LLC, obtained a commitment from Plateau Circle, LLC (a former shareholder of LIATI Group, Inc., the majority member of LIATI Group, LLC) to provide sufficient funds through a loan to LIATI Group, LLC, a member of the Company. LIATI Group, LLC intends to utilize the loans to invest working capital in the Company to cover any deficits in operating cash flows during the next year, as well as to assure that the Company stays in compliance with regulatory requirements.

On December 31, 2017, Plateau Circle, LLC was bought out of its investment in LIATI Group, Inc. Plateau Circle, LLC remains a participant in some potential deals which the Company is working on.

**LIATI Capital, LLC**

**Notes to the Financial Statements**

**December 31, 2017**

5. NET CAPITAL REQUIREMENT

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregated indebtedness to net capital, as defined, shall not exceed 15 to 1 (and that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2017 the Company's net capital of \$8,493 was \$3,493 in excess of its required net capital of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 1.87. Accordingly, the Company was in compliance with the net capital rule at December 31, 2017.

6. SUBSEQUENT EVENTS

The Company has performed an evaluation of events that have occurred subsequent to December 31, 2017, and through February 15, 2018, the date of the issuance of this report. There have been no material subsequent events occurring during such period that would require disclosure in this report or would be required to be recognized in the financial statements as of December 31, 2017.

## Report of Independent Registered Public Accounting Firm

Board of Directors and Managing Member  
LIATI Capital, LLC

We have reviewed management's statements, included in the accompanying exemption from SEC Rule 15c3-3 report, in which (1) LIATI Capital, LLC identified the following provisions of 17 C.F.R. § 15c3-3(k) under which LIATI Capital, LLC claimed an exemption from 17 C.F.R. § 240.15c3-3: (2)(i), (the "exemption provisions") and (2) LIATI Capital, LLC stated that LIATI Capital, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. LIATI Capital, LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about LIATI Capital, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k), (2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
